#### SCOPE

The City of Hamilton is offering for sale, a property known as 1633 - 1653 Highway 6 North in Flamborough. The property consists of two residential homes and one legal non-conforming business operating as a salvage yard. The property is currently zoned as Agricultural/Conservation Management and can continue to be operated as a salvage/scrap yard under legal non-conforming use. The site is registered with the Ministry of the Environment as a Polychlorinated Biphenyl (PCB) Waste Disposal site. According to Ministry records there are approximately 700kg of solid PCB contaminated waste, properly stored at the Site. Other issues to be dealt with by a new purchaser will be the removal of 5,000+ tires on the site as well as batteries and waste rags.

The City will require a detailed plan for review by the City to address the issues of location of materials and appropriate landscaping and fencing to protect the environmentally sensitive wetlands that surround the site. The two homes currently located at the site have an estimated value of \$400,000 and are in the protected Provincial Greenbelt zone. As such no severances would be allowed and the homes could continue to be used for rental income purposes.

The City currently has the option to take ownership of this Property due to a failed tax sale, for non payment of property taxes from April of 2005 (Municipal Act 2001, section 379 (5B)). It is the City's intention to find a new owner for this property who will purchase the site **as is**, or re-develop the property to a use suitable to the zoning.

(c) the maximum cumulative output capacity of the equipment used to generate the electricity that the generator intends to return to the distributor for net metering purposes is no greater than 500 kilowatts based on the rated maximum output capacity of the equipment; and

(d) the generator conveys the electricity that is generated directly from the point of generation to another point for the generator's own consumption without reliance on the distributor's distribution system before conveying any electricity that is in excess of the generator's own needs at the time of generation into the distributor's distribution system.

(2) In this Regulation, electricity is generated from a renewable energy source if the electricity is generated from the wind, a drop in water elevation, solar radiation or an agricultural bio-mass resource or from any combination of them.

#### **Account billing**

**8.** (1) A distributor shall calculate the amount of the bill of an eligible generator whose eligible electricity is taken into account for billing on a net metering basis in the following manner:

1. In any billing period when,

$$(D + E) \leq C$$

the distributor shall use the following formula:

$$A = B + C - (D + E)$$

2. In any billing period when,

$$(D + E) > C$$

the distributor shall use the following formula:

$$A = B$$

(2) For the purposes of this section,

- A is the amount of the bill for the billing period,
- B is the total of those charges that are not calculated on the basis of the customer's consumption of or demand for electricity, calculated by the distributor in the manner normally applicable to the customer for the billing period,
- C is the total of those charges for electricity consumed from the distributor's distribution system by the eligible generator during the billing period that are calculated on the basis of the customer's consumption of or demand for electricity, including charges for the commodity of electricity, calculated by the distributor in the manner normally applicable in billing the customer,
- D is the total monetary value of the eligible electricity returned during the billing period to the distributor by the eligible generator, calculated on the same basis as the customer's consumption of, but not demand for, electricity, including charges for the commodity of electricity, but without any adjustment for total losses as defined in the Retail Settlement Code, and
- E are any accrued returned electricity credits as calculated in accordance with subsection (6) that have not been depleted in a previous billing period.

(3) For the purpose of the calculations of B and C in subsection (2), the distributor shall calculate their values without regard to the customer generating eligible electricity or being billed on a net metering basis.

(4) If, where permitted, an eligible generator's meter installation as defined in the Retail Settlement Code is a single-register meter, the distributor shall modify the calculation of C and D for the purposes of subsection (2) according to the following rules:

1. In any billing period when the kilowatt-hour reading on the meter at the end of the period is greater than or equal to the kilowatt hour reading on the meter at the beginning of the period, the difference between the two readings shall be deemed to constitute the amount of electricity that the eligible generator consumed from the distributor's distribution system for the purpose of calculating C and a value of \$0 is assigned to D.
2. In any billing period when the kilowatt hour reading on the meter at the end of the period is less than the kilowatt hour reading on the meter at the beginning of the period, the difference between the two readings shall be deemed to constitute the amount of eligible electricity returned to the distributor by the eligible generator for the purpose of calculating D and a value of \$0 is assigned to C.

