Only Ontario-Crown land is included in this proposed conservation reserve. Where the boundary appears to overlap private land, Federal land, Indian Reserves, or existing Mining Act tenures, that portion of the site is not being regulated as a part of this conservation reserve. Consistent with the Ontario's Living Legacy Land Use Strategy, however, should mining claims or leases within this area be retired in the future through normal processes, these claims or lease areas will be withdrawn and added to the conservation reserve.
