**11. Clause 14 (3) (b) of the Regulation is amended by striking out “accidents and”.**

**12. The Regulation is amended by adding the following section:**

#### Training records

**14.1** (1) A licence holder shall ensure that a record of training provided to operators and attendants on amusement devices operated by the licence holder is kept in the log book referred to in section 14.

- (2) The record shall indicate,
  - (a) the date of the training and the specific device on which the training took place;
  - (b) the printed name of the supervisor who conducted the training and the printed name of the trainee;
  - (c) a statement signed by the supervisor that the trainee is competent to perform the assigned duties after having taken the training specified in a documented training procedure that includes the manufacturers’ recommendations.

**13. Subsection 16 (2) of the Regulation is revoked and the following substituted:**

(2) The licence holder shall provide the labour, test load, measuring and other devices necessary for the inspection of the amusement device and pay the inspection fee set by the designated administrative authority.

**14. Section 17 of the Regulation is revoked and the following substituted:**

#### INCIDENTS

##### Reporting of incidents

**17. (1)** Where an incident occurs in connection with an amusement device that results in the death of a person or injury to a person that requires the services of a medical practitioner, the licence holder for the device shall,

- (a) notify the director by telephone immediately; and
- (b) within 24 hours of first becoming aware of the incident, submit to the director in the form provided by the designated administrative authority a written report giving full particulars.

(2) Where an incident occurs in connection with an amusement device, other than an incident described in subsection (1), the licence holder shall,

- (a) notify the director by telephone or other means within 24 hours of first becoming aware of the incident; and
- (b) within seven days of first becoming aware of the incident, submit to the director in the form provided by the designated administrative authority a written report giving full particulars.

(3) Where the amusement device has been subjected to fire, impact, vandalism or lightning strike that may adversely affect the safe operation of the device, the licence holder for the device shall,

- (a) notify the director by telephone or other means within 24 hours of first becoming aware of the condition that may adversely affect the safe operation of the device;
- (b) within seven days of first becoming aware of the condition, submit to the director in the form provided by the designated administrative authority a written report giving full particulars.

(4) Where a mechanic finds that an amusement device is in a condition that constitutes an immediate hazard to the safety of a person or property, he or she shall immediately remove the device from service and notify the licence holder.

(5) Where a licence holder for an amusement device finds or becomes aware that the device is in a condition that constitutes an immediate hazard to the safety of a person or property, the licence holder shall,

- (a) immediately remove the device from service;
- (b) notify the director by telephone or other means within 24 hours of making the finding; and

(c) within seven days of making the finding, submit to the director in the form provided by the designated administrative authority a written report giving full particulars.

(6) Where an incident referred to in subsection (1) occurs or a condition referred to in subsection (3), (4) or (5) is found, no person shall, except for the purpose of making the site safe or rescuing a person injured in the incident, interfere with, disturb, destroy, carry away or alter any wreckage, article or thing at the scene of or connected with the incident or condition until an inspector gives permission to do so.

(7) No person shall return an amusement device referred to in subsection (1), (3), (4) or (5) to service until the cause of the incident, occurrence or condition is identified, the safety of the device restored and an inspector gives permission to return the device to service.

(8) An investigation under this section shall be conducted in such manner as the director considers necessary in the circumstances.

Amending O. Reg. 209/01  
(Elevating Devices)

Note: Ontario Regulation 209/01 has previously been amended. Those amendments are listed in the Table of Current Consolidated Regulations – Legislative History Overview which can be found at [www.e-Laws.gov.on.ca](http://www.e-Laws.gov.on.ca).

**1. (1) Subsection 1 (1) of Ontario Regulation 209/01 is amended by adding the following definitions:**

“above-surface ropeway” means a circulating passenger ropeway, including a chair lift and a gondola lift, and a reversible passenger ropeway, including an aerial tramway;

“conveyor” means a type of passenger ropeway used to transport skiers, riders or foot passengers uphill for recreational purposes while they stand on a flexible moveable element;

**(2) The definition of “elevating device” in subsection 1 (1) of the Regulation is revoked and the following substituted:**

“elevating device” means a non-portable device for hoisting, lowering or otherwise moving persons or freight and includes any machine room, hoistway and hoistway enclosure, supporting structure, terminals and runway associated with the device;

**(3) Subsection 1 (1) of the Regulation is amended by adding the following definition:**

“follow-up inspection” means an inspection by an inspector that is made following a periodic inspection or a special inspection;

**(4) The definitions of “freight platform lift”, “freight platform lift-Type A” and “freight platform lift-Type B” in subsection 1 (1) of the Regulation are revoked and the following substituted:**

“freight platform lift” means an elevating device that is not intended to carry passengers, is equipped with a platform that moves vertically and is restricted as to use, location, access, speed, travel and type of operating device and is either,

(a) a Type A lift that carries only freight, or

(b) a Type B lift that, in addition to freight, may carry an attendant or freight handler;

**(5) Subsection 1 (1) of the Regulation is amended by adding the following definition:**

“incident” means an occurrence involving an elevator system, an elevating device or a component of an elevating device resulting in an adverse consequence to a person or property;

**(6) The definition of “lifts for persons with physical disabilities” is revoked and the following substituted:**

“lift for persons with physical disabilities” means an elevating device, whether portable or fixed, that travels between fixed points of a building or structure, that is restricted as to access, speed, travel and type of operating device, and that is specifically designed for use by persons with physical disabilities;

**(7) Subsection 1 (1) of the Regulation is amended by adding the following definitions:**

“limited use/limited application elevator” means a power passenger elevator in which the use and application are limited by size, capacity, speed and rise;

“material lift” means an elevating device that is not intended to carry passengers, is equipped with a platform that moves vertically, is restricted as to use, location and access, and is either,

(a) a Type A lift that carries only freight and is restricted as to width, or

(b) a Type B lift that, in addition to freight, may carry an attendant or freight handler and is restricted as to speed, travel and type of operating device;

**(8) The definitions of “mechanic” and “mechanic-in-training” in subsection 1 (1) of the Regulation are revoked and the following substituted:**

“mechanic” means a person who holds a certificate referred to in section 4 of Ontario Regulation 222/01 made under the Act; “mechanic-in-training” means a person who works under the supervision of a mechanic for the purpose of obtaining the qualifying time and experience required to obtain a certificate referred to in section 4 of Ontario Regulation 222/01;

**(9) Subsection 1 (1) of the Regulation is amended by adding the following definition:**

“medical practitioner” means a physician, nurse, dentist, chiropractor or physiotherapist legally qualified to practise their profession in Ontario, and a paramedic as defined under the *Ambulance Act*;

**(10) The definition of “owner” in subsection 1 (1) of the Regulation is revoked and the following substituted:**

“owner” includes the owner of the building in which an elevating device is located, the person who holds the licence for the device, and any agent or lessee acting for the building owner or licence holder, but does not include an attendant or operator of the device;

**(11) Subsection 1 (1) of the Regulation is amended by adding the following definitions:**

“parking garage lift” means an elevating device that is used for lifting or lowering a vehicle in or about a parking facility;
