- Reporting requirements for the Summer Learning Program (K-6), have been added to the Summer School Register instructions

Continuing for the 2023-24 School Year

Definitions of Remote Learning and Online Learning

The definition of remote learning is learning that occurs when classes are taught at a distance and when students and educators are not in a conventional classroom setting. School boards choosing to administer a remote learning model must operate in alignment with the minimum synchronous learning requirements outlined in Policy/Program Memorandum (PPM) 164.

Online Learning -

An online course is a secondary course that is specifically designed to be taught in a fully online format (formerly referred to as “e-learning”). Please refer to Policy/Program Memorandum 167 for details on eligible credits for the graduation requirement.

GENERAL REQUIREMENTS

This publication contains policies and procedures governing the recording of enrolment and attendance of pupils who are taking Continuing Education courses or programs. It must be used for maintaining the following Continuing Education registers:

- Register of Enrolment in Continuing Education Credit Courses
- Summer School Register
- Register of Enrolment in Correspondence/Self-Study/Online Learning Courses
- Register of Enrolment in the International & Indigenous Languages Elementary (IILE) Program
- Register of Enrolment in the Literacy and Numeracy Program
- Register of Enrolment in Adult Indigenous Language Instruction

On all legal questions relating to the requirements covered in these instructions, school boards should rely on the advice of their own legal counsel.

Collection of Personal Information

The collection of the personal information required on the enrolment register is authorized under section 8.1 (8) of the *Education Act*. This information is required for the purposes of:

- administering the *Education Act* and its regulations, and implementing the policies and guidelines made under the Act
- planning or delivering programs or services that the ministry provides or funds, in whole or in part, allocating resources to any of them, evaluating or monitoring any of them or detecting, monitoring and preventing fraud or any unauthorized receipt of services or benefits related to any of them
- risk management, error management or activities to improve or maintain the quality of the programs or services that the ministry provides or funds, in whole or in part
- and research and statistical activities that relate to education and are conducted by or on behalf of the ministry

Anyone needing additional information regarding the collection of personal information on the enrolment registers should contact the Freedom of Information and Privacy Office of the Ministry of Education (the ministry).

Responsibilities of the Principal

Subsection 265(1)(c) of the *Education Act* states that it is the duty of a principal of a school, in addition to the duties as a teacher, “to register the pupils and to ensure that the attendance of pupils for every school day is recorded either on the enrolment register supplied by the Minister in accordance with the instructions contained therein or in such other manner as is approved by the Minister.”

The principal of all Continuing Education programs must ensure that:

- A system is in place to provide school staff with all the appropriate information about each pupil that is required for keeping the enrolment register and attendance records;
- Enrolment and attendance records are accurate and up to date;
- The course data and pupil data are correct on each enrolment register;
- Information is collected for inclusion in the Ontario Student Records (see *The Ontario Student Record (OSR): Guideline, 2000 (revised 2020)*); and
- Any fees charged to pupils for learning materials and activities are in accordance with school board policy developed in response to the Ministry’s *Guideline for Fees for Learning Materials and Activities* (see section on “Fees for administration and learning materials” below).
- Pursuant to the *Child Care and Early Years Act, 2014*, programs authorized to operate within schools serving children in the primary and/or junior division must fall under exempt circumstances as defined by legislation or will be subject to child care requirements as stated in the Act.

The principal responsible for Continuing Education non-credit courses must:

- Ensure that courses are offered in a school or in any location deemed suitable by the school board; and
- Oversee each class of each course offered, whether a class is conducted in a school, and whether instructors are qualified teachers.¹

See all the sections that follow for details on the principal’s responsibilities related to enrolment, attendance, recording and reporting, retention of data, and other topics.

Fees for Administration and Learning Materials

Pupils must not be charged any registration fees and/or other fees pertaining to administration² for any Continuing Education programs, regardless of the age of the pupil.

However, pupils may be asked to pay nominal refundable textbook deposits. As in day school courses, a pupil must not be charged fees to cover costs of materials used in class unless he or she wishes to use materials that are more expensive than the ones provided by the school (e.g., maple wood rather than spruce in a woodworking class). Any fees charged to pupils for learning materials must be in accordance with school board policy developed in response to the Ministry’s *Guideline for Fees for Learning*

¹ If the principal assigns another school board official to oversee the classes, the principal must ensure that the official’s title is indicated on the enrolment register along with the official’s signature.

² The fees discussed in this section are administration and learning material fees and are not related to tuition fees that may be charged to certain pupils for Continuing Education courses. See the following section on “Determining a Pupil’s Eligibility for an Exemption from Tuition Fees.”

Materials and Activities. Where inappropriate fees are charged, the Ministry may adjust the amount of funding the school board receives for the course.

School boards may not charge for courses provided by the Independent Learning Centre (ILC).

Retention of Pupil Enrolment Records and Related Documents

The Ministry of Education requires that, *for audit purposes*, pupil enrolment records including enrolment registers and various related documents be retained for the *current school year and the previous two school years*.

Retention beyond that minimum period is to be carried out in accordance with the school board's record management program, as specified in paragraph 38 of subsection 171(1) of the *Education Act*.

Determining a Pupil's Eligibility for an Exemption from Tuition Fees

On all legal questions relating to the determination of a pupil's eligibility for tuition-fee exemptions, school boards should rely on the advice of their own legal counsel.

Pursuant to the regulation governing the calculation of fees for pupils for the 2023-24 school year, school boards are entitled or required to charge certain pupils tuition fees for courses. Tuition fee paying pupils are "other pupils," and must be recorded as "OP" in all Continuing Education registers. Other Pupils may enroll in Continuing Education programs and courses; however, these pupils will not receive provincial funding for these courses. See "Pupil of the Board or Other Pupil" section below.

