- 13.1 Each Party shall ensure that its facilities are secured at all times.
- 13.2 The Customer shall permit and, if the land on which the Facility is located is not owned by Customer, cause such landowner to permit, the Distributor's employees and agents to enter the property on which the Facility is located at any reasonable time. - 13.4 The Distributor shall have the right to witness any testing done by the Customer of the Facility and, to that end, the Customer shall provide the Distributor with at least fifteen working days advance notice of the testing.

14.3 In connection with any planned equipment outage, either Party may disconnect or isolate, or require the disconnection or isolation of, its Facility or system (as applicable) from the other Party's Facility or system (as applicable) so that the employees, contractors or agents of the Party may construct, maintain, repair, replace, remove, investigate or inspect its own Facility or system (as applicable) in accordance with the terms of this Agreement and good utility practice.

14.4 Where practical, the Customer shall notify the Distributor prior to temporarily isolating or disconnecting the Facility from the Distributor's distribution system.

15.3 In the event of disconnection under section 15.1(c), the Distributor shall reconnect, or permit the reconnection of, the Facility to the Distributor's distribution system when it is reasonably satisfied that the emergency has ceased and that all other requirements of this Agreement are met.

15.4 In the event of disconnection under section 15.1(d) or 15.1(e), the Distributor shall reconnect, or permit the reconnection of, the Facility to the Distributor's distribution system when the Distributor is reasonably satisfied that the reason for the disconnection no longer exists, the Customer agrees to pay all Board-approved reconnection costs charged by the Distributor, and the Distributor is reasonably satisfied of the following, where applicable:

- (b) any decision or order of a court or arbitrator made or given under Schedule G that requires a Party to take action to ensure that such circumstances shall not recur has been implemented and/or assurances have been given to the satisfaction of the affected Party that such decision or order will be implemented.

15.5 Where the Facility has been isolated or disconnected, each Party shall be entitled to decommission and remove its assets associated with the connection. Each Party shall, for that purpose, ensure that the other Party has all necessary access to its site at all reasonable times.

15.6 The Customer shall continue to pay for distribution services provided up to the time of isolation or disconnection of its Facility.

15.7 The Customer shall pay all reasonable costs including, but not limited to, the costs of removing any of the Distributor's equipment from the Customer's site, that are directly attributable to the isolation or disconnection of the Facility and, where applicable, the subsequent decommissioning of the Facility. The Distributor shall not require the removal of the protection and control wiring on the Customer's site.

15.8. While the Facility is isolated or disconnected, the Distributor shall not be required to convey electricity to or from the Facility.

#### **16. Dispute Resolution**

16.1 Any dispute between the Customer and the Distributor arising under or in relation to this Agreement will be resolved in accordance with Schedule G. The Parties shall comply with the procedure set out in Schedule G before taking any civil or other proceeding in relation to the dispute, provided that nothing shall prevent a Party from seeking urgent or interlocutory relief from a court of competent jurisdiction in the Province of Ontario in relation to any dispute arising under or in relation to this Agreement.

#### **17. Amendments**

17.1. The Parties may not amend this Agreement without leave of the Board except where and to the extent permitted by this Agreement.

17.2. The Parties may by mutual agreement amend this Agreement to reflect changes that may from time to time be made to the Code during the term of this Agreement.

17.3. The Parties may by mutual agreement amend any portion of a schedule that was originally to be completed by the Parties.

17.4 No amendment made under section 17.2 or 17.3 shall be contrary to or inconsistent with the Code or the remainder of this Agreement.

17.5 The Parties shall amend this Agreement in such manner as may be required by the Board.

17.6 Any amendment to this Agreement shall be made in writing and duly executed by both Parties.

**18. Waiver**

18.1 A waiver of any default, breach or non-compliance under this Agreement is not effective unless in writing and signed by the Party to be bound by the waiver. The waiver by a Party of any default, breach or non-compliance under this Agreement shall not operate as a waiver of that Party's rights under this Agreement in respect of any continuing or subsequent default, breach or non-compliance, whether of the same or any other nature.

**19. Term of Agreement and Termination**

19.1 This Agreement shall become effective upon execution by the Parties, and shall continue in effect until terminated in accordance with section 19.2 or 19.3.

19.2 The Customer may, if it is not then in default under this Agreement, terminate this Agreement at any time by giving the Distributor thirty days prior written notice setting out the termination date.

19.3 Except as set out in Schedule H, the Distributor may terminate this Agreement upon any material breach of this Agreement by the Customer (a "Default"), if the Customer fails to remedy the Default within the applicable cure period referred to in section 19.4 after receipt of written notice of the Default from the Distributor.

19.4 The Customer shall cure a Default within the applicable cure period specified in the Code or the Distributor's Conditions of Service. If no such cure period is specified in relation to a given Default, the cure period shall be sixty working days.