(5) If the customer has a contract with a retailer, the distributor shall modify the calculation of C and D for the purposes of subsection (2) according to the following rules:

1. In any billing period when the portion of the bill covering competitive electricity services for the consumer constitutes a charge to the customer or is equal to \$0, the amount of the charge or \$0, as the case may be, shall be used as the charge for the commodity of electricity for the purpose of calculating C and \$0 shall be used as the charge for the commodity of electricity for the purpose of calculating D.
2. In any billing period when the portion of the bill covering competitive electricity services for the consumer constitutes a credit to the customer, the amount of the credit shall be used as the charge for the commodity of electricity for the purpose of calculating D and \$0 shall be used as the charge for the commodity of electricity for the purpose of calculating C.
3. The competitive electricity services for the purposes of paragraphs 1 and 2 shall be as calculated by the retailer in accordance with the agreement between the retailer and the customer and transmitted to the distributor for inclusion in the customer's bill under the bill-ready form of distributor-consolidated billing pursuant to the Retail Settlement Code.

(6) Subject to subsection (7), returned electricity credits accrue or are depleted on the basis of a running balance in accordance with the following rules:

1. In any billing period where the value of  $E + D - C$  is positive, E is assigned that value for the purposes of the next billing period.
2. In all cases other than the case described in paragraph 1, the value of E shall be deemed to be \$0 for the purposes of the next billing period.

(7) Subject to subsection (8), after issuing a bill in any billing period where the value of E is positive and has been positive for all billing periods in the previous 10 months, the distributor shall reduce the value of any remaining accrued electricity credits to \$0 and E shall be deemed to be \$0 for the purpose of the next billing period.

(8) A distributor shall reduce the value of any remaining accrued electricity credits to \$0 in accordance with subsection (7) solely if the bill is based on an actual reading of the eligible generator's meter.

(9) For the purposes of subsection (8), the distributor may request that the eligible generator obtain and supply the meter reading following the procedures normally used for customer-supplied meter readings if,

- (a) the distributor would normally not have the eligible generator's meter read for a billing period where the value of E has been positive for all billing periods in the previous 10 months; and
- (b) the eligible generator can read the meter without the need of any apparatus.

(10) Despite subsection (8), a distributor may reduce the value of any remaining accrued electricity credits to \$0 after issuing a bill to the eligible generator in any month where the value of E is positive and has been positive for all billing periods in the previous 10 months and E shall be deemed to be \$0 for the purpose of the next billing period if the eligible generator fails to promptly and diligently comply with the distributor's request pursuant to subsection (9) to read the meter.

(11) The value of any remaining accrued electricity credits in the eligible generator's account is reduced to \$0,

- (a) upon issuing of the final bill to an eligible generator when the account is terminated; or
- (b) upon cancelling the net metering agreement for any reason, except if the cancelled agreement existed on or is the renewal of an agreement that existed on October 24, 2005 and at the same time as giving notice of cancellation the eligible generator requests that he, she or it be allowed to return eligible electricity to the distributor for the purpose of being billed on a net metering basis.

(12) Any remaining accrued electricity credits that are reduced to \$0 in accordance with this section are conveyed to the account of the distributor.

(13) In addition to any other amounts that may be billed to a customer as specified in this section, a distributor may bill a customer for incremental metering and other costs incurred in order to connect the eligible generator's generation facilities to its distribution system in accordance with the Board's Distribution System Code.

#### Cancellation of agreement

9. (1) A consumer may cancel a net metering agreement with a distributor at any time by giving 90 days notice in writing to the distributor.

