Tenders must be submitted in the prescribed form and must be accompanied by a deposit in the form of a money order or of a bank draft or cheque certified by a bank or trust company payable to the municipality (or board) and representing at least 20 per cent of the tender amount.

The municipality makes no representation regarding the title to or any other matters including any environmental concerns relating to the land to be sold. Responsibility for ascertaining these matters rests with the potential purchasers. The municipality does not provide an opportunity for potential purchasers to view properties nor is it in a position to provide successful purchasers with a key or vacant possession.

This sale is governed by Part XI of the *Municipal Act, 2001* and as amended by The Municipal Statute Law Amendment Act, 2002. The successful purchaser will be required to pay the amount tendered plus the accumulated taxes (i.e. the property taxes that have accumulated since the first day of advertising of the land for sale until a successful purchaser is declared) and any relevant federal or provincial taxes that may apply (including land transfer tax and GST). Failure to complete the transaction by the successful bidder (highest or if failed, second highest bidder) will result in the forfeiture of their deposit.
