Section1
Introduction

1

1 Introduction

This document replaces all prior documents relating to Electronic Data Transfer.

The Ministry of Health and Long-Term Care (MOHLTC) (referred to in this manual as the ministry), Medical Claims Electronic Data Transfer (MC EDT) service is a secure method of transferring electronic files to and from an authorized MC EDT user and the ministry. It is compliant with the Government of Ontario Information Technology Standards and the [Personal Health Information Protection Act](#) for the handling of personal health information.

The MC EDT service is available seven days a week on a **24 hour basis** with the **exception** of weekly scheduled system maintenance, **Sunday and Wednesday mornings between the hours of 5:00 am to 8:00 am.**

Note: Vendors must ensure that any automated MC EDT access is able to accommodate a system's non-response during these maintenance periods.

1.1 Overview of the MC EDT Service

The MC EDT service is a web enabled service that can be accessed using an Internet connection. **Screen display may vary depending on your Internet browser.** There are two ways to use this service, a manual web page and an automated web service.

1.1.1 MC EDT Web User Interface (Web Page)

The web page is a simple web user interface for health care providers that do not have an automated system. This interface provides the **basic** upload and download functions to submit and retrieve files one at a time.

It is best suited for users who do not have integrated billing software or Electronic Medical Record (EMR) systems.

The web page is **not** intended for use with automated programs or scripts. Attempts to automate web page functions are strongly discouraged since the user interface is subject to change **without notice** and the ministry is unable to support applications that are sensitive to the layout of MC EDT screens.

1.1.2 MC EDT Web Service

The web service is a web user interface that allows Electronic Medical Records (EMR) systems or integrated billing software to provide automated interfaces to initiate multiple concurrent uploads and downloads.

Specialized software is required to use the web service. Contact your vendor and refer to Section 8, Technical Specifications and Section 9, Conformance Testing.

1.1.3 MC EDT Report/File Types

The following report/file types for upload and download are used by both the MC EDT Web Service and MC EDT Web Page.

1.1.4 File Types Available For Upload

A. OHIP Medical Claim Files

The *Technical Specifications Interface to Health Care Systems* manual outlines the way in which claim data must be formatted for the ministry to process and for the receipt of claim files. Specifications are technical and are intended to be used by a vendor or IT technical support to ensure the data coming to and from the ministry is in a format the MC EDT service can receive/send. The manual is located on the ministry's website at:

http://www.health.gov.on.ca/en/pro/publications/ohip/docs/techspec_interface_hcsm.pdf

The ministry recommends daily submission of claims which will ensure early processing of medical claim files and quick return notification from the ministry of any rejected claims. The ministry recommends a claim file not to exceed a maximum of 10 MB and encourages multiple daily submissions of claims files from 5 MB to 10 MB in size.

A claim file consists of claims submissions for a single provider, multiple providers and/or groups.

One claim file can include (consist of) multiple batches. Each batch within the claim file represents a group of claims for one provider's claims submissions. A batch is comprised of 1 or more claim items for one type of service (e.g. A007A FSC) to one patient on one day for one provider.

B. Stale Dated Claim Files

In accordance with the [Health Insurance Act](#), all claims must be submitted within three months of the date of service. Claims submitted more than three months following the date of service must be submitted as a stale dated file. Single claims can be submitted with other claim files but must be identified using the manual review indicator. Supporting documentation can be submitted through eSubmission of Medical Claims – Supporting Documentation (eSubmit) or can be faxed to your local claims services processing office.

Refer to Section 5.2 File Upload.

C. Overnight Batch Eligibility Checking

The Overnight Batch Eligibility Checking (OBEC) application is one of the methods available to access the Health Card Validation (HCV) system. OBEC enables health care providers to verify the eligibility/status of a patient's health number/version code before a health service is provided. Eligibility is verified against the ministry's database based on the date the file was submitted and a response file is returned to the user the next business day. OBEC helps to reduce eligibility and version code claim rejects. OBEC does not provide the correct health number or version code.

A formatted file of health numbers/version codes is uploaded through MC EDT to the ministry for processing. There is a limit of 50,000 records per file. Refer to the *Health Card Validation (HCV) Reference Manual* for a list of the response codes. The HCV Reference Manual is located on the ministry's website at: http://www.health.gov.on.ca/english/providers/pub/ohip/ohipvalid_manual/ohipvalid_manual.pdf

1.1.5 Reports/Files Available For Download

A. Remittance Advice (RA) Report

This report is a monthly statement of approved claims. It is normally delivered within the first week of the month. The RA is produced during a 3-4 day period at the end of the month and is delivered when month-end processing is completed.

B. Group Split Remittance Advice Report

This report is a monthly statement of approved claims. It is only available to physicians affiliated with a Family Health Network (FHN) or Family Health Organization (FHO).

C. File Reject Report

This report notifies you if the ministry has rejected an entire claims file. It is normally sent within a few hours of the claim file submission. This means the file has been transferred correctly but the file does not meet current ministry technical specifications.

D. Batch Edit Report

This report is normally sent within 24 hours of the claim file submission. This is your receipt that the ministry received your file; however, it does not guarantee payment of the submitted claims. If claims are uploaded on a weekend, holiday or at month-end, the Batch Edit Report is delivered on the next claims processing day.

E. Error Report

This report provides a list of rejected claims and the appropriate error codes for each claim. It is normally sent within 48 hours of claim file submission. If claims are uploaded on a weekend, holiday or at month-end, the Error Report is delivered at the end of the next claims processing day.

F. Group Split Error Report

This report provides a list of rejected claims and the appropriate error codes for each claim. It is only available to physicians affiliated with a FHN or FHO.

G. OBEC Response Report

Overnight Batch Edit Checking (OBEC) files received by the ministry by 4:00pm are processed overnight and the OBEC Response Report is sent by 7:00am the following morning.

H. Primary Care Reports

These reports are delivered to registered primary care physicians and groups within the first week of the month. These reports include:

- Enrolment & Consent Summary Report - a summary of patient enrolment activity to date.
- Enrolment & Consent Outside Use Report (Patients with Signed Consent) - provides outside use details for each physician within a specific primary care group.

I. Governance Reports

The Academic Health Sciences Centre (AHSC) Governance Reports and the Northern Specialist Alternate Payment Plan (NSAPP) Governance Reports are generated monthly and sent to the user ID generated for the governance at time of registration.

J. General Communication

General Communication (GCM) files replace the former EDT Bulletin Board.

General Communication files are communications that are specific to the MC EDT service (e.g. planned outage, claims information) or the eSubmit service (e.g. Remittance Advice inquiry responses, requests for additional information).

It is important to review your downloaded files regularly to ensure you do not miss important ministry communications with the file type GCM. If you have automated software you may want to discuss this with your vendor.

Files sent to you by the ministry will be available for download of up to 12 months from the date of creation. Files can be downloaded multiple times during this period.

1.1.6 Cut-Off Date for MC EDT Claim Submission

The ministry operates on a monthly processing cycle. Submissions received by the 18th of the month will typically be processed for approval the following month. When the 18th falls on a weekend or holiday, the deadline will be extended to the next business day. MC EDT submissions received after the 18th may not be approved until the next monthly processing cycle (i.e. submissions received on Nov 18th will appear on the December RA, submissions received after Nov 18th may not appear until the January RA).