School boards will determine whether a pupil is eligible for a tuition-fee exemption. To determine a pupil's eligibility and the documentation required to support an exemption, school boards will need to refer to the following statutory provisions, regulation, memoranda, and policy/program memorandum:

- *Education Act*: subsection 32 (2), subsection 46 (2), section 49, and section 49.1
- Fees regulation for the 2023-24 school year. "Clarification of Policies and Supporting Documentation to Confirm Pupil Residency and Eligibility Status," Memorandum No. 2018:SB08, May 8, 2018.

Other documents that may be useful for this and other enrolment-related purposes are the following:

- *Ontario Schools, Kindergarten to Grade 12: Policy and Program Requirements, 2016(OS)*
- *Growing Success: Assessment, Evaluation and Reporting in Ontario Schools – First Edition, Covering Grades 1 to 12, 2010*
- *The Ontario Student Record (OSR) Guideline, 2000*
- The Ontario Student Transcript (OST) Manual, 2013

Pupil Eligibility Attestation Form

As per Memorandum No. 2018:SB08, school board staff must use a pupil eligibility attestation form to document the school board's review and verification of relevant documentation which confirms pupil eligibility in the areas listed below:

- The pupil's right to attend the school without payment of a fee;
- The date of birth and full legal name of the pupil; and
- The residency of the pupil.

Please review "[Clarification of Policies and Supporting Documentation to Confirm Pupil Residency and Eligibility Status](#)," Memorandum No. 2018:SB08, May 8, 2018.

See Appendix A for a sample of a Student Information and Eligibility Attestation Form for your school board's use.

Cancelled Instructional Sessions

Funded cancelled session “C”

Where an instructional session has been cancelled due to exceptional circumstances (such as inclement weather, professional development or an emergency) and the teacher/instructor is paid, the session *will be recognized for funding purposes*. Include this session in the total number of sessions recognized for funding. The funded cancelled session must be marked with a “C” on the enrolment register and the reason for the cancellation must be recorded. Funded cancelled sessions related to professional development are not applicable to Summer School, Literacy and Numeracy and International and Indigenous Languages (IILE) programs.

If the “C” session is rescheduled, the instructor should not be paid for the rescheduled session and the rescheduled session must not be included in the total number of sessions recognized for funding purposes.

Unfunded cancelled session “D”

Where an instructional session has been cancelled (i.e., the teacher is unavailable) and the instructor is not paid, the session *will not be recognized for funding purposes*. Do not include this session in the total number of sessions recognized for funding. The unfunded cancelled session must be marked with a “D” on the enrolment register and the reason for the cancellation must be recorded.

If the “D” session is rescheduled, the instructor should be paid for the rescheduled session and the rescheduled session must be included in the total number of sessions recognized for funding purposes.

REPORTING IN THE ONTARIO SCHOOL INFORMATION SYSTEM (OnSIS)

Continuing Education related data is collected through OnSIS once a year on August 31 through the Continuing Education submission (programs offered between September-August) and/or Summer School submission (programs offered between July-August).

For the current school year, please refer to the OnSIS Data Submission Schedule for the specific submission count dates and due dates.

See OnSIS data collection requirements in the “Completing the OnSIS Submission” section for each of the six Continuing Education enrolment registers.

MAINTAINING THE ENROLMENT REGISTER AND ATTENDANCE RECORDS

The policies and procedures for recording enrolment and attendance of pupils who are taking Continuing Education courses or programs are detailed for each of the six Continuing Education enrolment registers in the sections that follow.

Register of Enrolment in Continuing Education Credit Courses

The following instructions are provided to assist school boards and schools in maintaining this enrolment register.

When to Use This Enrolment Register

Continuing Education provides opportunities for pupils to fulfil their secondary school requirements and/or specific credit courses required for entry into postsecondary institutions and apprenticeship programs.

This is a classroom based⁴ enrolment register. Use it to record enrolment and attendance only for pupils in Continuing Education courses taken for credit.

The courses must be provided through *classroom instruction*⁵:

- During the school year,
- In the summer, or
- From September to August

Credit courses may be offered:

- During the day school instructional program
- At night or on the weekend
- At the end of the day school instructional program and ending before 5 p.m.

This enrolment register must not be used to record enrolment of pupils taking *online learning courses through Continuing Education*. The *Register of Enrolment in Correspondence/Self-Study/Online Learning Courses* must be used. See Memo 2010:SB8, “Consolidated Summary of Ministry Online Learning Enrolment Recording Requirements.”

Which Pupils to Include on This Enrolment Register

Record enrolment and attendance for:

- Continuing Education (CE) pupils,
- Part-Time (PT) day school pupils,
- Full-Time (FT) day school pupils. However, these pupils may not be eligible for funding. See “Funding Considerations” below.

⁴ A classroom may include virtual courses delivered at a distance through synchronous, two-way videoconferencing services. All students must attend programming at a satellite location in Ontario, such as another campus, school, library, as well as other organizations funded by Ontario such as colleges of applied arts and technology, publicly-assisted universities or a Contact North site.

⁵ With the exception of the pupil’s placement component of a cooperative education course.

Which Courses to Include on This Enrolment Register

Courses recorded on this enrolment register may be offered in quadesters, modules and/or terms of approximately six to eight weeks and may take place in adult learning centres, centres for Continuing Education, adult high schools, and secondary schools (see Section 10.2 Continuing Education and 10.2.1 Adult Education, OS) and must meet the requirements set out in curriculum policy documents under OS.

These courses are:

- Credit courses delivered through classroom instruction
- Credit courses delivered through cooperative education
- Credit recovery
- 55-hour upgrading credit course (summer only)
- Additional preparation for changing course types (as described in OS, 7.2.4)

The course of study must be retained for review at the school.

A one-credit course must be scheduled for a minimum of 90 to a maximum of 110 hours (see OS sections 10.2.3).