19.5 Termination of this Agreement for any reason shall not affect:

- (a) the liabilities of either Party that were incurred or arose under this Agreement prior to the time of termination; or
- (b) the provisions that expressly apply in relation to disconnection of the Customer's facilities following termination of this Agreement.

19.6 Termination of this Agreement for any reason shall be without prejudice to the right of the terminating Party to pursue all legal and equitable remedies that may be available to it including, but not limited to, injunctive relief.

19.7 The rights and remedies set out in this Agreement are not intended to be exclusive but rather are cumulative and are in addition to any other right or remedy otherwise available to a Party at law or in equity. Nothing in this section 19.7 shall be interpreted as affecting the limitations of liability arising from section 10.1 or the obligation of a Party to comply with section 16 while this Agreement is in force.

19.8 Sections 19.5 to 19.7 shall survive termination of this Agreement.

**20. Exchange and Confidentiality of Information**

20.5 The Parties agree that the exchange of information, including, but not limited to, confidential information, under this Agreement is necessary for maintaining the reliable operation of the Distributor's distribution system. The Parties further agree that all information, including, but not limited to, confidential information, exchanged between them shall be prepared, given and used in good faith and shall be provided in a timely and cooperative manner.

20.6 Each Party shall provide the other with such information as the other may reasonably require to enable it to perform its obligations under this Agreement.

20.7 Each Party shall, as soon as practicable, notify the other Party upon becoming aware of a material change or error in any information previously disclosed to the other Party under this Agreement and, in the case of the Customer, in any information contained in its Application. The Party shall provide updated or corrected information as required to ensure that information provided to the other Party is up to date and correct.

**21. Assignment, Successors and Assigns**

21.1 Except as set out in Schedule H, the Customer shall not assign its rights or obligations under this Agreement in whole or in part without the prior written consent of the Distributor, which consent shall not be unreasonably withheld or unduly delayed. The Distributor may withhold its consent to any proposed assignment until the proposed assignee assumes, in writing, all of the Customer's obligations contained in this Agreement.

21.2 The Distributor shall have the right to assign this Agreement in whole upon written notification to the Customer.

21.3 This Agreement shall be binding upon and enure to the benefit of the Parties and their respective successors and permitted assigns.

#### **Amendments to the Retail Settlement Code**

**Note: The text of the amendments is set out in italics below, for ease of identification only.**

1. Section 1.2 of the Retail Settlement Code is amended by adding the following immediately after the definition of “embedded distributor”:  
  
*“embedded generation facility” means a generation facility which is not directly connected to the IESO-controlled grid but instead is connected to a distribution system, and has the extended meaning given to it in section 1.9 of the Distribution System Code;*
2. Section 1.2 of the Retail Settlement Code is amended by deleting the definition of “embedded retail generator” and replacing it with the following:  
  
*“embedded retail generator” means a customer that:*  
  
*(a) is not a wholesale market participant or a net metered generator (as defined in section 6.7.1 of the Distribution System Code);*  
  
*(b) owns or operates an embedded generation facility, other than an emergency backup generation facility; and*  
  
*(c) sells output from the embedded generation facility to the Ontario Power Authority under contract or to a distributor;*
3. Section 3.2 of the Retail Settlement Code is amended by deleting the four sentences immediately preceding Equation 3.2(e) on page 12 and replacing them with the following:  
  
*A distributor shall purchase energy from an embedded retail generator within its service area where such embedded retail generator has indicated that it intends to generate electricity for delivery and sale directly to the distributor, provided that the embedded retail generator has obtained such licences from the Board as may be required. The price at which such energy sales shall be settled will be the competitive electricity price as described in Appendix “A” to the Code. Notwithstanding any other provision of this Code, where an embedded retail generator has a contract with the Ontario Power Authority under which the Ontario Power Authority is purchasing output from the embedded generation facility, a distributor shall settle all applicable payments or charges associated with the contract, and shall do so in accordance with the pricing provisions of the contract and with such rules as may be determined by the Board. 2. If any money remains after payment under paragraph 1, or if no money is paid under paragraph 1, then to compensate direct private victims of the unlawful activity, in accordance with this Regulation.
3. If the Crown has elected not to seek payment under paragraph 1 and any money remains after payment under paragraph 2, then to compensate the Crown in right of Ontario, pursuant to subsections 6 (3.2) and 11 (3.2) of the Act.
4. If any money remains after payment under paragraph 3, or if no money is paid under paragraph 3, then to compensate direct public victims in accordance with this Regulation.
5. If any money remains after payment under paragraph 4, or if no money is paid under paragraph 4, then to assist victims of unlawful activities or to prevent unlawful activities by providing grants in accordance with section 14.