1.1.7 MC EDT Inquiries

For inquiries regarding MC EDT information contained in this manual please contact the Service Support Contact Centre (SSCC) at:

1-800-262-6524

Or e-mail: SSContactCentre.MOH@ontario.ca

Calls placed to the Service Support Contact Centre after hours will not have an option of leaving a voice message – instead health care providers are encouraged to call during the business hours of Monday through Friday, 8:00am to 5:00pm, EST.

Section 2
Registration Overview

2

2 Registration Overview

In order to submit files using the Medical Claims Electronic Data Transfer (MC EDT) service, health care providers must:

- Have an OHIP billing number. To register for an OHIP billing number select on the following link to access the necessary form:

http://www.health.gov.on.ca/en/pro/forms/ohip_fm.aspx

- Receive a letter from the ministry which includes How-To information;
- How to register for a GO Secure account. Refer to Section 3.1;
- Enrol in MC EDT. Refer to Section 3.2; and
- Optional - Designate individuals who act on your behalf to submit and retrieve files to/from the ministry. Refer to Section 3.3.

TIPS

All health care providers who register for or have a billing number are eligible for access to the MC EDT and Health Card Validation services. Refer to *Health Card Validation Reference Manual* for additional information on these services.

- To access the MC EDT service, all health care providers must register online for a GO Secure account and enrol for MC EDT. **This is a one time process.**
- **Health care providers must have a separate and active unique email account to register for a GO Secure account.** Refer to Section 3.1.
- **A member of a group must be selected to represent the group. The representative must then register for a group GO Secure account** and enrol the group for MC EDT. The representative of the group must have a separate and active unique email account to register the group for a GO Secure account (Refer to Section 3.1). The group representative may designate MC EDT permissions to staff and other physicians in the group if applicable. The group will receive a letter from the ministry with the necessary information to complete the registration and enrolment.
- If the health care provider is an affiliate of a group and only bills under the group billing number (and does not bill using an individual or solo billing number) they are **not** required to set up an individual GO Secure account unless they require access to group reports as a designee.
- A designee must also register for their own GO Secure account. **Designees must have a separate and active unique email account to register for a GO Secure Account.** Designees have access to authorized files but cannot authorize other designate accounts.

Health care providers have the online ability on a self-service basis to:

- change their email address and GO Secure ID
- change their GO Secure password
- grant, modify and/or revoke designee access permissions
- regenerate their registration confirmation email
- regenerate an expired “**shared secret**” that is provided to a health care provider for a designee to use to accept your designation

Designees have the online ability on a self-service basis to:

- change their email address and GO Secure ID
- change their GO Secure password
- regenerate their registration confirmation email

Under [The Personal Health Information Protection Act \(PHIPA\)](#) the health information custodian (HIC) is responsible for the protection of personal information and is accountable for anyone accessing that information. Only a health information custodian may designate individuals (e.g. administrative staff; a billing agent; and/or another health care provider) to act on their behalf by granting permission to submit files and/or to view reports from the ministry. It is the health care provider’s responsibility to identify and authenticate those individuals they want to assign designate accounts.

As per the online GO Secure Terms and Conditions and the MC EDT Acceptable Use Policy, account information including the ID and password must not be shared. Refer to Section 3.1 and 3.2 for detailed registration and enrolment procedures.

For inquiries regarding MC EDT information contained in this manual please contact the Service Support Contact Centre (SSCC) at:

1-800-262-6524

Or e-mail: SSContactCentre.MOH@ontario.ca

Calls placed after hours will not have an option of leaving a voice message – instead health care providers are encouraged to call during the business hours of Monday through Friday, 8:00am to 5:00pm, EST.

Section 3
Health Care Provider GO Secure Registration
and MC EDT Enrolment Procedures

3

3 Health Care Provider GO Secure Registration and MC EDT Enrolment Procedures Registration

Note: Screen layout may vary depending on the web browser used. Also note, in the following checklist where you are advised to log out of your email and close your Internet browser. If you are using a non-web based email program such as Microsoft Outlook, you do not have to log out of that program.

3.1 Health Care Provider GO Secure Registration

This section is used by health care providers to register one-time only for a GO Secure account using the following link:

<https://www.edt.health.gov.on.ca>

The following checklist provides a summary of the steps required by a health care provider to register for their GO Secure account and enrol for MC EDT.

3.1.1 GO Secure Registration and MC EDT Enrolment Checklists

Note: It is important to follow these instructions. You will be required to open and close your Internet browser several times during the process of registering for the GO Secure account and enrolling for MC EDT.

- Receive letter from the ministry.
- Copy this link in the ministry letter:

<https://www.edt.health.gov.on.ca>

into your Internet browser to navigate to the GO Secure Login screen.

- Select the “Register Now” button to register for your GO Secure account. Follow the instructions in Sections 3.1.2 to 3.1.6.
- **Close your Internet browser.**

Open your email and look for a new message from GO Secure with the subject: “GO Secure Login – Registration Confirmation”. Open the message and select the link provided to navigate to the GO Secure Login screen in a new Internet browser window.

- Log out of your email and close your email browser. Follow the instructions in Section 3.1.7.
- Confirm your email address with your GO Secure ID and password. Follow the instructions in Section 3.1.8.

Note: If you do not do this step, you will not be able to continue.

- You have completed the registration for your GO Secure account.
- To enroll for MC EDT, select the hypertext “here” to navigate to the Identification screen. Follow the instructions in Section 3.1.9.

- Select either “New User” or “Migrating EDT User” and key in the “Unique Identifiers” provided in the ministry letter. Follow the instructions in Sections 3.2.3 - 3.2.5.
- Accept the Acceptable Use Policy for Electronic Business Services and navigate to the Success screen. Follow the instructions in Section 3.2.6.
- At the Success screen, select the hypertext “Logout” and close your Internet browser.
- Reopen your Internet browser and copy this link:
<https://www.edt.health.gov.on.ca>
to navigate to the GO Secure Login screen.
- At the GO Secure Login screen, sign in with your GO Secure ID and password to navigate to the Administration and MOHLTC Services screen. Follow the instructions in Section 3.2.8.
- You have completed the enrolment for MC EDT.
- At the health care provider “Administration and Services” screen you have the following options to: Refer to Section 3.2.9
 - a) Upload or download files/reports, select “MC EDT Service”. Refer to Section 5.
 - b) Add a designee (optional), select “Designee Maintenance”. Refer to Section 3.3.
 - c) Authorize permissions to designee, select “Designee Maintenance”. Refer to Section 3.4.
 - d) Regenerate expired “shared secret” for a designee, select “Designee Maintenance”. Refer to Section 3.4.
 - e) Revoke a designee, select “Designee Maintenance”. Refer to Section 3.4.
 - f) Maintain your GO Secure account, select “GO Secure Profile”. Refer to Section 7.