The Ministry will only provide funding for partial-credit courses permitted under OS or those approved by the Ministry.

Cooperative Education

All course requirements are outlined in OS, section 8.1, and *The Ontario Curriculum, Grades 11 and 12, Cooperative Education, 2018*.

The time spent by pupils in the placement component will be considered as pupil hours for the purpose of determining equivalent average daily enrolment (ADE). However, the maximum number of pupil hours for any pupil in the course (that is, hours in all components, including pre-placement, integration, and placement) is limited to 110 hours multiplied by the credit value of the course. The credit value of the course must be established prior to the start of the course. The credit value of the course must be one, two, three, or four credits. No half credits may be granted.

Teacher Qualifications

All classes in courses taken for credit must be taught by a person employed by the school board who is a member of the Ontario College of Teachers and who holds a Certificate of Qualification or an Interim Certificate of Qualification in accordance with section 3(1) of Regulation 285.

Funding Considerations

The funding allocation is based upon pupil attendance and is not contingent upon the pupil completing the course or successfully earning a credit. See *“Instructions for Teachers/Instructors”* below for details on how to record pupil attendance.

Continuing Education Pupils

Include Continuing Education (CE) pupils on this enrolment register. These pupils are eligible for funding for Continuing Education courses in the September to June and the summer periods. Their attendance must be included in the total number of sessions recognized for funding used to calculate the equivalent ADE.

Part-Time Day School Pupils

Include pupils enrolled as Part-Time (PT) in a publicly funded day school on the October and/or March enrolment-count dates on this enrolment register. These pupils are eligible for funding for Continuing Education courses in the September to June and the Summer periods. Their attendance must be included in the total number of sessions recognized for funding used to calculate the equivalent ADE.

Full-Time Day School Pupils

Pupils enrolled as Full-Time (FT) in a publicly funded day school on the October and/or March enrolment-count dates *may be* included on this enrolment register. Note the following:

- Pupils enrolled as FT on the October enrolment count date are not eligible for funding for Continuing Education courses offered during the day school instructional program during the period September 1, 2023 to January 31, 2024.
- Pupils enrolled as FT on the March enrolment count date are not eligible for funding for Continuing Education courses offered during the day school instructional program during the period February 1, 2024 to June 30, 2024.
- FT day school pupils *are eligible* for funding for Continuing Education courses offered *after the end of the instructional program of the day school* for example in the evening, at night or on the weekend during the September to June period.
- FT day school pupils *are eligible* for funding for Continuing Education courses offered during the Summer period.

When FT day school pupils are eligible for funding, their attendance must be included in the total number of sessions recognized for funding use to calculate the equivalent ADE.

Other Pupils

Other Pupils (OP) *are not eligible* for funding for Continuing Education courses. Their attendance must not be included in the total number of sessions recognized for funding used to calculate the equivalent ADE.

Additional funding through the School Facility Operations and Renewal Grant is provided for classes offered during the day and ending before 5 p.m.

Completion of the Data Summary/Course and Pupil Data

This data is used to determine funding and must be completed accurately. The principal must certify that the course data and pupil data are correct.

General Course Data

- **School name**
- **Name of Teacher** – Must be OCT Qualified

Course/Class Data

- **Course/Class name(s)** – A class may include multiple courses
- **Common Course Code(s)** – As assigned by the Ministry
- **Credit value** – If multiple courses are taught in the same class, include the credit value for each class
- **Course offering** – Must be one of the following:
 - At night or on the weekend
 - During the day school instructional program
 - Starting after the end of the day school instructional program and ending before 5 p.m. (after school)

- Additional preparation for changing course types (OS, 7.2.4)
- **Course start and finish date** – If scheduled during both the *September-June* and *Summer* periods, only record information in the Summer period if the course begins after the last day of school in the current school year and ends before the first day of school in the new school year.
- **Hours of classroom instruction** – Calculate for both the *September to June* and *Summer* periods. Calculate the **total number of hours** by multiplying the expected *number of sessions* by the *hours per session*. Please note: A one-credit course offered in the evening, at night or the weekend must also be scheduled for a minimum of 90 – to a maximum of 110 hours (see OS sections 10.2.3).
- **Total enrolment** – Include all pupils, both POB and OP, who enrolled in the course and attended the course sessions. The number of pupils is not reduced if a pupil withdraws before completing the course.

Pupil Data

- **Number of pupils** – Include all pupils, both POB and OP, who enrolled in the course and attended the course sessions as of the end of October and for the *September to June/Summer periods*. The number of pupils is not reduced if a pupil withdraws before completing the course.
- **Hours recognized for funding** – Calculate for both the *September to June* and *Summer* periods. Calculate the *total number of pupil hours* by multiplying the number of *sessions recognized (from the enrolment register) for funding* by the *hours per session*. Please note that *sessions recognized (from the enrolment register) for funding* must not include OPs or some Full-Time day school pupils (see Funding Considerations above).
- **Average enrolment** – Only complete for classes that qualify for the small class adjustment⁶. Calculate *average enrolment* by dividing the *total number of pupil hours* by the *total number of hours of classroom instruction* for the course, round the result to two decimals. The adjustment for small classes must be excluded from the “equivalent ADE.”
- **Calculation of equivalent average daily enrolment (ADE)** – For each pupil, calculate the *Total number of pupil hours for the September to August period* by adding the *Total number of pupil hours for the September to June* and *the summer* periods together. To calculate the **Equivalent ADE**, divide the *Total number of pupil hours for the September to August period* by 950 and round the result to four decimals.
- **The principal must sign and date the enrolment register.**

Notes:

1. The small-class adjustment is not reported through OnSIS; it is reported manually and in aggregate through EFIS during the financial statements cycle.
2. The sum of the “equivalent average daily enrolment (ADE)” calculated for all courses reported on this enrolment register must correspond with the “equivalent ADE” reported through OnSIS.

