

Manufacturing: Guidance for Health and Safety

Employer Responsibilities:

If you find out a worker has been exposed to COVID-19 at work, or a related claim has been filed with the WSIB, make sure to notify the ministry and your workplace joint health and safety committee, health and safety representative and trade union. Call the ministry's **Health and Safety Contact Centre at 1-877-202-0008**.

Worker Rights:

Workers have the right to refuse unsafe work. If health and safety concerns are not resolved internally, a worker can seek enforcement by filing a complaint with the ministry's **Health and Safety Contact Centre at 1-877-202-0008**.

Keep them safe:

- Engineers
- Equipment operators
- Cleaners
- General labourers
- Material handlers
- Quality control engineers and technicians
- Shippers/receivers
- Office administrators
- Production managers
- Supervisors
- Maintenance staff
- Warehouse staff
- Supervisors and operations managers
- Truck drivers

Create space between people

Control gathering spots to keep distance

Reduce contact between workers and suppliers

Clean workspaces regularly

Open doors and windows to let in fresh air

Sanitize high-touch surfaces often

Install barriers between workers

Do not share Personal Protective Equipment