3.1.2 GO Secure Register/Login – Start

GO Secure Login

Ontario

Français

LAST MODIFIED: 2014-01-19

INSTRUCTIONS:

First time user registration:

Copy the following link from your ministry letter into your Internet browser to navigate to the GO Secure Login screen:

<https://www.edt.health.gov.on.ca>

- Select the “Don’t have a GO Secure account? Register Now” hypertext to navigate to the Registration: Step 1 of 2 screen. Refer to Section 3.1.3.

Already registered for a GO Secure Account and have to complete enrolment for MC EDT services?:

Copy the following link from your ministry letter into your Internet browser to navigate to the GO Secure Login screen:

<https://www.edt.health.gov.on.ca>

- Key in your GO Secure ID and password.
- Select the “Sign In” button to navigate to the Identification screen. Refer to Section 3.2.2.

Note: The “Log in with PKI” button does not apply to MC EDT. Please do not use it.

TIPS

- If you have already created a GO Secure ID, but forgot your password, or you want to create a new password, select the hypertext, “Forgot your ID or password?” to navigate to the Password Recovery – Enter ID screen. Refer to Section 6.
- If you have already created a GO Secure ID, but you have forgotten that ID, select the hypertext, “Forgot your ID or password?” to navigate to the Password Recovery – Enter ID screen. Select the hypertext, “Forgot your GO Secure ID”. Refer to Section 6.
- Your password will expire in 120 days. You will receive an email seven (7) days in advance advising you of the expiry date to create a new password. Refer to Section 6.
- Your session will time-out if there is no activity in forty-five (45) minutes.
- After five (5) consecutive failed attempts, you will be locked out for thirty (30) minutes. Refer to Section 3.1.13.

3.1.3 GO Secure – Basic Information

The screenshot shows the 'GO Secure LOGIN' registration interface. At the top, there is an 'Ontario' logo and a 'GO SECURE LOGIN' button. A 'Français' link is in the top right. Below a green header bar, the page title is 'Registration : Step 1 of 2'. The main content area is titled 'Step 1 of 2 : Basic information'. It contains several text input fields: '* First Name', 'Middle Name', '* Last Name', '* Display Name', '* Email', and '* Confirm Email'. A red asterisk indicates required fields. To the right, there is a 'Notice of Collection' section with a green button labeled 'Notice of Collection' and a plus icon. At the bottom of the form are 'Cancel' and 'Next>' buttons. The footer includes links for 'CONTACT US', 'ACCESSIBILITY', 'PRIVACY', and 'HELP', along with copyright information for Queen's Printer for Ontario, 2012, and a last modified date of 2013-03-06.

INSTRUCTIONS:

- Key in your first name, last name.
- The “Display Name” field is auto-populated with your first and last name.
- Key in your email account.
- Re-key your email account.
- Select the “Next>” button and you will be navigated to the second step of the registration process, the Registration: Step 2 of 2 screen. Refer to Section 3.1.4.

OPTIONS:

- To cancel this activity, select the “Cancel” button and a “Cancel Confirm” dialogue box is displayed. Refer to Section 3.1.14.
- OR
- You may overwrite the “Display Name” field to create a unique “Display Name” which must have a minimum of four characters.

OR

- To read the authorization to collection personal information and the contact information for questions about the collection of personal information, select the “Notice of Collection” button at the top right hand side of the screen.

TIPS:

- Registration for a GO Secure account is a one-time only process using your email account as a GO Secure ID.
- Your email address must be active and can only be associated to one GO Secure account. You may use your personal email account or create a new email account.

For example:

- If you submit claims and receive reports as a solo provider then you must register as a solo provider using one active email account. Refer to Section 2 Registration.
- If you are the representative of a group and are registering the group, you must use a separate active email account for the group registration. Refer to Section 2 Registration.
- The “Email” field must not contain any of the following special characters:
Space “ () , : ; < > & [\]
- The “Email” field must not contain: “ @ontario.ca”
- The “Middle Name” field is optional.
- The “Display Name” is a standard field and is used for informational purposes only.

3.1.4 GO Secure – Security Information

Note: The system will auto-populate the “GO Secure ID” field with the email account that you keyed in the Registration: Step 1 of 2 screen.

This field is not editable.

INSTRUCTIONS:

- Create a “Password” that meets the password policy outlined on the right side of the screen. Refer to TIPS below for details.
- Re-key the same password in the “Confirm Email” field.
- Select three different “Challenge Questions” and answer the three questions.
- Challenge Question Answers:
 - Cannot be the same as the questions;
 - Cannot contain any word that is used in the question (i.e. School or Street);
 - Must be at least three (3) characters long; and
 - Will not be stored on the system as case sensitive.
- To continue with your registration, select the “Register” button and you will be navigated to the GO Secure Login Terms and Conditions of Use screen. Refer to Section 3.1.5.

OPTIONS:

- To cancel this activity, select the “Cancel” button and a “Cancel Confirm” dialogue box will be displayed. Refer to Section 3.1.14.

OR

- To start over again at the previous screen, select the “Back” button. Refer to Section 3.1.3.

© QUEEN'S PRINTER FOR ONTARIO, 2012 | [IMPORTANT NOTICES](#) |
LAST MODIFIED: 2013-03-06

TIPS:

The "Password" must:

- Not match or contain the "First Name";
- Not match or contain the "Last Name";
- Not match or contain the "GO Secure ID";
- Contain eight (8) to sixteen (16) characters;
- First character must be a letter;
- Have at least one (1) lowercase letter;
- Have at least one (1) uppercase letter;
- Have at least one (1) number;
- Have at least one (1) special character such as:
! @ # %
- Not repeat a letter three (3) times or more;
- Not be re-used for up to eight (8) occurrences; and
- Match the confirm password.

"Password" characters will not be displayed as they are keyed.

“Confirm Password” characters will not be displayed as they are keyed.

Your password will expire in 120 days. You will receive an email seven (7) days in advance that advises you of the expiry date and a link to create a new password. Refer to Section 7.

You must select three (3) different Challenge Questions:

Keep a record of your challenge questions and answers. You will need to answer these correctly if you need to change your password.

After five (5) consecutive failed attempts, you will be locked out for thirty (30) minutes. Refer to Section 3.1.13.

3.1.5 GO Secure – Terms and Conditions of Use

Ontario GO SECURE LOGIN

GO Secure Login Terms and Conditions of Use

In return for the Ministry of Government Services providing you with a GO Secure Login ID, you agree to abide by the following Terms and Conditions of Use:

1. You understand and accept that you are at all times responsible for your GO Secure Login ID, Password and Recovery Questions and Answers.
2. If you suspect that others have obtained them, you are responsible for changing your GO Secure Login ID and/or password.
3. You understand and accept that the Government of Ontario can revoke your GO Secure Login ID for security or administrative reasons.
4. You understand and accept that the Government of Ontario disclaims all liability (except in cases of gross negligence or wilful misconduct) in relation to the use of, delivery of or reliance upon the GO Secure Login service.
5. You understand and accept that a record of your registration will be kept in accordance with the [Archives and Record Keeping Act](#) even if you choose to delete your GO Secure Login account. Your account will be removed permanently seven years after it is deleted.
6. Some GO Secure Login Enabled Services may have service-specific Acceptable Use Policies. Please refer to each service's web pages for details.