(2) A consumer who is an eligible generator and who has cancelled a net metering agreement under subsection (1) may not for 12 months after the cancellation be permitted to return eligible electricity to the distributor for the purpose of being billed on a net metering basis unless,

- (a) the cancelled agreement existed on or is the renewal of an agreement that existed on October 24, 2005; and
- (b) at the same time that the consumer gives notice of cancellation, the consumer requests that he, she or it be allowed to return eligible electricity to the distributor for the purpose of being billed on a net metering basis.

(13.3) Si, par la suite, la personne assurée se conforme au paragraphe 42 (10), l'assureur réexamine la demande et prend une décision aux termes du présent article.

(13.4) S'il ne remet pas une copie du rapport d'examen prévu à l'article 42 ou de sa décision à l'égard de la demande au plus tard le jour suivant, l'assureur paie toutes les évaluations et tous les examens visés par la demande :

1. Le 10<sup>e</sup> jour ouvrable qui suit le jour de la remise des renseignements et documents qu'exige le paragraphe 42 (10), si la personne assurée n'était pas tenue de se présenter à l'examen visé à l'article 42.

**17. L'article 39 du Règlement est abrogé et remplacé par ce qui suit :**

## INDEMNITÉ DE SOINS AUXILIAIRES

**39.** (1) La demande d'indemnité de soins auxiliaires qui vise une personne assurée est rédigée sous forme d'une évaluation de ses besoins en soins auxiliaires qu'un membre d'une profession de la santé que la loi autorise à traiter la déficience de la personne prépare et présente à l'assureur.

(2) Dans les 10 jours ouvrables de la réception de l'évaluation des besoins en soins auxiliaires, l'assureur donne à la personne assurée une avis l'informant :

- a) d'une part, des frais éventuels mentionnés dans l'évaluation des besoins en soins auxiliaires que l'assureur accepte de payer;
- b) d'autre part, du fait qu'il exige qu'elle se fasse examiner aux termes de l'article 42, s'il n'accepte pas de payer tous les frais mentionnés dans l'évaluation des besoins en soins auxiliaires.

(3) L'assureur peut payer les frais engagés avant que lui soit présentée une évaluation des besoins en soins auxiliaires conforme au paragraphe (1), mais il n'est pas tenu de le faire.

(4) L'assureur commence à verser l'indemnité de soins auxiliaires dans les 10 jours ouvrables de la réception de l'évaluation des besoins en soins auxiliaires et, en attendant de recevoir le rapport d'un examen visé à l'article 42 qu'il a exigé, il en calcule le montant en se fondant sur l'évaluation.

(5) Afin de déterminer si une personne assurée a toujours droit à une indemnité de soins auxiliaires, si le montant versé est adéquat ou les deux, l'assureur donne à la personne un avis demandant que lui soit présentée, dans les 10 jours ouvrables de la réception de l'avis, une nouvelle évaluation de ses besoins en soins auxiliaires conforme au paragraphe (1).

(6) Sous réserve du paragraphe (10), l'avis prévu au paragraphe (5) peut également informer la personne assurée que l'assureur exige qu'elle se fasse examiner aux termes de l'article 42.

(7) Sous réserve du paragraphe (10), de nouvelles évaluations des besoins en soins auxiliaires peuvent être présentées à l'assureur lorsqu'il se produit des changements susceptibles d'influer sur le montant de l'indemnité.

(8) L'assureur peut donner à la personne assurée un avis l'informant qu'il exige qu'elle se fasse examiner aux termes de l'article 42 s'il ne l'a pas déjà fait et qu'une nouvelle évaluation des besoins en soins auxiliaires indique qu'il convient d'augmenter le montant de l'indemnité de soins auxiliaires.

(9) Si une nouvelle évaluation des besoins en soins auxiliaires est exigée aux termes du paragraphe (5) ou s'il exige un examen visé à l'article 42, l'assureur continue, sous réserve de l'article 18, de verser à la personne assurée l'indemnité de soins auxiliaires au même tarif jusqu'à ce qu'il reçoive l'évaluation ou le rapport d'examen, selon le cas.