(2) Money shall be paid out of a special purpose account established under section 15 of the Act as follows:

1. First, to compensate the Crown in right of Ontario, in accordance with this Regulation.
2. If any money remains after payment under paragraph 1, or if no money is paid under paragraph 1, then to compensate direct public victims in accordance with this Regulation.
3. If the Crown has elected not to seek payment under paragraph 1 and any money remains after payment under paragraph 2, then to compensate the Crown in right of Ontario, pursuant to subsections 15 (2.1) and paragraph 2 of subsection 15 (3) of the Act.
4. If any money remains after payment under paragraph 3, or if no money is paid under paragraph 3, then to assist victims of unlawful activities or to prevent unlawful activities by providing grants in accordance with section 14.

**Payment of Crown costs out of other accounts**

**3.** If the amount of money in any special purpose account is insufficient to satisfy the Crown’s costs under subsection 6 (2.1), paragraph 3 of subsection 6 (3) or subsection 6 (3.2) of the Act, subsection 11 (2.1), paragraph 3 of subsection 11 (3) or subsection 11 (3.2) of the Act or subsection 15 (2.1) or paragraph 2 of subsection 15 (3) of the Act, then the amount of the Crown’s unsatisfied costs shall be taken out of another account into which money has been deposited after payment of compensation to direct private victims and after payment to the Crown for compensation for its costs in respect of that amount.

**Adjudicator**

**4.** (1) The Lieutenant Governor in Council may appoint one or more persons to act as adjudicator of the claims made by direct private victims or direct public victims under this Regulation.

(2) An adjudicator shall receive remuneration and expenses as determined by the Lieutenant Governor in Council.

(3) The Attorney General may assign one or more employees of the Ministry of the Attorney General to assist an adjudicator in carrying out his or her duties under this Regulation.

**Notice**

5. (1) Within three months after the last deposit of money into a special purpose account, the Director shall give notice in accordance with this section.

(2) The notice shall be published in *The Ontario Gazette* and may also be published in any other way or ways that, in the opinion of the Director, will bring the right to make a claim for compensation to the attention of direct private victims or direct public victims of the unlawful activity to which the special purpose account relates.

(3) The notice shall,

- (a) identify the proceeding under the Act as a result of which the money was deposited into the special purpose account;
- (b) state that any direct private victim who suffered pecuniary or non-pecuniary losses as a result of the unlawful activity in relation to which the proceeding was commenced is entitled to make a claim for compensation;
- (c) state that any direct public victim that suffered pecuniary losses as a result of the unlawful activity that are expenses incurred in remedying the effects of the unlawful activity is entitled to make a claim for compensation;
- (d) describe the steps to be taken to make a claim;
- (e) name the final day for filing, which shall not be earlier than three months after the first publication of the notice in *The Ontario Gazette*;
- (f) state that a claim that does not comply with this Regulation will be denied;
- (g) give an address and telephone number to which inquiries about potential claims may be directed;
- (h) give an address where claims should be filed;
- (i) include any other information that the Director considers appropriate.

(4) Despite clause (3) (e), the Director may extend the time for filing of a claim by a direct private victim where there are identified direct private victims and the Director is satisfied that reasonable efforts have not been made to locate them and inform them of their right to make a claim for compensation prior to the final day for filing a claim.

(5) If the Director is of the opinion, having regard to the number of potential direct private or direct public victim claimants for compensation from a special purpose account and to the amount available for compensation from the account, that the amount of compensation to each direct private victim claimant or the payment to each direct public victim claimant would be too small to justify the administrative costs of adjudicating the claims, the Director may decide that no compensation will be paid to any claimant from the special purpose account and, in that case, he or she shall not give notice in accordance with this section.

**Claim**

6. (1) A direct private victim or direct public victim claimant shall use the claim form provided by the Director.

(2) The claim of a direct private victim claimant shall include a description of the claimant's pecuniary losses supported by documentary evidence of the losses, including all receipts and invoices and, if applicable, a description of the claimant's non-pecuniary losses supported by documentary evidence of the losses.

(3) The claim of a direct public victim claimant shall include a description of the claimant's pecuniary losses that are expenses incurred in remedying the effects of the unlawful activity supported by documentary evidence of the losses, including all receipts and invoices.

(4) The claim shall identify any other sources from which compensation for the losses claimed by the claimant under this section has been paid, is payable or may be payable to the claimant, and the amount of that compensation.

(5) The claim shall be filed on or before the final day for filing.

(6) The claimant shall revise the information required under subsection (4) as the information changes or as more such information becomes available to the claimant, even after receiving compensation from the special purpose account under section 8 or 9.

**No payments made until all claims are adjudicated**

7. (1) No payments shall be made out of the special purpose account to direct private victim claimants until all the claims filed by direct private victim claimants in accordance with section 6 have been adjudicated and the amount of compensation to each claimant is determined under section 8 or 9.