A separate enrolment register must be used for each class. A class may include pupils who are enrolled in different courses and therefore a class may include multiple course codes (if applicable).

Course and Pupil Information

- **Name of Pupil** – Enter for each pupil on the day the pupil actually begins attending class. If a pupil is admitted after the course begins, see *Late Enrolment*.

⁶ To qualify for the small class adjustment, classes or courses must be offered in a secondary school that is located in a territorial district and is more than 80 kilometres from all other secondary schools in the province that have the same language of instruction.

- **Class name** – Enter for each pupil.
- **Common course code** – Enter the Ministry assigned Course Code. Please note a Continuing Education Credit class may include multiple courses.
- **OEN** – Enter the pupil’s OEN.
- **Day school pupil** - Enter the pupil’s enrolment status in day school, as FT or PT using the information provided by the principal. If the pupil is not enrolled in day school, leave blank.
- **Pupil's day school address** – Enter for each day school pupil, if required.
- **Pupil's board resident status** – Enter the pupil’s Board Resident Status as POB or OP.
 - POBs have the right to attend Continuing Education programs without payment of a tuition fee and may receive funding.
 - OPs are required to pay a tuition fee to attend Continuing Education programs, and do not receive funding. Enter “O” for the number of sessions recognized for funding
- **Pupil's home address/telephone number** – Enter for each pupil.

Pupil Attendance at Course Sessions

- **Pupil attendance** – Indicate each pupil’s attendance at sessions by leaving the appropriate spaces blank.
- **Pupil absences** – Indicate each pupil’s absence from sessions by entering an “A” on the enrolment register.
When a pupil is absent for *three or more* consecutive scheduled sessions, subtract the number of consecutive sessions missed from the total number of sessions recognized for funding.
- **Late enrolment** – When a pupil is admitted after the course begins, draw a horizontal line (“——”) through all sessions up to the date on which the pupil begins to attend the course. Subtract the number of consecutive sessions missed at the beginning of the course from the total number of sessions recognized for funding.
- **Pupil withdrawal** – When a pupil withdraws from a course, draw a horizontal line (“——”) through the remaining sessions following the date of withdrawal. Only when a pupil misses *three or more* consecutive scheduled sessions as a result of the early withdrawal, subtract the number of consecutive sessions missed from the total number of sessions recognized for funding.
- **Pupil absence combined with withdrawal** – When a pupil is absent and subsequently withdraws from the course, and misses *three or more* consecutive scheduled sessions, subtract the number of consecutive sessions missed from the total number of sessions recognized for funding.
- **Funded cancelled sessions** – Where a session has been cancelled owing to exceptional circumstances (such as inclement weather, professional development or an emergency), and the session is recognized for funding, enter a “C” for that session for the first and last pupils, join the “Cs” with a vertical line and record the reason for the cancellation on the enrolment register. Indicate on the enrolment register if the cancelled session is rescheduled.
- **Unfunded cancelled sessions** – Where a session has been cancelled (i.e. the teacher is unavailable) and the session is *not* recognized for funding, enter a “D” for that session for the first and last pupils, join the “Ds” with a vertical line and record the reason for the cancellation on the enrolment register. Indicate on the enrolment register if the cancelled session is rescheduled.

Note that a cancelled session (“C” or “D”) and the end of the calendar year do not break or add to a series of pupil absences.

The corresponding ADE value must also be reported for each course in the “ADE – September to June” or “ADE – Summer” fields.

Summer School Register

The following instructions are provided to assist school boards and schools in maintaining this enrolment register.

When to Use This Enrolment Register

School boards may offer courses for credit through summer school to meet a variety of student needs.

The courses must be provided through *classroom instruction*⁷:

- During the summer

Summer school classes or courses:

- May not begin until after the last school day in the 2023-24 school year, and must end prior to the first school day of the 2024-25 school year, and
- Must be provided by the school board between 8 a.m. and 5 p.m.

For summer cooperative education courses that begin prior to the last school day in the 2023-24 school year, the course must be recorded on the *Register of Enrolment in Continuing Education Credit Courses*.

This enrolment register must not be used to record enrolment of pupils who are taking correspondence/self-study/ online learning courses through Continuing Education or summer day camps, sports camps, or daycare activities (with the exception of non-credit summer school programs for pupils with developmental disabilities).

Which Pupils to Include on This Enrolment Register

Record enrolment and attendance *only* for pupils:

- Who were enrolled in a day school program during the school year offered by a school board and has been admitted to a summer school program.
- Who were enrolled in Grades 1 to 12 in a private school (in compliance with subsection 16(1) of the *Education Act*) and has been admitted to a Ministry-funded summer school programs offered by a school board.

The terms of admission to a course offered through summer school will be determined by the school board that operates the summer school.

Which Courses to Include on This Enrolment Register

Courses recorded on this enrolment register must meet the requirements set out in curriculum policy documents under OS. (See OS sections 7.2.4, 7.5.1 and 10.2.2)

This is a classroom-based enrolment register. Use it to record enrolment and attendance *only* for pupils enrolled in the following summer school courses or programs:

- Credit courses delivered through classroom instruction;
- Credit courses delivered through cooperative education;
- Additional preparation for changing course types, as described in OS, section 7.2.4;
- Credit recovery;
- 55-hour upgrading credit courses
- Non-credit summer school programs for pupils with developmental disabilities (K-12); and
- Summer Learning Program (K-6)

⁷ With the exception of the pupil's placement component of a cooperative education course.
2023-24 Enrolment Register Instructions for Continuing Education Programs

The course of study for each course must be retained for review at the school.

Each one-credit course offered in summer school must be scheduled for a minimum of 110 hours (see OS section 10.2.2).

The Ministry will only provide funding for partial-credit courses permitted under OS or those approved by the Ministry.