(10) Si plus de 104 semaines se sont écoulées depuis l'accident, l'assureur ne doit pas exiger que la personne assurée se fasse examiner aux termes de l'article 42 afin de déterminer si elle a droit à une indemnité de soins auxiliaires et celle-ci ne doit pas lui présenter ni être tenue de lui présenter une évaluation de ses besoins en soins auxiliaires à moins que les conditions suivantes ne soient réunies :

- a) elle a ou peut avoir droit, en vertu de l'article 18, à une indemnité de soins auxiliaires plus de 104 semaines après l'accident;
- b) au moins 52 semaines se sont écoulées depuis le dernier examen visé à l'article 42.

(11) Dans les cinq jours ouvrables de la réception du rapport d'examen prévu à l'article 42, l'assureur en remet une copie à la personne assurée et au membre de la profession de la santé qui a préparé l'évaluation des besoins en soins auxiliaires, en y joignant une copie de sa décision à l'égard de l'indemnité.

(12) Dans sa décision, l'assureur précise l'indemnité et les frais qu'il accepte de payer et ceux qu'il refuse de payer, en donnant les motifs de sa décision.

(13) Si la personne assurée omet ou refuse de se conformer au paragraphe 42 (10), l'assureur peut :

- a) d'une part, déterminer qu'elle n'a pas droit à l'indemnité de soins auxiliaires;
- b) d'autre part, refuser de verser une indemnité de soins auxiliaires se rapportant à la période qui suit le moment où elle a omis ou refusé de se conformer au paragraphe 42 (10) et qui précède celui où elle se soumet à l'examen et remet les renseignements et documents qu'exige ce paragraphe.

(14) Si, par la suite, la personne assurée se conforme au paragraphe 42 (10), l'assureur prend les mesures suivantes :

- a) il réexamine la demande et prend une décision aux termes du présent article;
- b) il reprend, sous réserve de la nouvelle décision, le versement de l'indemnité de soins auxiliaires;
- c) il verse tous les montants éventuellement retenus pendant la période d'inobservation si elle fournit une explication raisonnable de l'inobservation du paragraphe 42 (10) au plus tard le 10<sup>e</sup> jour ouvrable qui suit l'omission ou le refus de s'y conformer ou dès que possible par la suite.

(15) S'il détermine que la personne assurée n'a pas droit, en raison de l'article 18, à une indemnité de soins auxiliaires pour les frais engagés plus de 104 semaines après l'accident, l'assureur lui donne un avis motivé de sa décision, au moins 10 jours ouvrables avant le dernier versement de l'indemnité.

(16) L'évaluation des besoins en soins auxiliaires prévue au présent article qui vise des accidents survenus le 1<sup>er</sup> mars 2006 ou après cette date est rédigée selon la formule intitulée «Évaluation des besoins en soins auxiliaires», datée du 31 décembre 2005, qui se trouve sur le site Web <http://www.fSCO.gov.on.ca/>, et contient les renseignements qui y sont exigés.

(17) L'évaluation des besoins en soins auxiliaires prévue au présent article qui vise des accidents survenus avant le 1<sup>er</sup> mars 2006 est rédigée selon la formule 1, telle qu'elle existait le 28 février 2006.

**18. Les paragraphes 40 (2), (3), (3.1) et (4) du Règlement sont abrogés et remplacés par ce qui suit :**

(2) Dans les 30 jours de la réception de la demande visée au paragraphe (1), l'assureur donne à la personne assurée :

a) soit un avis l'informant qu'il a déterminé qu'il s'agit d'une déficience invalidante;

b) soit un avis l'informant qu'il exige qu'elle se fasse examiner aux termes de l'article 42 pour l'aider à déterminer s'il s'agit d'une déficience invalidante.

(3) Si une demande est présentée en vertu du présent article au plus 104 semaines après l'accident et que la personne assurée recevait une indemnité de soins auxiliaires immédiatement avant sa présentation :

a) d'une part, l'assureur continue de lui verser l'indemnité jusqu'à ce qu'il prenne une décision aux termes du présent article;

b) d'autre part, l'indemnité versée pour la période visée à l'alinéa a) est calculée en se fondant sur l'hypothèse que la personne assurée souffre d'une déficience invalidante.