(2) No payments shall be made out of the special purpose account to direct public victim claimants until all the claims that they have filed in accordance with section 6 have been adjudicated and the amount of compensation payable to each such claimant is determined under section 8 or 9.

**Determination of eligibility and amount of compensation**

8. (1) The adjudicator shall review all the direct private victim and direct public victim claims filed on or before the final day for filing and shall determine,

- (a) each claimant's eligibility for compensation; and
- (b) the amount of compensation to be paid to each eligible claimant.

(2) A direct victim claimant is eligible for compensation from the special purpose account if the claim is filed in accordance with section 6 of this Regulation and if the adjudicator is satisfied by the claim and by any other information obtained by the adjudicator under section 19 of the Act that,

- (a) the claimant suffered pecuniary or non-pecuniary losses as a result of the unlawful activity;
- (b) the amount of the losses can be quantified;
- (c) full or partial compensation for the losses has not been paid or is not payable to the claimant from other sources; and
- (d) sufficient proof of the losses has been provided.

(3) A direct public victim claimant is eligible for compensation from the special purpose account if the claim is filed in accordance with section 6 and if the adjudicator is satisfied by the claim that,

- (a) the claimant suffered pecuniary losses as a result of the unlawful activity that are expenses incurred in remedying the effects of the unlawful activity;
- (b) the amount of the losses can be quantified;
- (c) full or partial compensation for the losses has not been paid or is not payable to the claimant from other sources; and
- (d) sufficient proof of the losses has been provided.

(4) In determining whether a direct private victim or direct public victim claimant is eligible for compensation and the amount of compensation to be paid to an eligible claimant, the adjudicator shall have regard to all relevant circumstances, including any behaviour of the claimant that may have directly or indirectly contributed,

- (a) in the case of a direct private victim claimant, to the claimant's losses or to the unlawful activity;
- (b) in the case of a direct public victim claimant, to the claimant's pecuniary losses.

(5) Even if a direct private victim or direct public victim claimant is eligible to receive compensation as determined under subsections (3) and (4), the adjudicator may decline to pay any compensation or may pay a reduced amount of compensation to the claimant if, in the adjudicator's opinion,

- (a) the amount of the compensation would be too small to justify the administrative costs of paying it;
- (b) the losses suffered by the claimant are remote from the unlawful activity; or
- (c) the claimant receives or is entitled to receive an amount under section 12.

**Direct private victims, amount of compensation where claims exceed balance of account**

**9.** If the total amount of the compensation that would otherwise be paid to all the eligible direct private victim claimants under section 8 exceeds the balance available in the special purpose account, the amount of compensation shall be determined and paid as follows:

1. Compensation for pecuniary losses of direct private victim claimants who are individuals shall be determined first.
2. If the total amount that would otherwise be paid to all the eligible individual direct private victim claimants for pecuniary losses exceeds the balance available in the special purpose account, the amount that would otherwise be paid to each individual direct private victim claimant for pecuniary losses shall be reduced pro-rata in the proportion that the balance of the special purpose account bears to the total amount that would otherwise be paid to all the eligible individual direct private victim claimants for pecuniary losses.
3. If, in the adjudicator's opinion, the payment for pecuniary losses to each individual direct private victim claimant would be too small to justify the administrative costs of paying them, the adjudicator may decline to pay any compensation under paragraph 1 or 2.
4. If there is any balance available in the special purpose account after compensation for the pecuniary losses of individual direct private victim claimants is determined under paragraph 1 or 2, compensation for pecuniary losses of direct private victim claimants who are not individuals shall be determined.
5. If the total of the amount that would otherwise be paid to all the eligible non-individual direct private victim claimants for pecuniary losses exceeds the balance available in the special purpose account after compensation for the pecuniary losses under paragraph 1 or 2 is paid, the amount that would otherwise be paid to each non-individual direct private victim claimant for pecuniary losses shall be reduced pro-rata in the proportion that the balance of the special purpose account bears to the total amount that would otherwise be paid to all the eligible non-individual direct private victim claimants for pecuniary losses.
6. If, in the adjudicator's opinion, the payment for pecuniary losses to each non-individual direct private victim claimant would be too small to justify the administrative costs of paying them, the adjudicator may decline to pay any compensation under paragraph 4 or 5.

