Total number of hours accumulated by the end of Grade 8							

*To convert minutes per day to hours per year, multiply by 3 (e.g., 40 minutes per day = 120 hours per year). For students who transfer to another school in Ontario during the school year, enter the number of hours that they completed at this school.

The collection and maintenance of this information are authorized under the Education Act, R.S.O. 1990, c. E.2. Users of this information are supervisory officers and the principal and teachers of the school. This form documents a student's educational progress in French as a second language in elementary school. The contact person regarding the collection of this information is the principal of the school.