Non-Credit Programs/Courses for pupils with developmental disabilities

The school board must determine the location, number of sessions, and class size. Special education classes must satisfy the requirements for class size outlined in section 31 of Regulation 298.

Cooperative Education

All course requirements are outlined in OS, section 8.1, and *The Ontario Curriculum, Grades 11 and 12, Cooperative Education, 2018*.

The time spent by pupils in the placement component will be considered as pupil hours for the purpose of determining equivalent ADE. However, the maximum number of pupil hours for any pupil in the course (including pre-placement, integration, and placement) is limited to 110 hours times the credit value of the course. The credit value of the course must be established prior to the start of the course. The credit value of the course must be one, two, three, or four credits. No half credits may be granted.

Teacher Qualifications

All classes in courses taken for credit must be taught by a Continuing Education teacher employed by the school board who is a member of the Ontario College of Teachers (OCT) and who holds a Certificate of Qualification or an Interim Certificate of Qualification in accordance with section 3(1) of Regulation 285.

Funding Considerations

School boards are required to report student enrolment in the Summer Learning Program (K-6) through the Summer School Register, by selecting the Summer Learning Program (K-6) as the Course Offering Type. Average Daily Enrolment (ADE) reported under the Summer Learning Program (K-6) will not generate funding under the Summer School Allocation. Details of the allocation and funding methodology for the Summer Learning Program may be communicated at a later date. More information may be found on the [Enrolment Funding, 2023-24 page](#) on Implementation criteria for the Learning Opportunities Grant (LOG)

Continuing Education Pupils

Continuing Education (CE) pupils must *not* be recorded on this enrolment register. Summer School is a program for pupils enrolled in a publicly funded, elementary or secondary day school or a private school.

Other Pupils

Other Pupils (OP) *are not eligible* for funding for Summer School courses. Their attendance must not be included in the total number of sessions recognized for funding used to calculate the equivalent ADE.

Note that, during the summer school program, lunch hours are not recognized for funding purposes, but rest breaks and recesses are recognized for funding.

Additional funding through the School Facility Operations and Renewal Grant is provided.

Completion of the Data Summary/Course and Pupil Data

This data is used to determine funding and must be completed accurately. The principal must certify that the course data and pupil data are correct.

General Course Data

- **School name**
- **Name of Teacher** – Must be OCT Qualified

Course/Class Data

- **Course/Class name(s)** – A class may include multiple courses
- **Common Course Code(s)** – For secondary courses, use ministry course codes. For the purposes of non-credit programs for example, a course for developmentally delayed pupils, enter “DD” and for Summer Learning Program (K-6), enter “SLP”.
- **Credit value** – If multiple courses are taught in the same class include the credit value for each class
- **Course start and finish date** – For Summer school the course must begin after the last day of school in the current school year and end before the first day of school in the new school year.
- **Hours of classroom instruction** – Calculate the total number of hours by multiplying the expected *number of sessions* by the *hours per session*. Please note: each one-credit course must be scheduled for a minimum of 110 hours.
- **Number of pupils** – Include all pupils, both POB and OP who enrolled in a course and attended the course sessions in the *Summer* period. The number of pupils is not reduced if a pupil withdraws before completing the course.

Pupil Data

- **Hours recognized for funding** – Calculate for the Summer period. Calculate the total number of pupil hours by multiplying the number of sessions recognized (from the enrolment register) for funding by the hours per session. Please note that sessions recognized (from the enrolment register) for funding must not include OP. The number of pupil hours for the Summer Learning Program (K-6) may be used to generate funding under the Learning Opportunities Grant (see “Funding Considerations” above).
- **Calculation of equivalent average daily enrolment (ADE)** – For each pupil, divide the *Total Number of Pupil Hours* by 950 and round the result to four decimals.
- **The principal must sign and date the enrolment register.**

Note: The sum of the “equivalent average daily enrolment (ADE)” calculated for all courses reported on this enrolment register must correspond with the “equivalent ADE” reported through OnSIS.

A separate enrolment register must be used for each class. A class may include pupils who are enrolled in different courses and therefore a class may include multiple course codes (if applicable).

Course and Pupil Information

- **Name of Pupil** – Enter for each pupil on the day the pupil actually begins attending class. If a pupil is admitted after the course begins, see *Late Enrolment*.
- **Class name** – Enter for each pupil.
- **Common Course Code(s)** – Enter the Ministry assigned Course Code. Please note a Summer school class may include multiple courses.
- **OEN** – Enter the pupil’s OEN.

- **Day school pupil** - Enter the pupil's enrolment status in day school, as FT or PT using the information provided by the principal.
- **Pupil's day school address** – Enter for each day school pupil, if required.
- **Pupil's school board resident status** – Enter the pupil's Board Resident Status as POB or OP.
 - POBs have the right to attend Continuing Education programs without payment of a tuition fee and may receive funding.
 - OPs are required to pay a tuition fee to attend Continuing Education programs, and do not receive funding. Enter "0" for the number of sessions recognized for funding.
- **Pupil's home address/telephone number** – Enter for each pupil.