7. If there is any balance available in the special purpose account after compensation for the pecuniary losses is determined under paragraph 1, 2, 4 or 5, compensation for non-pecuniary losses of direct private victim claimants who are individuals shall be determined.
8. If the total amount that would otherwise be paid to all the eligible individual direct private victim claimants for non-pecuniary losses exceeds the balance available in the special purpose account, the amount that would otherwise be paid to each individual direct private victim claimant for non-pecuniary losses shall be reduced pro-rata in the proportion that the balance of the special purpose account bears to the total amount that would otherwise be paid to all the eligible individual direct private victim claimants for non-pecuniary losses.
9. If, in the adjudicator's opinion, the payment for non-pecuniary losses to each individual direct private victim claimant would be too small to justify the administrative costs of paying them, the adjudicator may decline to pay any compensation under paragraph 7 or 8.
10. If there is any balance available in the special purpose account after compensation for the pecuniary and non-pecuniary losses is determined under paragraphs 1 to 8, compensation for non-pecuniary losses of direct private victim claimants who are not individuals shall be determined.
11. If the total of the amount that would otherwise be paid to all the eligible non-individual direct private victim claimants for non-pecuniary losses exceeds the balance available in the special purpose account after compensation for the pecuniary and non-pecuniary losses under paragraphs 1 to 10 is paid, the amount that would otherwise be paid to each non-individual direct private victim claimant for non-pecuniary losses shall be reduced pro-rata in the proportion that the balance of the special purpose account bears to the total amount that would otherwise be paid to all the eligible non-individual direct private victim claimants for non-pecuniary losses.
12. If, in the adjudicator's opinion, the payment for non-pecuniary losses to each non-individual direct private victim claimant would be too small to justify the administrative costs of paying them, the adjudicator may decline to pay any compensation under paragraph 10 or 11.

**Direct public victims, amount of compensation where claims exceed balance of account**

**10.** (1) If the total amount of the compensation that would otherwise be paid to all the eligible direct public victim claimants under section 8 exceeds the balance available in the special purpose account, the amount that would otherwise be paid to each direct public victim claimant shall be reduced pro-rata in the proportion that the balance of the special purpose account bears to the total amount that would otherwise be paid to all the eligible direct public victim claimants.

(2) If, in the opinion of the adjudicator, the payment to each direct public victim claimant under subsection (1) would be too small to justify the administrative costs of paying them, the adjudicator may decline to pay any compensation under that subsection or may pay a reduced amount of compensation.

**Judicial review**

**11.** (1) An adjudicator's decision on a direct private victim claim under section 8 or 9 and on a direct public victim claim under section 8 or 10 is final and not subject to appeal, and shall not be altered or set aside in an application for judicial review or in any other proceeding unless the decision is patently unreasonable.

(2) An application for judicial review from a decision of the adjudicator under section 8, 9 or 10 must be filed by the claimant within 30 days after being notified of the determination that is subject to review.

**Payments from other sources**

**12.** (1) The amount that would otherwise be paid to a direct private victim claimant under section 8 or 9 or to a direct public victim claimant under section 8 or 10 shall be reduced by the amount of compensation that has been paid, is payable or may be payable,

- (a) in the case of a direct private victim claimant, to the claimant from any other source with respect to the unlawful activity;
- (b) in the case of a direct public victim claimant, to the claimant from any other source that provides payments related to the unlawful activity.

(2) If, after receiving a payment under section 8, 9 or 10, a direct private victim or direct public victim claimant receives a payment as compensation for some or all of the same losses from another source that was not identified in the claimant's claim or in an amount exceeding the amount identified in the claimant's claim, the claimant shall report the payment to the Director and shall reimburse the Minister of Finance for the amount of money received from the other source that was also paid to the claimant from the special purpose account.

(3) The Minister of Finance may recover the amount of money received by a claimant from another source as compensation for the same losses for which the claimant received money as compensation from the special purpose account, the amount of any overpayment received by the claimant or paid in error to the claimant out of the special purpose account,

- (a) in any court of competent jurisdiction as a debt due to the Crown; or
- (b) by way of deduction or set-off out of any money payable by the Crown to the claimant.

(4) The Minister of Finance shall deposit any reimbursed or recovered money to the special purpose account from which it had been paid.

**Determination and payment of compensation to the Crown**

13. The Director shall determine the priority of payments and the amount of compensation to be paid to compensate the Crown in right of Ontario as described in the following provisions of the Act:

1. Subsection 6 (2.1), paragraph 3 of subsection 6 (3) and subsections 6 (3.2), (3.3) and (3.4).
2. Subsection 11 (2.1), paragraph 3 of subsection 11 (3) and subsections 11 (3.2), (3.3) and (3.4).
3. Subsections 15 (2.1), paragraph 2 of subsection 15 (3) and subsection 15 (3.2).

**Grants to assist victims, prevent unlawful activities**

14. (1) The Attorney General may pay grants out of a special purpose account to an institution listed in Column 1 of the Table to section 6 of Ontario Regulation 91/02 (General) made under the Act in order to assist victims of unlawful activities, other than those to whom compensation has been otherwise paid in accordance with this Regulation, and to prevent unlawful activities that result in victimization.

(2) The Attorney General shall establish criteria and guidelines for the payment of the grants, including the eligibility of the institutions referred to in subsection (1) to receive grants.

