

## Metadata for: Ontario Landfills

*This table provides essential information about the program data.*

<b>Title</b>	<a href="#">Ontario Landfills</a>
<b>Abstract</b>	<p>This is a listing of approved landfills in Ontario. Here you will find basic information on Ontario's landfills including:</p> <ul style="list-style-type: none"><li>• ECA number</li><li>• MECP Region</li><li>• MECP District</li><li>• Client Name</li><li>• Site Name</li><li>• Site address</li><li>• Site Municipality</li><li>• Operation status (open/closed)</li></ul> <p>This dataset replaces the current 2 datasets (one for large landfills, one for small landfills) which was last updated in 2014 and contains out of date information.</p> <p>*Note the size and capacity of some of the landfills is not available at this time but may be made available via future updates to this data. More detailed information about is available by contacting <a href="#">the local MECP district office</a>.</p>