Course Attendance at Course Sessions

- **Pupil attendance** – Indicate each pupil's attendance at sessions by leaving the appropriate spaces blank.
- **Pupil absences** – Indicate each pupil's absence from sessions by entering an "A" on the enrolment register.
When a pupil is absent for *three or more* consecutive scheduled sessions, subtract the number of consecutive sessions missed from the total number of sessions recognized for funding.
- **Late enrolment** – When a pupil is admitted after the course begins, draw a horizontal line ("—") through all sessions up to the date on which the pupil begins to attend the course. Subtract the number of consecutive sessions missed at the beginning of the course from the total number of sessions recognized for funding.
- **Pupil withdrawal** – When a pupil withdraws from a course, draw a horizontal line ("—") through the remaining sessions following the date of withdrawal. Only when a pupil misses *three or more* consecutive scheduled sessions as a result of the early withdrawal, subtract the number of consecutive sessions missed from the total number of sessions recognized for funding.
- **Pupil absence combined with withdrawal** – When a pupil is absent and subsequently withdraws from the course, and misses *three or more* consecutive scheduled sessions, subtract the number of consecutive sessions missed from the total number of sessions recognized for funding.
- **Funded cancelled sessions** – Where a session has been cancelled owing to exceptional circumstances (such as inclement weather or an emergency), and the session is recognized for funding, enter a "C" for that session for the first and last pupils, join the "Cs" with a vertical line and record the reason for the cancellation on the enrolment register. Indicate on the enrolment register if the cancelled session is rescheduled.
- **Unfunded cancelled sessions** – Where a session has been cancelled (i.e. the teacher is unavailable) and the session is *not* recognized for funding, enter a "D" for that session for the first and last pupils, join the "Ds" with a vertical line and record the reason for the cancellation on the enrolment register. Indicate on the enrolment register if the cancelled session is rescheduled.

Note that a cancelled session ("C" or "D") does not break or add to a series of pupil absences

- Final Mark

The corresponding ADE value must also be reported for each course in the “ADE – Summer” field.

Register of Enrolment in Correspondence/Self-Study/Online Learning Courses

The following instructions are provided to assist school boards and schools in maintaining this enrolment register.

When to Use This Enrolment Register

Correspondence courses enable students to fulfil Secondary School diploma and/or post-secondary entrance requirements.

Self-Study courses allow a pupil to study independently, but under the supervision of a teacher.

Online learning relies on communication between pupils and teachers through the internet or any other digital platform and does not require pupils and teachers to be face-to-face with each other or with their teacher. When online learning is made available in a school board, it should be made available to all students, including students with special education needs.

Use this enrolment register to record data on pupil's lessons/work units marked *only for* pupils enrolled in the following courses:

- Correspondence courses offered using curriculum materials provided by the ILC
- Correspondence or self-study courses designed by the school board that meet the requirements of courses in curriculum policy documents under *Ontario Schools, Kindergarten to Grade 12: Policy and Program Requirements, 2016* (OS) or that have received the Ministry's approval
- Online learning courses offered through a Continuing Education program that satisfy the criteria outlined in the Ministry's memorandum 2010:SB8, "Consolidated Summary of Ministry Online Learning Enrolment Recording Requirements"

The courses must be provided:

- During the school year,
- In the summer, or
- From September to August

Which Pupils to Include on This Enrolment Register

This enrolment register may include:

- Full-Time (FT) or Part-Time (PT) day school pupils. However, these pupils may not be eligible for funding see "Funding Considerations" below.
- Continuing Education (CE) pupils

Which Courses to Include on This Enrolment Register

These courses include:

- Correspondence or self-study credit, credit recovery, or upgrading credit courses provided by the school board
- Online learning credit, credit recovery, or upgrading credit courses prepared by the school board or offered through the provincial LMS

Note: Upgrading credit courses must be offered during the summer only.

The course of study for each course must be retained for review at the school.

Courses recorded on this enrolment register must meet the requirements set out in curriculum policy documents under OS (see sections 2.3 and Additional Ways for Students to Complete Courses and Programs, section 10) and assessment, evaluation, and reporting must be done in accordance with policies

outlined in *Growing Success: Assessment, Evaluation, and Reporting in Ontario Schools – First Edition, Covering Grades 1 to 12, 2010*.

The Ministry will only provide funding for partial-credit courses permitted under OS or those approved by the Ministry.

Teacher Qualifications

All classes in courses taken for credit must be taught by a Continuing Education teacher employed by the school board who is a member of the Ontario College of Teachers and who holds a Certificate of Qualification or an Interim Certificate of Qualification in accordance with section 3(1) of Regulation 285.

Funding Considerations

The funding allocation is based on the number of lessons/work units marked, not pupil attendance. See “*Instructions for Teachers/Instructors*” below for details on how to record lesson/units marked.

Continuing Education Pupils

Include Continuing Education (CE) pupils on this enrolment register. These pupils are eligible for funding for Correspondence/Self-Study/Online Learning Courses in the *September to June* and the *Summer* periods. Their lessons/work units marked must be included in the total number of lessons/work units recognized for funding purposes.

Full-Time Day School Pupils

Pupils enrolled as Full-Time (FT) in a publicly funded day school on the October and/or March enrolment-count dates *may* be included on this enrolment register. Note the following:

- FT day school pupils *are eligible* for funding for Correspondence / Self-Study / Online Learning courses taken in the *Summer* period. All lessons/work units marked must be included in the total number of lessons/work units recognized for funding purposes.
- FT day school pupils *are not eligible* for funding for Correspondence / Self-Study / Online Learning courses offered during the *September to June* period. Their lessons/work units marked must be subtracted from the total number of lessons/work units recognized for funding purposes.
 - For pupils enrolled as FT on the October enrolment-count date, the number of lessons/work units marked must be subtracted from the total number of lessons/work units marked during the period September 1, 2023, to January 31, 2024.
 - For pupils enrolled as FT on the March enrolment-count date, the number of lessons/work units marked must be subtracted from the total number of lessons/work units marked during the period February 1, 2024, to June 30, 2024.

Part-Time Day School Pupils

Include pupils enrolled as Part-Time (PT) in a publicly funded day school on the October and/or March enrolment-count dates on this enrolment register. In general, these pupils are eligible for funding for Correspondence/Self-Study/Online Learning Courses in the *September to June* and the *Summer* periods. Their lessons/work units marked must be included in the total number of lessons/work units recognized for funding purposes.