**Transition**

15. Despite its repeal, Ontario Regulation 233/03 (Payments out of Special Purpose Accounts) made under the Act continues to apply to all claims with respect to which a determination has been made and a notice of determination sent to the claimant before the day this Regulation comes into force.

2. S'il reste des fonds après le paiement effectué en application de la disposition 1, ou s'il n'en est effectué aucun, aux fins de l'indemnisation des victimes privées directes de l'activité illégale, conformément au présent règlement.
3. Si la Couronne a choisi de ne pas demander de paiement aux termes de la disposition 1 et qu'il reste des fonds après les paiements effectués en application de la disposition 2, aux fins de l'indemnisation de la Couronne du chef de l'Ontario, conformément aux paragraphes 6 (3.2) et 11 (3.2) de la Loi.

**Paiement des frais de la Couronne prélevé sur d'autres comptes**

**3.** Si le solde de tout compte spécial ne suffit pas pour l'acquittement des frais de la Couronne aux termes du paragraphe 6 (2.1), de la disposition 3 du paragraphe 6 (3) ou du paragraphe 6 (3.2) de la Loi, du paragraphe 11 (2.1), de la disposition 3 du paragraphe 11 (3) ou du paragraphe 11 (3.2) de la Loi, ou du paragraphe 15 (2.1) ou de la disposition 2 du paragraphe 15 (3) de la Loi, le montant des frais non acquittés de la Couronne est alors prélevé sur un autre compte dans lequel des sommes ont été déposées après qu'une indemnité a été versée aux victimes privées directes et que la Couronne a été indemnisée des frais qu'elle a engagés à l'égard de cette somme.

**Arbitre**

**4.** (1) Le lieutenant-gouverneur en conseil peut nommer une ou plusieurs personnes pour agir comme arbitre des demandes présentées par des victimes privées directes ou des victimes publiques directes en vertu du présent règlement.

(2) L'arbitre touche la rémunération et les indemnités que fixe le lieutenant-gouverneur en conseil.

(3) Le procureur général peut nommer un ou plusieurs employés de son ministère pour aider l'arbitre à s'acquitter des fonctions que lui attribue le présent règlement.

**Avis**

**5.** (1) Le directeur donne un avis conformément au présent article au plus tard trois mois après le dernier dépôt d'une somme dans un compte spécial.

(2) L'avis est publié dans la *Gazette de l'Ontario* et peut également être publié de toute autre façon qui, de l'avis du directeur, portera le droit de demander une indemnité à l'attention des victimes privées directes ou des victimes publiques directes de l'activité illégale à laquelle se rapporte le compte spécial.

(3) L'avis :

- a) précise l'instance prévue par la Loi à l'issue de laquelle la somme a été déposée dans le compte spécial;
- b) indique que toute victime privée directe qui a subi des pertes pécuniaires ou extrapécuniaires par suite de l'activité illégale à l'égard de laquelle l'instance a été introduite a le droit de demander une indemnité;

- c) indique que toute victime publique directe qui a subi, par suite de l'activité illégale, des pertes pécuniaires qui constituent des frais engagés pour remédier aux effets de l'activité illégale a le droit de demander une indemnité;
- d) décrit les étapes à suivre pour présenter une demande;
- e) fixe l'échéance de production, laquelle ne doit pas tomber moins de trois mois après la date de sa publication initiale dans la *Gazette de l'Ontario*;
- f) indique qu'une demande qui n'est pas conforme au présent règlement sera rejetée;
- g) indique l'adresse et le numéro de téléphone auxquels les demandes de renseignements visant des demandes éventuelles peuvent être présentées;
- h) indique l'adresse où les demandes doivent être produites;
- i) comprend les autres renseignements que le directeur estime utiles.

(4) Malgré l'alinéa (3) e), le directeur peut proroger le délai accordé à une victime privée directe pour produire une demande d'indemnisation lorsqu'il existe des victimes privées directes identifiées et qu'il est convaincu que des efforts raisonnables n'ont pas été déployés pour les trouver et les informer de leur droit de demander une indemnité avant l'échéance de production d'une demande.

(5) Si le directeur est d'avis, eu égard au nombre de victimes privées directes ou de victimes publiques directes qui pourraient présenter des demandes d'indemnisation sur un compte spécial et aux fonds disponibles à cette fin, que le montant de l'indemnité revenant à chaque victime privée directe qui présente une demande ou que le versement revenant à chaque victime publique directe qui présente une demande serait trop petit pour justifier les frais d'administration liés au règlement des demandes, il peut décider qu'aucune indemnité ne sera prélevée sur le compte spécial pour être versée aux auteurs de demandes, auquel cas il ne doit pas donner l'avis prévu au présent article.

#### **Demande**

6. (1) La victime privée directe ou la victime publique directe qui présente une demande utilise la formule de demande que fournit le directeur.