(4) Dans les cinq jours ouvrables de la réception du rapport d'examen prévu à l'article 42, l'assureur en remet une copie à la personne assurée et au praticien de la santé qui a préparé la demande visée au présent article, en y joignant une copie de sa décision à l'égard de l'existence ou non d'une déficience invalidante.

(5) Dans sa décision, l'assureur précise les motifs pour lesquels il a déterminé que la personne assurée souffre ou non d'une déficience invalidante.

(6) Si la personne assurée omet ou refuse de se conformer au paragraphe 42 (10), l'assureur peut prendre les mesures suivantes :

a) déterminer qu'elle ne souffre pas d'une déficience invalidante;

b) interrompre le versement de toute indemnité qui n'est payable que si elle souffre d'une déficience invalidante;

c) refuser de verser une indemnité ou de payer des frais qui ne sont payables que si la personne assurée souffre d'une déficience invalidante, en ce qui concerne la période qui suit le moment où elle a omis ou refusé de se conformer au paragraphe 42 (10) et qui précède celui où elle se soumet à l'examen et remet les renseignements et documents qu'exige ce paragraphe.

(7) Si, par la suite, la personne assurée se conforme au paragraphe 42 (10), l'assureur prend les mesures suivantes :

a) il réexamine la demande et prend une décision aux termes du présent article;

b) il reprend, sous réserve de sa décision, le versement de toute indemnité qui était versée avant l'examen;

c) il verse tous les montants éventuellement retenus pendant la période d'inobservation s'il détermine qu'elle souffre d'une déficience invalidante et qu'elle fournit une explication raisonnable de l'inobservation du paragraphe 42 (10) au plus tard le 10<sup>e</sup> jour ouvrable qui suit l'omission ou le refus de s'y conformer ou dès que possible par la suite.

(8) S'il ne remet pas une copie du rapport d'examen prévu à l'article 42 ou de sa décision à l'égard de la demande au plus tard le jour suivant, l'assureur paie, pour la période qui commence ce jour-là et qui se termine le jour où il lui remet le rapport ou la décision, tous les montants relatifs aux indemnités et aux biens et services auxquels la personne assurée aurait droit si elle souffrait d'une déficience invalidante :

1. Le 15<sup>e</sup> jour ouvrable qui suit le jour de la remise des renseignements et documents qu'exige le paragraphe 42 (10), si la personne assurée n'était pas tenue de se présenter à l'examen visé à l'article 42.

## 21. L'article 42 du Règlement est abrogé et remplacé par ce qui suit :

### EXAMEN EXIGÉ PAR L'ASSUREUR

**42.** (1) Afin de l'aider à déterminer si la personne assurée a ou continue d'avoir droit à une indemnité prévue au présent règlement qui fait l'objet d'une demande, l'assureur peut, aussi souvent que cela est raisonnablement nécessaire, exiger qu'elle se fasse examiner aux termes du présent article par une ou plusieurs personnes qu'il choisit, chacune étant membre d'une profession de la santé ou travailleur social ou possédant des compétences spécialisées en matière de réadaptation professionnelle.

(2) Le paragraphe (1) ne s'applique pas à l'égard de ce qui suit :

- a) une indemnité à laquelle s'applique l'article 37.1, sauf s'il s'agit d'un montant demandé pour des biens ou des services accessoires visés à l'article 37.2;
- b) une prestation de décès ou une indemnité pour frais funéraires.