MINISTRY OF HEALTH AND LONG-TERM CARE

Acceptable Use Policy For Electronic Business Services

Please read the following Acceptable Use Policy to access ministry Electronic Business Services:

1. I shall only use my own User ID and Password (access credentials) to access the Electronic Business Services.
2. I shall safeguard and not disclose my access credentials to anyone, including users within my organization and other users of Electronic Business Services.
3. I understand that where Electronic Business Services provides access to personal health information (PHI) I agree not to misuse or disclose any PHI.
4. I shall access Electronic Business Services only for the purpose for which it is intended as determined by the Ministry of Health and Long-Term Care (the ministry).
5. I shall ensure that where applicable, files submitted through the Electronic Business Services conform to the applicable ministry technical specification(s).
6. I shall not allow others to use Electronic Business Services while I am logged in and I shall log out after each session of use.
7. In the event that I suspect that the security of my access credentials has been compromised, I will change my access password immediately.
8. By using Electronic Business Services, I acknowledge that all my Electronic Business Services activity, including access to and use of Electronic Business Services, will be logged and audited by the ministry.
9. I understand that the ministry may, in its sole discretion, revoke and/or suspend my access to Electronic Business Services at any time if I breach this Acceptable Use Policy or where necessary for the security of the Electronic Business Services.
10. I shall cooperate with the ministry if asked to assist in any investigation of any suspected breach of this Acceptable Use Policy.
11. The ministry may revise this Acceptable Use Policy from time to time in its sole discretion.

By clicking the ACCEPT button below, I acknowledge that I have read and agree to comply and use the Electronic Business Services in accordance with this Acceptable Use Policy.

3.3 Add Designee

This section can be used by the health care provider to **OPTIONALLY** add a designee(s). You may designate individuals such as staff or billing agents, to act on your behalf to submit and retrieve files to/from the ministry.

A designee must have their own GO Secure account and you must authorize permissions for them to upload and download on your behalf.

The following checklist provides a summary of steps required by the health care provider to use the **OPTION** to add a designee and authorize their permissions.

3.3.1 Add Designee Checklist

Note: You will be required to open and close your Internet browser several times during the process of adding a designee.

- Ask your designee to provide you with their email address, to use to add them as a designee.
- Copy this link: <https://www.edt.health.gov.on.ca> from your ministry letter into your Internet browser to navigate to the GO Secure Login screen.
- Sign in with your GO Secure ID and password to navigate to the Administration and MOHLTC Services screen.
- At the Administration and MOHLTC Services screen, select the hypertext “Designee Maintenance (Add, Remove, Update)”. Refer to Section 3.3.3.
- At the Designated Accounts screen, select the “Add Designees” button to add the designee. Refer to Sections 3.3.4 to 3.3.9.
- You have added your designee. Your designee must accept the designation, then you must authorize their permissions in order for them to use the MC EDT by completing the following steps.
- Logout and close your Internet browser. Refer to Section 3.3.9.

- For First Time Authorizing a Designee

Open your email and look for a new message with the subject: “Designate Shared Secret” which includes the system generated “shared secret” to provide to your designee to use. Refer to Section 3.3.10.

If you are SHARING a computer, log out of your email and close your Internet browser and let your designee use the computer to check their email account to retrieve the email with subject “Access created/Accès créé” which includes a link for the designee to use to register for their own GO Secure account and use the “shared secret” you provided for them to use to accept the designation. Refer designee to Section 4.1.

- Previously Authorized Designated

If your designee has been previously designated by another health care provider and already has a GO Secure account, no “shared secret” is required. If you are SHARING a computer, log out of your email and close your Internet browser and let your designee use the computer to check their email account to retrieve the email with subject “Please Confirm Designated Access/S’il vous plaît confirmer l’accès désigné” which includes a link for the designee to use to accept the designation. Refer designee to Section 4.2.

- Your designee will notify you when they have completed their registration and acceptance and you will receive an email with the subject “Designate has confirmed access”. You must authorize permissions to your designee to access your files and reports. Select the link in the email “Designate has confirmed access” to navigate to the GO Secure Login screen. Refer to Section 3.4.1.
- Logout and close your Internet browser.
- At the GO Secure Login screen type in your GO Secure ID and password to navigate to the Administration and MOHLTC Services screen. Refer to Section 3.4.2.
- Select option “Designee Maintenance (Add, Remove, Update)”. Refer to Section 3.4.3.
- At the Designated Accounts screen, select the text “MCEDT” beside the designee you want to authorize permissions for and navigate to the Designate Permissions screen. Refer to 3.4.4.

- At the Designate Permissions screen, select the specific files and reports you want your designee to upload and download. Refer to 3.4.5 to 3.4.6.
- You have completed authorizing permissions to your designee.
- Logout and close your Internet browser.
- Notify your designee that you have authorized permissions to them. They can type in the link:

<https://www.edt.health.gov.on.ca>

to navigate to the GO Secure Login screen and enter their own GO Secure ID and password. They will navigate to the designee Administration and MOHLTC Services screen to upload and download your files. Refer to Section 5.

INSTRUCTIONS:

- To add a designee, select the hypertext “Designee Maintenance (Add, Remove, Update)”:
 - If this is the first time you are authorizing a designee, you are navigated to the Designated Accounts screen. Refer to Section 3.3.4.
 - If you have previously authorized a designee you are navigated to the populated Designated Accounts screen. Refer to Section 3.3.5.

3.3.4 Add Designee for First Time

If this is the first time you are authorizing a designee, the following screen will be displayed.

INSTRUCTIONS:

- To add a designee, select “Add Designees” button to navigate to the Designee Details screen. Refer to Section 3.3.6.

OPTIONS:

- To navigate back to the Administration and MOHLTC Services screen, select the hypertext “Return to Administration and MOHLTC Services”. Refer to Section 3.3.3.

OR

- Select the hypertext “Logout” in the top right corner of the screen to navigate to the GO Secure Login screen. Close your Internet browser.

TIPS:

- Since this is your first time adding a designee there is no list of designees to view.

3.3.5 Add Additional Designees

If you have previously authorized a designee, the following populated screen is displayed.

Your designee has been added. Your designee must accept the designation and then you must authorize their permissions in order for them to use MC EDT.

INSTRUCTIONS:

- View the list of your designees by selecting the “Designated Accounts” button to navigate to the Designated Accounts screen where the system generated “shared secret” will be displayed. Refer to Section 3.3.9.
- You will receive an email from GO Secure with the subject, “Designate Shared Secret” that contains the system generated “shared secret”. You must provide it to your designee in order for them to accept your designation. Refer to Section 3.3.10.
- Your designee will also receive an email:

First Time Designee

Advise your designee that they will receive an email from GO Secure with the subject, “Access created/Accès créé” with instructions to register for a GO Secure account and accept your designation using the system generated “shared secret” within the next seven (7) calendar days. The detailed designee procedures are listed in Section 4.

Previously Designated

If the designee has been previously designated by another health care provider and has registered for a GO Secure account, they will retrieve the email from GO Secure with the subject “Please Confirm Designated Access/S’il vous plaît confirmer l’accès désigné” with a link to accept your designation. They do not require a “shared secret”. The detailed designee procedures are listed in Section 4.