(2) La demande que présente une victime privée directe comprend une description des pertes pécuniaires subies par son auteur, preuves documentaires à l'appui, notamment l'ensemble des reçus et des factures et, le cas échéant, une description des pertes extrapécuniaires qu'elle a subies, preuves documentaires à l'appui.

(3) La demande que présente une victime publique directe comprend une description des pertes pécuniaires subies par son auteur qui constituent des frais engagés pour remédier aux effets de l'activité illégale, preuves documentaires à l'appui, notamment l'ensemble des reçus et des factures.

(4) La demande précise les autres sources qui ont versé, qui doivent verser ou qui peuvent verser à son auteur des indemnités pour les pertes dont il demande à être indemnisé en vertu du présent article, ainsi que le montant de ces indemnités.

(5) La demande est produite au plus tard à l'échéance de production.

(6) L'auteur de la demande révisé les renseignements exigés au paragraphe (4) à mesure qu'ils évoluent ou qu'il en apprend de nouveaux, même après avoir reçu une indemnité prélevée sur le compte spécial en application de l'article 8 ou 9.

#### **Aucun paiement avant le règlement de toutes les demandes**

7. (1) Aucune somme prélevée sur le compte spécial ne doit être versée aux victimes privées directes qui présentent une demande avant le règlement de toutes les demandes qu'elles ont produites conformément à l'article 6 et la fixation, en application de l'article 8 ou 9, du montant de l'indemnité accordée à chaque auteur d'une demande.

(2) Aucune somme prélevée sur le compte spécial ne doit être versée aux victimes publiques directes qui présentent une demande avant le règlement de toutes les demandes qu'elles ont produites conformément à l'article 6 et la fixation, en application de l'article 8 ou 9, du montant de l'indemnité accordée à chaque auteur d'une demande.

#### **Admissibilité et montant de l'indemnité**

8. (1) L'arbitre examine toutes les demandes que des victimes privées directes et des victimes publiques directes ont produites au plus tard à l'échéance de production et :

- a) d'une part, établit l'admissibilité à une indemnité de chaque auteur d'une demande;
- b) d'autre part, fixe le montant de l'indemnité à verser à chaque auteur d'une demande admissible.

(2) La victime directe qui présente une demande est admissible à une indemnité prélevée sur le compte spécial si la demande est produite conformément à l'article 6 du présent règlement et que celle-ci et les autres renseignements obtenus par l'arbitre en vertu de l'article 19 de la Loi le convainquent de ce qui suit :

- a) l'auteur de la demande a subi des pertes pécuniaires ou extrapécuniaires par suite de l'activité illégale;
- b) les pertes peuvent être quantifiées;

- c) d'autres sources n'ont pas indemnisé intégralement ou partiellement l'auteur de la demande des pertes qu'il a subies ni ne doivent le faire;
- d) une preuve suffisante des pertes a été fournie.

(3) La victime publique directe qui présente une demande est admissible à une indemnité prélevée sur le compte spécial si la demande est produite conformément à l'article 6 et que celle-ci convainc l'arbitre de ce qui suit :

- a) l'auteur de la demande a subi des pertes pécuniaires, par suite de l'activité illégale, qui constituent des frais engagés pour remédier aux effets de l'activité illégale;
- b) les pertes peuvent être quantifiées;
- c) d'autres sources n'ont pas indemnisé intégralement ou partiellement l'auteur de la demande des pertes qu'il a subies ni ne doivent le faire;
- d) une preuve suffisante des pertes a été fournie.

(4) Lorsqu'il établit l'admissibilité à une indemnité d'une victime privée directe ou d'une victime publique directe qui présente une demande et qu'il fixe le montant de l'indemnité à verser à l'auteur d'une demande admissible, l'arbitre tient compte de toutes les circonstances pertinentes, y compris tout comportement de l'auteur de la demande qui peut avoir contribué directement ou indirectement :

- a) aux pertes qu'il a subies ou à l'activité illégale, dans le cas d'une victime privée directe qui présente une demande;
- b) aux pertes pécuniaires qu'il a subies, dans le cas d'une victime publique directe qui présente une demande.

(5) Même si la victime privée directe ou la victime publique directe qui présente une demande est admissible à une indemnité fixée en application des paragraphes (3) et (4), l'arbitre peut refuser de la lui verser ou peut lui verser une indemnité réduite si, à son avis :

- a) soit le montant de l'indemnité serait trop petit pour justifier les frais d'administration liés à son versement;
- b) soit le lien entre les pertes subies par l'auteur de la demande et l'activité illégale est ténu;
- c) soit l'auteur de la demande reçoit ou a le droit de recevoir un montant en vertu de l'article 12.

