OSC RULE 24-501 DESIGNATION AS MARKET PARTICIPANT

On October 1, 2007, OSC Rule 24-501 *Designation as Market Participant* (Rule) came into force as a rule under the *Securities Act* (Ontario) (Act).

The Rule is ancillary to National Instrument 24-101 – *Institutional Trade Matching and Settlement*, developed by the Canadian Securities Administrators, which came into force in Ontario on April 1, 2007. The Rule designates matching service utilities as market participants under the Act. As a result, certain provisions of the Act that apply to market participants generally will also apply to matching service utilities, including the books and records requirements of s. 19, the ability of Commission staff to perform compliance reviews under section 20, and the Commission's power to make a public interest order under clause 4 of subsection 127(1) of the Act.

The full text of the Instrument is available in the Ontario Securities Commission's Bulletin at (2007) 30 OSCB 7907 and on the Commission web site at http://www.osc.gov.on.ca/index_en.jsp.