OPTIONS:

- Select the hypertext “Logout” in the top right corner of the screen to navigate to the GO Secure Login screen. Close your Internet browser.

TIPS:

- You may need to remind your designee to accept the designation using the link in the email sent to their account.

The new designee is displayed on the list of designees with Service Access “not yet confirmed”.

INSTRUCTIONS:

- Provide your designee with the system generated “shared secret” that is displayed on this screen or in the email you received from GO Secure with subject “Designate Shared Secret”. Refer to Section 3.1.10.

OPTIONS:

- To add another designee, select “Add Designees” button to navigate to the Designee Details screen. Refer to Section 3.3.6.

Note: If you are SHARING a computer, your designee will not be allowed to register and accept your designation if you are signed into MC EDT. You must select the hypertext “Logout” in the top right corner of the screen to navigate to the GO Secure Login screen. Close your Internet browser to allow the designee to complete their registration and acceptance of the designation.

OR

- To navigate back to the Administration and MOHLTC Services screen, select the hypertext “Return to Administration and MOHLTC Services” near the bottom of the screen. Refer to Section 3.3.3.

TIPS:

- Your designee must copy the link in the email they receive

First Time Authorized Designee

Advise your designee that they will receive an email from GO Secure with the subject, "Access created/Accès créé" with instructions to register for a GO Secure account and accept your designation using the system generated "shared secret" within the next seven (7) calendar days. The detailed designee procedures are listed in Section 4.1

Previously Authorized Designated

If the designee has been previously designated by another health care provider and has registered for a GO Secure account, they will retrieve the email from GO Secure with the subject "Please Confirm Designated Access/S'il vous plaît confirmer l'accès désigné" with a link to accept your designation. They do not require a "shared secret". The detailed designee procedures are listed in Section 4.2

3.3.10 Email to Provide Shared Secret to Designee

From: <no-reply@ontario.ca>

To: Dr. Bob <Dr.BobEmail@email.com> **Sent:** Thursday, March 14, 2013 14:41:24 **Subject:** Designate Shared Secret

Hello,

Your designee Anne Nicole Gilbert has been asked to confirm your designation. To do this they will require the following shared secret (PIN):

2X4v5a

Please remind them that the shared secret will expire after 7 days. If it is allowed to expire you will be required to generate a new shared secret in the Designee Management page.

< LINK >

Thank you.

INSTRUCTIONS:

- Provide your designee with the system generated “shared secret”.
- Logout of your email and close your Internet browser.

Note: Your designee will notify you once they have registered for their own GO Secure account and accepted the designation. You will also receive an email from GO Secure with subject “Designate has confirmed access”. You must authorize permissions to your designee to access your files and reports. Refer to Section 3.4.

TIPS:

- A first time designee will require a “shared secret” to accept your designation. The detailed procedures for your designee are listed in Section 4.1
- A designee that has been previously designated does not require a “shared secret” to accept your designation. The detailed procedures for your designee are listed in Section 4.2
- If the “shared secret” has expired you can regenerate a new “shared secret”. Refer to Section 3.5.

3.4 Designee Maintenance

This section is used by the health care provider to add, change or modify permissions for their designees or to add another designee(s) or remove designee(s).

Once your designee has created a GO Secure account and has accepted your designation you will receive an email from GO Secure with the subject “Designate has confirmed access”. Refer to Section 3.4.1.

You may now authorize permissions for this designee to upload and download your files using the MC EDT service.

3.4.1 Email Designee Confirmed Access

From: <no-reply@ontario.ca>
To: Dr. Bob <Dr.BobEmail@email.com>
Sent: Thursday, March 14, 2013 15:41:16
Subject: Designate has confirmed access Hello,

Your designee Anne Nicole Gilbert has accepted the designation. Please setup their permissions by following the link and logging in to GO Secure Designee Management:

< LINK >

Thank you

INSTRUCTIONS:

- Select the link in the email “Designate has confirmed access” to navigate to the GO Secure Login screen. Refer to Section 3.4.2.
- Logout of your email and close your Internet browser.

Designated Accounts

[Add Designees](#)

Currently designated: select the Email to manage the service delegation; or select Revoke to remove the designation.

Service delegation cannot be set until the Designee is confirmed, and the designee's email appears as a link in the Email column.

List of Designated Accounts

Email	Full Name	Service Access	Shared Secret	Re-notification	Revoke Designation
uattestdata+au1@gmail.com	Delly Gates	Confirmed		Re-send email	Revoke
uattestdata+au3@gmail.com	Doc Billings	Not yet confirmed	Yi1fBP	Regenerate/Send	Revoke
uattestdata+au2@gmail.com	Des Igny	Not yet confirmed		Re-send email	Revoke

[Return to Administration and MOHLTC Services](#)

[ACCESSIBILITY](#) | [PRIVACY](#)

Last Modified: 2017-03-09

INSTRUCTIONS:

- To authorize or modify permissions for a designee, select the hypertext in the “Email” column for that designee to navigate to the Service Delegation screen. Refer to Section 3.4.5.

OPTIONS:

- To reset an expired “shared secret” for a designee, select the hypertext “Regenerate/Send” in the corresponding “Re-notification” column to navigate to Designate Details screen. Refer to Section 3.5.

OR

- To remove the designee from your List of Designated Accounts, select the hypertext “Revoke” in the corresponding Revoke Designation column to navigate to the Designee Details screen. Refer to Section 3.6.

OR

- To resend the email for a designee to confirm Designated Access, select the hypertext “Re-send Email” in the “Re-notification” column. Refer to Section 3.5.

OR

- To return to the Administration and MOHLTC Services screen, select the hypertext “Return to Administration and MOHLTC Services”. Refer to Section 3.4.3.

OR

- Select the hypertext “Logout” in the top right corner of the screen to navigate to the GO Secure Login screen. Close your Internet browser.

TIPS:

- For the above example, the health care provider has three designees. The first designee has completed the acceptance and the Service Access column has the text “MCEDT”. The other two designees have not completed their acceptance.
- You cannot select the email or manage the permissions for designees that show “Not yet confirmed” in the “Service Access” column. You may need to remind your designee to accept the designation. The designee must first register for a GO Secure account to accept your designation.
- After a designee has accepted your designation, the text “Not yet confirmed” will change to “Confirmed” in the “Service Access” column. The email address in the “Email” column will become a hypertext link and you will receive an email notification. Refer to Section 3.4.1.
- A designee can only be revoked when the text “Revoke” is displayed in the “Revoke Designation” column.
- Right and left arrows are displayed on the bottom of the screen to move up or down through a large list of designees.

- OR
- To return to the Administration and MOHLTC Services screen, select the hypertext “Return to Administration and MOHLTC Services” near the bottom of the screen to navigate to the Administration and MOHLTC Services screen. Refer to Section 3.4.3.
- OR
- Select the hypertext “Logout” in top right corner of the screen to navigate to the GO Secure Login screen. Close your Internet browser.

Section 4
Designee Registration and Acceptance

4

4 Designee Registration and Acceptance

Note: Screen layout may vary depending on the web browser used.