**Victimes privées directes : montant de l'indemnité lorsque les demandes sont supérieures au solde du compte**

9. Si le montant total des indemnités qui seraient versées par ailleurs, en application de l'article 8, aux victimes privées directes admissibles qui présentent une demande est supérieur au solde du compte spécial, les indemnités sont fixées et versées comme suit :

1. Les indemnités pour pertes pécuniaires subies par des victimes privées directes qui présentent une demande et qui sont des particuliers sont fixées en premier.
2. Si le montant total des indemnités pour pertes pécuniaires qui seraient versées par ailleurs aux victimes privées directes admissibles qui présentent une demande et qui sont des particuliers est supérieur au solde du compte spécial, l'indemnité pour pertes pécuniaires qui serait versée par ailleurs à chaque victime privée directe qui présente une demande et qui est un particulier est réduite proportionnellement selon le rapport qui existe entre le solde et ce montant.
3. L'arbitre peut refuser de verser les indemnités visées à la disposition 1 ou 2 s'il est d'avis que l'indemnité pour pertes pécuniaires versée à chaque victime privée directe qui présente une demande et qui est un particulier serait trop petite pour justifier les frais d'administration liés à son versement.

10. Les indemnités pour pertes extrapécuniaires subies par des victimes privées directes qui présentent une demande et qui ne sont pas des particuliers sont fixées si le compte spécial affiche un solde après que les indemnités pour pertes pécuniaires et extrapécuniaires ont été fixées en application des dispositions 1 à 8.
11. Si le montant total des indemnités pour pertes extrapécuniaires qui seraient versées par ailleurs aux victimes privées directes admissibles qui présentent une demande et qui ne sont pas des particuliers est supérieur au solde du compte spécial après le versement des indemnités pour pertes pécuniaires et extrapécuniaires visées aux dispositions 1 à 10, l'indemnité pour pertes extrapécuniaires qui serait versée par ailleurs à chaque victime privée directe qui présente une demande et qui n'est pas un particulier est réduite proportionnellement selon le rapport qui existe entre le solde et ce montant.
12. **Victimes publiques directes : montant de l'indemnité lorsque les demandes sont supérieures au solde du compte**

**10.** (1) Si le montant total des indemnités qui seraient versées par ailleurs, en application de l'article 8, aux victimes publiques directes admissibles qui présentent une demande est supérieur au solde du compte spécial, l'indemnité qui serait versée par ailleurs à chaque victime publique directe qui présente une demande est réduite proportionnellement selon le rapport qui existe entre le solde et ce montant.

(2) S'il est d'avis que l'indemnité versée, en application du paragraphe (1), à chaque victime publique directe qui présente une demande serait trop petite pour justifier les frais d'administration liés à son versement, l'arbitre peut refuser de verser les indemnités visées à ce paragraphe ou peut verser des indemnités réduites.

**Requête en révision judiciaire**

**11.** (1) La décision que prend l'arbitre à l'égard de la demande d'une victime privée directe, en application de l'article 8 ou 9, et à l'égard de la demande d'une victime publique directe, en application de l'article 8 ou 10, est définitive, n'est pas susceptible d'appel et ne doit pas être modifiée ni annulée dans le cadre d'une requête en révision judiciaire ou de toute autre instance à moins d'être manifestement déraisonnable.

(2) La requête en révision judiciaire d'une décision que l'arbitre prend en application de l'article 8, 9 ou 10 doit être déposée par l'auteur de la demande au plus tard 30 jours après la remise de l'avis de la décision en cause.

- a) toute autre source à l'égard de l'activité illégale, dans le cas d'une victime privée directe qui présente une demande;
- b) toute autre source qui verse des indemnités liées à l'activité illégale, dans le cas d'une victime publique directe qui présente une demande.

(2) La victime privée directe ou la victime publique directe qui a présenté une demande et qui, après avoir reçu un versement en application de l'article 8, 9 ou 10, est indemnisée pour la totalité ou une partie des mêmes pertes par une autre source que ne précise pas la demande ou selon un montant supérieur à celui qui y est précisé en informe le directeur et rembourse au ministre des Finances la somme reçue de l'autre source qui lui a également été versée par prélèvement sur le compte spécial.

(3) Le ministre des Finances peut recouvrer la somme que l'auteur d'une demande a reçue d'une autre source en indemnisation des pertes à l'égard desquelles il a reçu une indemnité prélevée sur le compte spécial, ainsi que le montant d'un paiement en trop prélevé sur le compte spécial que l'auteur d'une demande a reçu ou qui lui a été versé par erreur :

- a) soit devant un tribunal compétent, à titre de créance de la Couronne;
- b) soit en pratiquant une retenue sur toute somme d'argent due par la Couronne à l'auteur de la demande ou en opérant compensation entre les deux sommes.

(2) Le procureur général établit des critères et des lignes directrices qui régissent le versement des subventions, notamment l'admissibilité des institutions visées au paragraphe (1).
