RE: Regional Surveyor Land Registry Office Assignments

As part of the Regional Surveyor workload balancing, I have made the following adjustment to the Land Registry Offices (LROs) assignments.

Please be advised that effective October 9th 2007, Ken Wilkinson will support the Whitby and Aurora LROs.

All other Office assignments will remain unchanged.

I have attached an updated chart indicating the Land Registry Office assigned to each Regional Surveyor.

Please ensure your staff and clients are aware of the changes, as necessary.

Thank you,
