LOOK FOR THE leaf Ontario Wood The natural choice

These forest resource processing facilities are currently licensed to use the Ontario Wood logo. The primary goal of Ontario Wood is to support Ontario's wood industry by increasing demand for locally produced wood products. To find out more please visit the Ontario Wood Website at ontario.ca/wood

Facilities listed in the table below are those that require a licence to operate or construct in the fiscal year from April 1, 2022 to March 31, 2023. A facility licence is required for any facility that consumes more than 1,000 cubic metres of forest resources annually.