4.1 Designee GO Secure Registration

This section is used by designees to register one-time only for a GO Secure address using the link provided in your email from GO Secure.

The following checklist provides a summary of steps required by the designee to register for their GO Secure address and accept the health care provider's designation for MC EDT.

4.1.1 GO Secure Registration and Acceptance of Designation Checklist

Note: It is important to follow these instructions. You will be required to open and close your Internet browser several times during the process of registering for GO Secure address and accepting your health care provider's designation for MC EDT.

- Your health care provider should advise you they are adding you as a designee and will ask you for your email.

For First Time Designee

- Open your email and look for a message from GO Secure with subject: "Access created/Accès créé". Select the link to navigate to the GO Secure Login screen. Refer to Section 4.1.2.
- Logout of your email and **close your email browser window**.
- Select the "Register Now" button to register for your GO Secure address. Refer to Section 4.1.3 to 4.1.7.
- **Close your Internet browser.**
- Reopen your email and look for a message from GO Secure with subject: "GO Secure Login – Registration Confirmation". Select the link to display the GO Secure Login screen in another Internet browser window. Refer to Section 4.1.8.
- Logout of your email and close your email browser window.
- Confirm your email address with your GO Secure ID and password. Refer to Section 4.1.9 to 4.1.10.

Note: If you do not do this step you will not be able to continue.

You have completed the registration for your GO Secure address.

- To accept the designation for MC EDT, select hypertext "here" (Refer to Section 4.1.10) and you are navigated to the Designee Enrolment screen.
- Obtain and use the "shared secret" from the health care provider. Refer to

Section 4.2.3.

- Accept the Acceptable Use Policy for Electronic Business Services and navigate to the Success screen. Refer to Section 4.2.7.
- At the Success screen, select “Logout” and **close your Internet browser**.
- Open your email and look for a message from GO Secure with subject: “Designation Confirmation” and select the link to navigate to the GO Secure Login screen. Refer to Section 4.2.8.
- At the GO Secure Login Screen, sign in with your GO Secure ID and password to navigate to the designee Administration and MOHLTC Services screen. Refer to Section 4.2.9.
- At the designee Administration and MOHLTC Services screen, logout and close the Internet browser.

You have completed your Designation Acceptance.

- Notify your health care provider that you have completed the registration and acceptance. Your health care provider will receive an email to authorize your permissions. Refer to Section 4.15.
- Wait for the health care provider to notify you that you have been authorized permissions to upload and download their files and reports.
- To use the MC EDT service, type in the link
<https://www.edt.health.gov.on.ca>
to navigate to the GO Secure Login screen.
- Sign in with your GO Secure ID and password to navigate to the designee Administration and MOHLTC Services screen.
- At the designee “Administration and MOHLTC Services” screen, select an option:
 - a) To upload or download files/reports, select “MC EDT Service”. Refer to Section 5.
 - b) To maintain your GO Secure address, select “GO Secure Profile”. Refer to Section 7.

For Previously Designated

- Open your email and look for a message from GO Secure with subject: “Please Confirm Designated Access/ S’il vous plaît confirmer l’accès désigné”. Select the link to navigate to the GO Secure Login screen. Refer to Section 4.1.2.
- Logout of your email and close your email browser window.
- At the GO Secure Login Screen, key in your GO Secure ID and password and Sign In to navigate to the Designee Acceptance screen.
- You will NOT require a “shared secret”. Accept the health care provider’s designation by selecting the “Accept” button. Refer to Section 4.2.4.

- When you have accepted or rejected all designations the screen will display the message “No outstanding requests”. Select “Logout” and **close your Internet browser**.
- Re-open your email and look for a message from GO Secure with subject: “Designation Confirmation”. Select the link to navigate to the GO Secure Login screen again. Refer to Section 4.2.8.
- At the GO Secure Login Screen, key in your GO Secure ID and password and Sign In to navigate to the designee Administration and MOHLTC Services screen. Refer to Section 4.2.9.

You have completed your Designation Acceptance.

- Notify your health care provider that you have completed the registration and acceptance. Your health care provider will receive an email to authorize your permissions. Refer to Section 3.4.1.
- Wait for the health care provider to notify you that you have been authorized with permissions to upload and download their files and reports.
- To use the MC EDT service, type in the link
<https://www.edt.health.gov.on.ca>
to navigate to the GO Secure Login screen.
- Sign in with your GO Secure ID and password to navigate to the designee Administration and MOHLTC Services screen.
- At the designee “Administration and MOHLTC Services” screen, select an option:
 - a) To upload or download files/reports, select “MC EDT Service”. Refer to Section 5.
 - b) To maintain your GO Secure address, select “GO Secure Profile”. Refer to Section 7.

4.1.2 Designation Email Confirmation

If you have never previously been added as a designee you will receive the following system generated email from GO Secure, when a health care provider has selected you as their designee.

From: <no-reply@ontario.ca>
To: Anne Nicole Gilbert <ANGilbert@email.com>

Hello

A health care provider (First name Last name DrBobEmail@email.com) has designated MOHLTC online access to you.

If you have a GO Secure address:

Select the link below to navigate to the GO Secure Login screen and sign in with your GO Secure ID and password and confirm the designation.

If you do not have a GO Secure address:

Select the below link to navigate to the GO Secure Login screen and select the "Register Now" button to create your address.

The health care provider has been provided a shared secret (PIN) that you will require to confirm your identity.

To accept this designation and confirm your identity you must respond using the link below, within seven calendar days. If you fail to respond within seven days your shared secret will expire.

If you are sharing a computer, the health care provider must first log out of their GO Secure Internet session before you copy this link below.

< LINK >

Refer to the Medical Claims Electronic Data Transfer (MC EDT) Reference Manual for detailed procedures.

Thank you.

Bonjour,

Un fournisseur de soins de santé (prenom nom de famille DrBobEmail@email.com) vous a désigné à des fins d'accès au système électronique du MSSLD.

Si vous avez un compte GO Secure:

Choisissez le lien ci-après pour aller à la page GO Secure Login. Accédez au système à l'aide de votre code d'identification et mot de passe GO Secure, et confirmez la désignation.

Si vous n'avez pas de compte GO Secure:

Choisissez le lien ci-après pour aller à la page GO Secure Login. Appuyez sur le bouton d'inscription pour créer votre compte.

Le fournisseur de soins de santé a reçu un secret partagé (NIP) dont vous aurez besoin pour confirmer votre identité.

Pour accepter cette désignation et confirmer votre identité, vous devez cliquer sur le lien ci-après dans un délai de 7 jours civils. Si vous ne confirmez pas votre identité dans les 7 jours suivants, votre secret partagé expirera.

Si vous utilisez un ordinateur partagé, le fournisseur de soins de santé doit fermer sa session GO Secure avant que vous utilisiez le lien ci-après.

< LINK >

Consultez le manuel de référence pour le transfert électronique de données sur les soins médicaux (en anglais).

Merci.

If you have been previously added as a designee by any health care provider, you will receive the following system generated email from GOSecure, when a health care provider has selected you as their designee.