(3) Sous réserve du paragraphe (7), les examens suivants qui sont effectués aux termes du présent article se limitent à l'examen des renseignements et documents remis aux termes du paragraphe (10) à l'égard de la personne assurée et ne nécessitent pas sa présence :

1. L'examen effectué pour l'application de l'article 37.2 pour aider l'assureur à déterminer s'il convient de payer les biens ou services accessoires dont la personne assurée demande le paiement.
2. L'examen effectué après la présentation d'une demande visée à l'article 38 pour aider l'assureur à déterminer si la personne assurée souffre d'une déficience à laquelle s'applique une directive relative à un cadre de traitement préapprouvé.
3. L'examen effectué pour l'application de l'article 38 pour aider l'assureur à déterminer s'il convient de payer les biens ou les services prévus par un plan de traitement s'ils sont essentiellement similaires à ceux qu'il a déjà refusé de payer lorsqu'ils figuraient dans un plan de traitement antérieur qui lui avait été présenté pour le compte de la personne assurée à l'égard du même accident.
4. L'examen effectué pour l'application de l'article 38.2 à l'égard d'une demande d'approbation d'une évaluation ou d'un examen.
5. L'examen effectué pour l'application de l'article 40 qui ne vise qu'à déterminer si la personne assurée a une déficience cérébrale qui se traduit par un résultat de 9 ou moins selon la classification appelée «Glasgow Coma Scale» mentionnée au sous-alinéa 2 (1.2) e) (i).

(4) Lorsqu'il exige qu'une personne assurée se fasse examiner aux termes du présent article, l'assureur prend les dispositions nécessaires pour que l'examen soit effectué à ses propres frais et donne à la personne assurée un avis indiquant ce qui suit :

- a) les raisons de l'examen;
- b) le type d'examen, en précisant si la personne assurée est tenue ou non de s'y présenter;
- c) le nom de la ou des personnes qui procèderont à l'examen, les professions de la santé réglementées dont elles sont membres, ainsi que les titres et désignations indiquant, s'il y a lieu, leur spécialisation dans leur profession;
- d) les heure, date et lieu de l'examen, si la personne assurée est tenue de s'y présenter, et, si celui-ci doit prendre plus d'un jour, les mêmes renseignements pour les autres jours.

(5) Si, aux termes du présent règlement, l'assureur a déjà avisé la personne assurée qu'il exige qu'elle se fasse examiner aux termes du présent article, il donne l'avis prévu au paragraphe (4) :

- a) au plus tard deux jours ouvrables après la remise de l'avis précédent si la personne assurée n'est pas tenue de se présenter à l'examen, à moins que celui-ci ne soit effectué pour aider l'assureur à déterminer si elle souffre d'une déficience invalidante;
- b) au plus tard cinq jours ouvrables après la remise de l'avis précédent et, sauf si l'assureur et la personne assurée en conviennent autrement, au moins cinq jours ouvrables avant l'examen, si la personne assurée est tenue de s'y présenter ou qu'il est effectué pour aider l'assureur à déterminer si elle souffre d'une déficience invalidante.

(6) Sauf si un autre article du présent règlement l'autorise à aviser la personne assurée qu'il exige qu'elle se fasse examiner aux termes du présent article, l'assureur lui donne l'avis prévu au paragraphe (4) au moins cinq jours ouvrables avant l'examen, sauf si les deux en conviennent autrement.

(7) Si l'avis prévu au paragraphe (4) indique que la personne assurée n'est pas tenue de se présenter à l'examen et que, par la suite, la personne qui procède à l'examen détermine qu'elle devrait s'y présenter et subir un examen de sa personne, l'assureur donne à la personne assurée, dans les deux jours ouvrables qui suivent le jour de la remise de l'avis prévu au paragraphe (4) et au moins cinq jours ouvrables avant l'examen, un avis indiquant ce qui suit :

- a) le fait que le type d'examen a changé;

(9) Les règles suivantes s'appliquent si la personne assurée est tenue de se présenter à un examen :

1. L'assureur fait des efforts raisonnables pour fixer le jour et l'heure de l'examen en fonction de ce qui convient à la personne assurée.