There is one exception; note that any PT day school pupil *taking the same course as part of their day school instructional program* is not eligible for funding for a duplicate course taken through Correspondence/Self-Study/Online Learning. Therefore, the number of lessons/work units marked for a duplicate course must be subtracted from the total number of lessons/work units recognized for funding purposes. See details in the “Full-Time Day School Pupils” section above.

Other Pupils

Other Pupils (OP) *are not eligible* for funding for Correspondence/Self-Study/Online Learning courses. Their lessons/work units marked must not be included in the total number of lessons/work units recognized for funding purposes.

Completion of the Data Summary/Course and Pupil Data

This data is used to determine funding and must be completed accurately. The principal must certify that the course data and pupil data are correct.

General Course Data

- **School name**
- **Name of Teacher marking lessons** – Must be OCT Qualified
- **School Year** – Year course scheduled

Course/Class Data

- **Common Course Code(s)** – As assigned by the Ministry
- **Credit value** – If multiple courses are taught in the same class include the credit value for each class
- **Type of Course** – Must be one of the following:
 - Correspondence credit course prepared by the school board
 - Online Learning credit course
- **Total number of lessons/work units eligible for funding** (*must not exceed 20 per credit or exceed 10 per upgrading credit course*) – Calculate for both the *September to June/Summer* periods. Please note that the *total number of lessons/work units* marked must not include the lessons/work units for Other Pupils and/or some FT or PT day school pupil see the “Funding Considerations” above.
- **Where the number of lessons/work units required for a credit is less than 20** – to calculate the “*total (adjusted) number of lessons/work units eligible for funding*” take the *total number of lessons/work units eligible for funding*, divide by the number of lessons/work units required for the course (max 20) and multiply the sum by the credit value of the course and finally multiply the sum by 20.

Please note that for partial-credit courses, the maximum number of lessons/work units eligible for funding is the product of 20 (i.e., the maximum number of lessons/work units allowed for a full credit) and the credit value for the course, rounded to the nearest whole number (e.g., $20 \times \frac{1}{3}$ credit = 7).

In online learning courses, all work modules completed by pupils and marked/reviewed by teachers will be recorded as “lessons/work units marked.”

Pupil Data

- **Number of pupils** – Include all pupils who were enrolled, both POB and OP *as of the end of October* and for the *September to June/Summer* periods.
- **Calculation of equivalent average daily enrolment (ADE)** – To calculate multiply the “*Total Number of lessons/work units eligible for funding*” for each pupil by 0.00579 and round the result to four decimals.
- **The principal must sign and date the enrolment register.**

Note: The sum of the “equivalent average daily enrolment (ADE)” calculated for all courses reported on this enrolment register must correspond with the “equivalent ADE” reported through OnSIS.

- **Category of Pupil** – Using information provided by the principal, identify all pupils with FT, PT, or CE, as appropriate. See definitions in the “Pupil’s Enrolment Status” section.
- **Pupil’s Home Address/Telephone number** – Enter the pupil’s home address and telephone number.
- **Recording Lessons/Work Units Marked** – Indicate that a lesson/work unit is marked by entering a check mark in the appropriate space under “Lessons/work units marked.”

Which Pupils to Include on This Enrolment Register

Record enrolment and attendance *only* for:

- Pupils enrolled in Junior Kindergarten⁸ to Grade 8 in a publicly funded elementary school.

- During the summer at 2.5 hours of classroom instruction per day per language.

⁸ Pupils pre-registered for Junior Kindergarten can also attend an IILE course provided that they turn four years old by the end of the calendar year.

When the school board class average is 23 or greater, maximum funding is generated per instructional hour. Where the average size of an international languages class is less than 23, the rate per classroom hour is reduced by \$1 for every pupil less than 23.

Full-Time and Part-Time Day School Pupils

Include elementary pupils enrolled as Full-Time (FT) or Part-Time (PT) in a publicly funded day school on the October and/or March enrolment-count dates on this enrolment register. Continuing Education Pupils

Continuing Education (CE) pupils must not be recorded on this enrolment register. IILE is a program for pupils enrolled in Junior Kindergarten to Grade 8 in a publicly funded day school or in a private school.

Other Pupils

Other Pupils (OP) *are not eligible* for funding for IILE courses. Their enrolment and attendance must not be included in the totals used to calculate funding.

Instructors

The principal must ensure that IILE instructors are directly employed and paid by the school board to receive Ministry funding for the program.

Note: For International and Indigenous Languages Elementary (IILE) programs, only include “Pupils of the Board” in the Course Enrolment Totals that are submitted to Education Finance Information System (EFIS).

- **Hours recognized for funding** – Calculate the **total number of pupil hours** by multiplying the number of *sessions recognized (from the enrolment register)* for funding by the *hours per session* for the *September to June* and *Summer* periods. Please note that *sessions recognized (from the enrolment register) for funding* must not include OPs, see Funding Considerations above.
- **Calculation of equivalent average daily enrolment (ADE)** – For each pupil, calculate the **Total Number of Pupil Hours for the September to August** period by adding *the Total Number of Pupil Hours for the September to June* and *Summer* periods together. To calculate the **Equivalent ADE**, divide the *Total Number of Pupil Hours for the September to August* period by 950 and round the result to four decimals.
- **Pupil absences** – When a pupil is absent for *three* or more consecutive scheduled sessions, subtract the number of consecutive sessions missed from the total number of sessions recognized for funding.
- **The principal must sign and date the enrolment register.**

Note: The sum of the “equivalent average daily enrolment (ADE)” calculated for all courses reported on this enrolment register must correspond with the “equivalent ADE” reported through OnSIS.

Completing the OnSIS Submission

Elemental data is collected once a year on August 31 for the entire school year (September-August). Submit data through the Continuing Education and / or Summer School submissions (School Special Condition Type “N – Continuing Education” or “8 – Summer”).