Bonjour,

Un fournisseur de services de santé vous a désigné pour accéder en ligne au MSSLD (prenom nom de famille DrBobEmail@email.com).

Ce fournisseur de services de santé a reçu un secret partagé (NIP) dont vous aurez besoin pour confirmer votre identité.

Pour accepter cette désignation et confirmer votre identité, vous devez répondre en suivant le lien ci-dessous dans un délai de 7 jours civils. Si vous ne répondez pas dans ce délai, votre secret partagé expirera.

Si vous partagez un ordinateur, le fournisseur de soins de santé doit d'abord se connecter sur leur session Internet de GO Secure avant d'utiliser le lien ci- dessous.

<https://www.iamu.security.gov.on.ca/GoSecureEnrol/eaccess/designate/confirm>

Si vous ne possédez pas de compte GO Secure :

Sélectionnez le lien ci-dessus pour accéder à la page d'ouverture de session de GO Secure et cliquez sur « Inscrivez-vous maintenant » pour créer un compte.

Si vous possédez un compte GO Secure :

Sélectionnez le lien ci-dessus pour accéder à la page d'ouverture de session de GO Secure et ouvrez une session avec votre nom d'utilisateur et mot de passe.

Veuillez consulter le guide de référence sur le transfert électronique de données - demandes de règlement pour services médicaux pour plus de détails sur la procédure.

Merci.

INSTRUCTIONS:

- If you are SHARING a computer, the health care provider must logout of GO Secure/MCEDT and close the Internet browser.
- If you have never previously been added as a designee, obtain the “shared secret” from the health care provider designating you. Open your email and look for a message from GO Secure with subject: “Access created/Accès créé” . Select the link to navigate to the GO Secure Login screen. Refer to Section 4.1.3.

OR

- If you have been previously added as a designee by any health care provider, you do not need to obtain a “shared secret” from the health care provider designating you. Open your email and look for a message from GO Secure with subject: “Please Confirm Designated Access/S’il vous plaît confirmer l’accès désigné”. Select the link to navigate to the GO Secure Login screen. Refer to Section 4.1.3.
- Logout of your email and close your email browser window.

INSTRUCTIONS:

First time designee registration:

- Select the “Don’t have a GO Secure account? Register Now” hypertext to navigate to the Registration: Step 1 of 2 screen. Refer to Section 4.1.4.

OR

Already registered for a GO Secure Address and are a first time designee:

- Key in your GO Secure ID and password.
- Select the “Sign In” button to navigate to the Designee Enrolment Screen. Refer to Section 4.2.

OR

Already registered for a GO Secure Address and have been previously designated:

- Key in your GO Secure ID and password.
- Select the “Sign In” button to navigate to the Designee Acceptance Screen. Refer to Section 4.2.

Note: The “Log in with PKI” button does not apply to MC EDT. Please do not use it.

TIPS:

- If you have already created a GO Secure ID, but forgot your password, or want to create a new password, select the hypertext, "Forgot your ID or password?" to navigate to the Password Recovery – Enter ID screen. Refer to Section 6.
- If you have already created a GO Secure ID, but forgot your GO Secure ID, select the hypertext, "Forgot your ID or password?" to navigate to the Password Recovery – Enter ID screen. Select the hypertext, "Forgot your GO Secure ID". Refer to Section 6.
- Your password will expire in 120 days. You will receive an email seven (7) days in advance advising you of the expiry date to create a new password. Refer to Section 6.
- Your session will time-out if there is no activity in 30 minutes.
- After five (5) consecutive failed attempts, you will be locked out and will be able to generate a new password. Refer to Section 4.1.14.

LAST MODIFIED: 2012-08-01

INSTRUCTIONS:

- Key in your first name, last name
- The “Display Name” field is auto-populated with your first and last name.
- Key in your email address.
- Re-key your email address.
- Select the “Next>” button and you will be navigated to the second step of the registration process, the Registration: Step 2 of 2 screen. Refer to Section 4.1.5.

OPTIONS:

- To cancel this activity, select the “Cancel” button and a “Cancel Confirm” dialogue box will be displayed. Refer to Section 4.1.12.

OR

- To read the authorization to collection personal information and the contact information for questions about the collection of personal information, select the “Notice of Collection” button at the top right hand side of the screen.

TIPS:

- Registration for a GO Secure address is a one-time only process using your email address as a GO Secure ID.
- The email address must be active and can only be associated to one GO Secure address. You may use your personal email address or create a new email address.
- The “Email” field must not contain any of the following special characters:
Space “ () , : ; < > & [\]
- The “Email” field must not contain: “@ontario.ca”.
- The “Middle Name” is optional.
- The “Display Name” is a standard field and is used for informational purposes only.

4.1.5 GO Secure – Security Information

Note: The system will auto-populate the “GO Secure ID” field with the email address that you keyed in the Registration: Step 1 of 2 screen.

This field is not editable.

INSTRUCTIONS:

- Create a “Password” that meets the password policy outlined on the right side of the screen. Refer to TIPS on the following page for details.
- Re-key the same password.
- Select three different “Challenge Questions” and answer the three questions.

- Challenge Question Answers:
 - Cannot be the same as the questions;
 - Cannot contain any word that is used in the question (i.e. School or Street);
 - Must be at least three (3) characters long; and
 - Will not be stored on the system as case sensitive.
- To continue with your registration, select the “Register” button and you will be navigated to the GO Secure Login Terms and Conditions of Use screen. Refer to Section 4.1.6.

OPTIONS:

- To cancel this activity, select the “Cancel” button and a “Cancel Confirm” dialogue box will be displayed. Refer to Section 3.1.14.
- OR
- To start over again at the previous screen, select the “Back” button. Refer to Section 4.1.4.

TIPS:

The “Password” must:

- Not match or contain the “First Name”;
- Not match or contain the “Last Name”;
- Not match or contain the “GO Secure ID”;
- Contain eight (8) to sixteen (16) characters;
- First character must be a letter;
- Have at least one (1) lowercase letter;
- Have at least one (1) uppercase letter;
- Have at least one (1) number;
- Have at least one (1) special character such as:
! @ # %
- Not repeat a letter three (3) times or more;
- Not be re-used for up to eight (8) occurrences; and
- Match the confirm password.

“Password” characters will not be displayed as they are keyed.

“Confirm Password” characters will not be displayed as they are keyed.

Your password will expire in 120 days. You will receive an email seven (7) days in advance advising you of the expiry date and to create a new password. Refer to Section 7.

You must select three different Challenge Questions:

Keep a record of your challenge questions and answers. You will need to answer these correctly when you change your password every 120 days.

After five (5) consecutive failed attempts, you will be locked out for 30 minutes. Refer to Section 4.1.13.

