Introduction

The information contained in Attachment A outlines:

- the health professionals eligible to apply for authorization status for Bone Anchored Hearing Aid Replacement Sound Processors; and
- the documentation the applicant is required to include with his/her application for authorization status.

Authorizers are the gatekeepers to the ADP and play a significant role in:

- providing Ontario residents with accurate information about the ADP;
- assessing Ontario resident's needs for assistive devices;
- confirming the Ontario resident's eligibility for funding assistance; and
- completing the application form to request funding assistance.

A healthcare professional must be registered as an ADP authorizer before they can:

- recommend ADP-approved assistive devices to eligible Ontario residents; and
- complete the ADP application form for eligible Ontario residents.
