Notice of Minister of Health and Long-Term Care

NOTICE OF PROPOSED REGULATION

Personal Health Information Protection Act, 2004

The Minister of Health and Long-Term Care on behalf of the Government of Ontario invites public comments on a regulation proposed to be made under the *Personal Health Information Protection Act, 2004* ("PHIPA").

PHIPA came into force on November 1, 2004. Ontario Regulation 329/04, "General," made under PHIPA also came into force on November 1, 2004. The Government is proposing a regulation to amend Regulation 329/04. The Act requires that the Minister publish a notice of the proposed regulation and allow 60 days for public comment, after which the Minister reports to the Lieutenant Governor in Council, who may then finalize the regulation with or without changes.

Content of Proposed Regulation

The proposed regulation would make the following amendments to the existing regulation under PHIPA, Regulation 329/04:

- Permit Cancer Care Ontario to disclose personal health information about an out-of-province patient where: the information relates to health care provided to the individual in Ontario; the disclosure is for the purpose of health planning or health administration; and the disclosure is made to a body responsible for the provision, planning, analysis or payment of cancer services in the patient's province or territory.
- Include medical officers of health in the list of types of custodians referred to in subsections 20 (2) and (3) and clause 38 (1) (a) of the PHIPA.
- Prescribe additional persons for the purposes of s. clause 39(1)(c) of PHIPA, including the Children's Hospital of Eastern Ontario in respect of the Ontario Perinatal Surveillance System and the Ontario Institute for Cancer Research in respect of the Ontario Tumour Bank.
- Revoke section 25.1.

In addition, the regulation may clarify the status of specific occupational health services as "health care." The Ministry of Health and Long-Term Care is aware that there is some uncertainty about the application of PHIPA in this area. A regulation could, for example, clarify that the term "health care" in PHIPA also includes the following procedures: The act of a physician or other health care provider determining whether an individual is able to continue his or her occupational activities having regard to his or her health status, and determining whether the individual requires accommodation to do so. The Ministry is interested in receiving submissions on a regulation to this effect, exceptions to such a regulation that should be considered, as well as on the application of PHIPA in the context of occupational health matters more generally.

Invitation to Provide Comments on Proposed Regulations

The public is invited to provide written comments on the proposed regulation over a 60-day period, commencing on **July 11, 2009 and ending on September 11, 2009.**

In providing comments, please consider whether the proposed amendments to Regulation 329/04 should be made, with or without changes. Furthermore, please consider whether any other amendment should be made to Regulation 329/04. Please be as specific as possible, and provide a full rationale for any suggested changes or additions.

Avis du ministre de la Santé et des Soins de longue durée

AVIS DE PROJET DE RÈGLEMENT

Loi de 2004 sur la protection des renseignements personnels sur la santé

Au nom du gouvernement de l'Ontario, le ministre de la Santé et des Soins de longue durée invite le public à présenter des commentaires sur un projet de règlement en application de la *Loi de 2004 sur la protection des renseignements personnels sur la santé* (« LPRPS »).

La LPRPS et son règlement d'application 329/04, intitulé *Dispositions générales*, sont entrés en vigueur le 1^{er} novembre 2004. Le projet de règlement du gouvernement modifierait le Règlement de l'Ontario 329/04. La loi oblige le ministre à publier un avis de projet de règlement et à prévoir une période de consultation publique de 60 jours, après quoi il doit faire rapport au lieutenant-général en conseil, qui peut alors sanctionner le règlement avec ou sans modifications.

Contenu du projet de règlement

Le projet de règlement prévoit de modifier comme suit l'actuel Règlement de l'Ontario 329/04 pris en application de la LPRPS :

- Autoriser Action Cancer Ontario à divulguer des renseignements personnels sur la santé concernant un patient de l'extérieur de l'Ontario si les conditions suivantes sont réunies : les renseignements portent sur la fourniture de soins de santé à un particulier en Ontario; la divulgation est faite dans le cadre de la planification ou de l'administration de la santé; et la divulgation est faite à un organisme chargé de fournir, de planifier, d'analyser ou de payer des services pour le traitement du cancer dans la province ou le territoire du patient.
- Inclure les médecins hygiénistes dans la liste des types de dépositaires mentionnés aux paragraphes 20 (2) et (3) et à l'alinéa 38 (1) a) de la LPRPS.
- Prescrire des personnes supplémentaires pour l'application de l'alinéa 39 (1) c) de la LPRPS, notamment le Centre hospitalier pour enfants de l'est de l'Ontario en ce qui concerne le Système ontarien de surveillance en matière de soins périnataux et l'Institut ontarien de recherche sur le cancer en ce qui concerne la Banque de tumeurs de l'Ontario.
- Abroger l'article 25.1.

En outre, le règlement pourrait inclure certains services de santé du travail dans la définition des « soins de santé ». Le ministère de la Santé et des Soins de longue durée est conscient de l'incertitude qui pèse sur l'application de la LPRPS dans ce secteur. Le règlement pourrait par exemple préciser que l'expression « soins de santé », telle que définie dans la LPRPS, inclut également les procédures qui suivent : l'acte d'un médecin ou de tout autre fournisseur de soins de santé visant à déterminer si un particulier est en mesure de poursuivre ses activités professionnelles au vu de son état de santé et si un aménagement est nécessaire à cette fin. Le ministère souhaiterait recevoir des commentaires sur un règlement en ce sens, sur les exceptions dont il faudrait tenir compte si un tel règlement devait être appliqué, et, plus généralement, sur l'application de la LPRPS dans le secteur de la santé du travail.

Invitation à présenter des commentaires sur le projet de règlement

Le public est invité à présenter des commentaires écrits sur le projet de règlement dans un délai de 60 jours, soit du **11 juillet 2009 au 11 septembre 2009**.

Dans vos commentaires, veuillez indiquer s'il faut apporter au Règlement de l'Ontario 329/04 les modifications proposées dans leur version originale ou modifiée. Veuillez aussi indiquer s'il faut apporter d'autres modifications au Règlement. Soyez le plus précis possible et justifiez en détail toute modification ou tout ajout proposé.

Veuillez adresser vos commentaires écrits à :

Il est donc possible que ces documents, commentaires et leurs sommaires soient communiqués à d'autres parties intéressées pendant et après le processus de consultation publique. **Toute personne qui fournit des documents ou des commentaires et dit être affiliée à une organisation sera considérée comme l'ayant fait au nom de cette organisation.** Les documents et les commentaires de particuliers qui ne font mention d'aucune affiliation à une organisation ne seront pas considérés comme appartenant au domaine public, sauf indication contraire expresse du particulier. Le ministère pourra toutefois utiliser et divulguer ces documents et commentaires aux fins de l'évaluation et de la révision du projet de règlement. Le ministère ne divulguera pas de renseignements personnels concernant des particuliers qui ne mentionnent aucune affiliation à une organisation, comme leurs nom et coordonnées, sans leur consentement, à moins que la loi ne l'exige. Si vous avez des questions sur la collecte de ces renseignements, veuillez communiquer avec le coordonnateur de l'accès à l'information et de la protection de la vie privée du ministère de la Santé et des Soins de longue durée, au 416 327-7040.