3. Si, après avoir pris des mesures raisonnables, il ne peut faire en sorte qu'une personne compétente procède à l'examen à un endroit situé dans le rayon exigé par la sous-disposition 2 i ou ii, selon le cas, l'assureur peut prendre les dispositions nécessaires pour qu'une personne compétente y procède à un endroit raisonnable dans les circonstances.

**(10) Aux fins de l'examen :**

- a) d'une part, la personne assurée et l'assureur remettent à la ou aux personnes qui procèdent à l'examen, dans les cinq jours ouvrables qui suivent le jour de la réception de l'avis d'examen prévu au paragraphe (4) ou (7) par la personne assurée, tous les renseignements et documents raisonnablement disponibles qui sont pertinents ou nécessaires pour examiner son état de santé;
- b) d'autre part, si la personne assurée est tenue de se présenter à l'examen, elle le fait et se soumet à tous les examens physiques, psychologiques, mentaux et fonctionnels raisonnables que demandent la ou les personnes qui procèdent à l'examen.

(11) Sous réserve du paragraphe (12), si la personne assurée se conforme au paragraphe (10), la ou les personnes qui procèdent à l'examen le terminent, préparent un rapport sur leurs constatations et en remettent une copie à l'assureur conformément aux dispositions suivantes :

1. Si la personne assurée n'était pas tenue de se présenter à l'examen, il est terminé et une copie du rapport est remise à l'assureur :
  - i. au plus tard dix jours ouvrables après le jour de la remise de l'avis d'examen prévu au paragraphe (4) à la personne assurée, si l'examen vise à déterminer si elle souffre d'une déficience invalidante,
  - ii. dans tous les autres cas, au plus tard cinq jours ouvrables après le jour de la remise de l'avis d'examen prévu au paragraphe (4) à la personne assurée.
2. Si la personne assurée était tenue de se présenter à l'examen et que celui-ci vise à déterminer si elle souffre d'une déficience invalidante ou, si tel est le cas, si elle a droit à une indemnité pour frais médicaux, à une indemnité de réadaptation, à une indemnité précisée visée à l'article 35 ou à une indemnité de soins auxiliaires :
  - i. d'une part, l'examen est terminé au plus tard 30 jours ouvrables après le jour de la remise de l'avis d'examen prévu au paragraphe (4) ou, en cas d'avis prévu au paragraphe (7), 30 jours ouvrables après le jour de la remise de ce deuxième avis,
  - ii. d'autre part, une copie du rapport d'examen est remise à l'assureur au plus tard 10 jours ouvrables après le jour où l'examen est terminé.
3. Si la personne assurée était tenue de se présenter à l'examen et que la disposition 2 ne s'applique pas :
  - i. d'une part, l'examen est terminé au plus tard 10 jours ouvrables après le jour de la remise de l'avis d'examen prévu au paragraphe (4) ou, en cas d'avis prévu au paragraphe (7), 10 jours ouvrables après le jour de la remise de ce deuxième avis,
  - ii. d'autre part, une copie du rapport d'examen est remise à l'assureur au plus tard 10 jours ouvrables après le jour où l'examen est terminé.

(12) Les règles suivantes s'appliquent si la personne assurée qui a omis ou a refusé de se conformer au paragraphe (10) s'y conforme par la suite :

1. Si la personne assurée n'était pas tenue de se présenter à l'examen, l'examen est terminé et une copie du rapport est remise à l'assureur :
  - i. au plus tard dix jours ouvrables après le jour de la remise des renseignements et documents qu'exige le paragraphe (10), si l'examen vise à déterminer si la personne assurée souffre d'une déficience invalidante,
  - ii. dans tous les autres cas, au plus tard cinq jours ouvrables après le jour de la remise des renseignements et documents qu'exige le paragraphe (10).
2. Si la personne assurée était tenue de se présenter à l'examen, une copie du rapport d'examen est remise à l'assureur au plus tard 10 jours ouvrables après le jour où l'examen est terminé.

(13) Si l'examen se rapporte à une demande d'indemnité de soins auxiliaires, le rapport d'examen comporte une évaluation des besoins en soins auxiliaires.