ADE to be reported (for each course) by Course Offering Type for each student:

- Grade 7 or 8 Remedial Literacy and Numeracy
- Non-credit Grade 9 or 10 Remedial Literacy and Numeracy
- Literacy and Numeracy for Parents and Guardians
- Grade 7 or 8 Literacy and Numeracy – Con Ed.
- Grade 7 or 8 Literacy and Numeracy – Adult
- Grade 7 or 8 Literacy and Numeracy – Fully High Credit
- Grade 9 or 10 Literacy and Numeracy – Con Ed
- Grade 9 or 10 Literacy and Numeracy – Adult
- Grade 9 or 10 Literacy and Numeracy – Fully High Credit

The following information must be reported:

- Course Offering
- Program Start Date
- Program Finish Date
- Time of Day: “Start Time” and “End Time”
- ADE September to June
- ADE Summer

Data for Continuing Education pupils is submitted through the Non-credit Grade 9 or 10 Remedial Literacy and Numeracy Course Offering Type. All Continuing Education pupils enrolled in Grade 9 or 10 Remedial Literacy and Numeracy must also be enrolled in a credit Continuing Education course in the same academic year.

Date and Time information is required to differentiate between duplicate records should the pupil and the pupil’s parent/guardian take the same program more than once.

ADE for parents or guardians enrolled in Literacy and Numeracy program must be submitted to OnSIS using the child’s OEN, First Name, Last Name and DOB. ‘Parent/Guardian Number’ will be used to distinguish between parents and/or guardians should more than one parent/guardian be enrolled in the program. The Parent/Guardian Number is a unique identifier to be determined by the school board (e.g. Parent 1 or Parent 2, etc.)

The ADE value must be reported by course in the “ADE – September to June” or “ADE – Summer” field.

Register of Enrolment in Adult Indigenous Language Instruction

When to Use This Enrolment Register

This is a classroom-based enrolment register. Use it to record enrolment and attendance for all Continuing Education (CE) pupils enrolled in Adult Indigenous language non-credit courses.

The courses must be provided through *classroom instruction*:

- During the school year,
- In the summer, or
- From September to August.

Adult Indigenous Language non-credit courses may be offered during or after the school day.

Which Pupils to Include on This Enrolment Register

Record enrolment and attendance *only* for Continuing Education pupils enrolled in Adult Indigenous Language non-credit courses.

This enrolment register must *not* include Full-Time (FT) or Part-Time (PT) day school pupils.

Which Courses to Include on This Enrolment Register

Adult Indigenous language non-credit courses.

Teacher Qualifications

The instructor is not required to be a member of the Ontario College of Teachers.

Funding Considerations

The funding allocation is based upon pupil attendance.

Continuing Education Pupils

Include Continuing Education (CE) pupils on this enrolment register. These pupils are eligible for funding for Adult Indigenous language non-credit courses in the September to June and the Summer periods. Their attendance must be included in the total number of sessions recognized for funding used to calculate the equivalent ADE.

Full-Time and Part-Time Day School Pupils

This enrolment register must *not* include pupils enrolled as Full-Time (FT) or Part-Time (PT) in a publicly funded day school on the October/March enrolment-count dates on this enrolment register.

Other Pupils

Other Pupils (OP) *are not eligible* for funding for Adult Indigenous language non-credit courses. Their attendance must not be included in the total number of sessions recognized for funding used to calculate the equivalent ADE.

Instructors

The principal must ensure that the Adult Indigenous Language instructors are directly employed and paid by the school board to receive Ministry funding for the program.

Completion of the Data Summary/Course and Pupil Data

This data is used to determine funding and must be completed accurately. The principal must certify that the course data and pupil data are correct.

General Course Data

- **School name**
- **Name of Instructor**
- **Location of course (if different from school)**
- **Campus Number (optional)**

Course/Class Data

- **Course start and finish date** – If scheduled during both the September-June and Summer periods, only record information in the Summer period if the course begins after the last day of school in the current school year and ends before the first day of school in the new school year
- **Time of day** – Enter the start and finish time for the course
- **Days** – Check the days the course is offered
- **Hours of classroom instruction** – Calculate the **total number of hours** by multiplying the expected *number of sessions* by the *hours per session* for the *September to June* and *Summer* periods.
- **Total enrolment** – Include all pupils both POB and OP who enrolled in the course and attended the course sessions. The number of pupils is not reduced if a pupil withdraws before completing the course.

Pupil Data

- **Number of pupils** – Include all pupils both POB and OP who enrolled in the course and attended the course sessions as of the end of October and for the September to June/Summer periods. The number of pupils is not reduced if a pupil withdraws before completing the course.
- **Hours recognized for funding** – Calculate the **total number of pupil hours** by multiplying the number of *sessions recognized (from the enrolment register)* for funding by the *hours per session* for the *September to June* and *Summer periods*. Please note that *sessions recognized (from the enrolment register)* for funding must not include OPs, see Funding Considerations above.
- **Average enrolment** – Only complete for classes that qualify for the small class adjustment⁹. Calculate *average enrolment* by dividing the *total number of pupil hours* by the *total number of hours of classroom instruction* for the course, round the result to two decimals. The adjustment for small classes must be excluded from the “equivalent ADE.”
- **Calculation of equivalent average daily enrolment (ADE)** – For each pupil, calculate the *Total number of pupil hours for the September to August period* by adding the *Total number of pupil hours for the September to June* and the *Total number of pupil hours for the Summer periods* together. To calculate the **Equivalent ADE**, divide the *Total Number of Pupil Hours for the September to August period* by 950 and round the result to four decimals.
- **Pupil absences** – When a pupil is absent for *three* or more consecutive scheduled sessions, subtract the number of consecutive sessions missed from the total number of sessions recognized for funding.
- **The principal must sign and date the enrolment register.**

⁹ To qualify for the small class adjustment, classes or courses must have less than 15 students.
