

Minister's Order re Canada Lands

Made under the *Registry Act*, R.S.O. 1990, c. R.20

I, Harinder S. Takhar, Minister of Government Services, hereby order as follows, pursuant to subsection 101.1 (1) of the *Registry Act* and the Statutes of Ontario, 1998, chapter 18, Schedule E, section 257(3):

1. For the purposes of,
 - (a) filing plans of public lands under the *Canada Lands Surveys Act*;
 - (b) depositing plans and descriptions of land under the *Navigable Waters Protection Act (Canada)*;
 - (c) registering,
 - (i) orders of the Governor in Council that transfer jurisdiction and control of land from the Government of Canada to the Government of Ontario, and
 - (ii) plans under the *Public Transportation and Highway Improvement Act* of land to which subclause (i) applies; and
 - (d) registering instruments that affect lands that were heretofore or are hereafter granted, in fee simple, by Canada,

the lands that comprise the national parks and Indian reserves set forth in Column 2 of the Schedule are annexed to the respective registry divisions set opposite thereto in Column 1.

2. (1) The land registrar of a registry division to which a national park or Indian reserve is annexed shall keep an index book called the "Canada Lands Index" in the form located on the Ministry's internal knowledge management website, in which he or she shall record plans, descriptions and orders filed, deposited or registered under clauses 1 (a), (b) and (c).

(2) Instruments to which clause 1 (d) applies shall be recorded in accordance with section 20 of the Act.

3. (1) At least one page or series of pages shall be kept in the Canada Lands Index for each national park or Indian reserve and the pages shall be headed with the name of the park or reserve and consecutively numbered.

(2) Where, in the opinion of the land registrar, more than one page or series of pages is required in respect of any national park or Indian reserve, he or she may divide the park or reserve for recording purposes, and shall keep a separate page or series of pages, appropriately headed, for each division of the park or reserve.

4. At the beginning of the Canada Lands Index Book, the land registrar shall include an index called Index to Canada Lands Index in the form located on the Ministry's internal knowledge management website.
5. The land registrar shall endorse on a plan, description or order recorded under section 2 and on the duplicate received therewith, if any, his or her certificate in the form called Certificate of Recording that is located on the Government of Ontario website.
6. (1) Despite section 2, where, before the 1st day of April, 1967, an abstract index was kept for land in a national park or Indian reserve, the plans, descriptions and orders to which section 2 applies may be recorded in that abstract index in lieu of recording in the Canada Lands Index.

(2) Where an abstract index is kept for land in a national park or Indian reserve and plans, descriptions and orders in respect of such land are recorded in the Canada Lands Index, the land registrar at the time of the recording of the first such plan, description or order shall enter in red ink under the proper heading in the abstract index the following notice:

"Subsequent dealings are recorded in the Canada Lands Index, volume (no.) commencing at page (no.)"
7. Where a national park or Indian reserve is not set out in the Schedule, the Director may direct the proper land registrar to deal with land in such park or reserve in accordance with this Minister's Order.
8. Where land within a national park or Indian reserve is granted by the Crown in fee simple and the Crown grant is registered under the *Land Titles Act* or the *Registry Act*, the land registrar shall make an entry under the proper heading in the Canada Lands Index of the particulars of the grant with a reference to the parcel register or abstract index in which the grant is recorded.
9. The requirements of this Minister's Order may, with the approval of the Director, be varied to apply to special circumstances.
10. This Minister's Order applies in respect of any plan, description, order or instrument referred to in section 1 that is presented for filing, deposit or registration on or after the 1st day of April, 1967.
11. Where a plan, description or order relates to land that is the whole or a part of a national park or Indian reserve and the land is registered under the *Land Titles Act* with Her Majesty The Queen in right of Canada as the registered owner, the plan, description or order shall be recorded under that Act in the parcel register for the land.

This Order comes into effect on the date of revocation of R.R.O. 1990, Regulation 992 under the *Registry Act*.

MADE THIS 18th day of May, 2011

Harinder S. Takhar
Minister of Government Services
