

# Metadata: Annual Air Pollutant Statistics

<b>Title</b>	Annual Air Pollutant Statistics
<b>Abstract</b>	These data will provide a summary of annual statistics from 1995 to the current available year (2020) for common air pollutants. The annual statistics provide percentiles, mean, maximums and also indicate the number of times an air monitoring station exceeded an Ontario ambient air quality criteria (AAQC) where applicable.
<b>Status</b>	Ongoing