4.1.6 GO Secure – Terms and Conditions of Use

GO Secure Login Terms and Conditions of Use

In return for the Ministry of Government Services providing you with a GO Secure Login ID, you agree to abide by the following Terms and Conditions of Use:

1. You understand and accept that you are at all times responsible for your GO Secure Login ID, Password and Recovery Questions and Answers.
2. If you suspect that others have obtained them, you are responsible for changing your GO Secure Login ID and/or password.
3. You understand and accept that the Government of Ontario can revoke your GO Secure Login ID for security or administrative reasons.
4. You understand and accept that the Government of Ontario disclaims all liability (except in cases of gross negligence or wilful misconduct) in relation to the use of, delivery of or reliance upon the GO Secure Login service.
5. You understand and accept that a record of your registration will be kept in accordance with the [Archives and Record Keeping Act](#) even if you choose to delete your GO Secure Login account. Your account will be removed permanently seven years after it is deleted.
6. Some GO Secure Login Enabled Services may have service-specific Acceptable Use Policies. Please refer to each service's web pages for details.

Hello,

A health care provider (First name Last name DrEmail@email.com) has designated MOHLTC online access to you.

If you have a GO Secure address:

Select the link below to navigate to the GO Secure Login screen and sign in with your GO Secure ID and password and confirm the designation.

If you do not have a GO Secure address:

Select the below link to navigate to the GO Secure Login screen, and select the "Register Now" button to create your address.

The health care provider has been provided a shared secret (PIN) that you will require to confirm your identity.

To accept this designation and confirm your identity you must respond using the link below, within seven calendar days. If you fail to respond within seven days your shared secret will expire.

If you are sharing a computer, the health care provider must first log out of their GO Secure Internet session before you copy this link below.

< LINK >

Refer to the Medical Claims Electronic Data Transfer (MC EDT) Reference Manual for detailed procedures.

Thank you.

2. I shall safeguard and not disclose my access credentials to anyone, including users within my organization and other users of Electronic Business Services.
3. I understand that where Electronic Business Services provides access to personal health information (PHI) I agree not to misuse or disclose any PHI.
4. I shall access Electronic Business Services only for the purpose for which it is intended as determined by the Ministry of Health and Long-Term Care (the ministry).
5. I shall ensure that where applicable, files submitted through the Electronic Business Services conform to the applicable ministry technical specification(s).
6. I shall not allow others to use Electronic Business Services while I am logged in and I shall log out after each session of use.
7. In the event that I suspect that the security of my access credentials has been compromised, I will change my access password immediately.
8. By using Electronic Business Services, I acknowledge that all my Electronic Business Services activity, including access to and use of Electronic Business Services, will be logged and audited by the ministry.
9. I understand that the ministry may, in its sole discretion, revoke and/or suspend my access to Electronic Business Services at any time if I breach this Acceptable Use Policy or where necessary for the security of the Electronic Business Services.
10. I shall cooperate with the ministry if asked to assist in any investigation of any suspected breach of this Acceptable Use Policy.
11. The ministry may revise this Acceptable Use Policy from time to time in its sole discretion.

By clicking the ACCEPT button below, I acknowledge that I have read and agree to comply and use the Electronic Business Services in accordance with this Acceptable Use Policy.

Accept

Do Not Accept

ACCESSIBILITY | PRIVACY

Last Modified: 2017-03-09

INSTRUCTIONS:

- To indicate that you have read and agree to the Acceptable Use Policy for Electronic Business Services, select the “Accept” button to navigate to the Success screen. Refer to Section 4.2.5.

OPTIONS:

- If you do not want to accept the designation to use MC EDT, select the “Do Not Accept” button to navigate back to the Cancel Confirmation screen. Refer to Section 4.2.9.

OR

- Select the hypertext “Logout” in top right corner of the screen to navigate to the GO Secure Login screen. **Close your Internet browser.**

TIPS:

- If you select the “Do Not Accept” button, your acceptance of the designation is incomplete.

4.2.5 Designee Confirmation

Last Modified: 2017-03-09

You are successful in accepting the designation, now you must complete the confirmation.

INSTRUCTIONS:

- To complete the confirmation process, select the hypertext “Logout” in top right corner of the screen to navigate to GO Secure Sign in screen.
- **Close your Internet browser.**
- Re-open your Internet browser and use the following link:
<https://www.edt.health.gov.on.ca>
to navigate to GO Secure Sign in screen. Type in your GO Secure ID and password and navigate to the Administration and MOHLTC Services screen
OR
Look in your email for a message from GO Secure that you have accepted the designation. Select the link to navigate to GO Secure Sign in screen. Type in your GO Secure ID and password and navigate to the Administration and MOHLTC Services screen.
- Refer to Section 4.2.7.

4.2.6 Designee Email “Please Confirm Designated Access/S'il vous plaît confirmer l'accès désigné”.

- If you are SHARING a computer, the health care provider must logout of GO Secure/MCEDT and close the Internet browser.
- Open your email and look for a message from GO Secure with the subject: “Please Confirm Designated Access/S'il vous plaît confirmer l'accès désigné”.

From: <no-reply@ontario.ca>
To: Anne Nicole Gilbert <ANGilbert@email.com>
Sent: Thursday, August 2, 2012 3:58:59 PM
Subject: Please Confirm Designated Access/S'il vous plaît confirmer l'accès désigné

Hello,

A health care provider (First name Last name DrEmail@email.com) has designated MOHLTC online access to you.

If you have a GO Secure address:

Select the link below to navigate to the GO Secure Login screen and sign in with your GO Secure ID and password and confirm the designation.

If you do not have a GO Secure address:

Select the below link to navigate to the GO Secure Login screen, and select the "Register Now" button to create your address.

The health care provider has been provided a shared secret (PIN) that you will require to confirm your identity.

To accept this designation and confirm your identity you must respond using the link below, within seven calendar days. If you fail to respond within seven days your shared secret will expire.

If you are sharing a computer, the health care provider must first log out of their GO Secure Internet session before you copy this link below.

< LINK >

Refer to the Medical Claims Electronic Data Transfer (MC EDT) Reference Manual for detailed procedures.

Thank you.

Bonjour,

Un fournisseur de soins de santé (prenom nom de famille DrEmail@email.com) vous a désigné à des fins d'accès au système électronique du MSSLD.

Ce fournisseur de services de santé a reçu un secret partagé (NIP) dont vous aurez besoin pour confirmer votre identité.

Pour accepter cette désignation et confirmer votre identité, vous devez répondre en suivant le lien ci-dessous dans un délai de 7 jours civils. Si vous ne répondez pas dans ce délai, votre secret partagé expirera.

Si vous partagez un ordinateur, le fournisseur de soins de santé doit d'abord se connecter sur leur session Internet de GO Secure avant d'utiliser le lien ci-dessous.

<LINK>

Si vous ne possédez pas de compte GO Secure :

Sélectionnez le lien ci-dessus pour accéder à la page d'ouverture de session de GO Secure et cliquez sur « Inscrivez-vous maintenant » pour créer un compte.

Si vous possédez un compte GO Secure :

Sélectionnez le lien ci-dessus pour accéder à la page d'ouverture de session de GO Secure et ouvrez une session avec votre nom d'utilisateur et mot de passe.

Veuillez consulter le guide de référence sur le transfert électronique de données - demandes de règlement pour services médicaux pour plus de détails sur la procédure.

Merci.

INSTRUCTIONS:

- Select the link and be navigated to the GO Secure Sign in screen. Refer to Section 4.2.7.

Last Modified: 2017-03-09

INSTRUCTIONS:

- To accept the health care provider’s designation, select the “Accept” button. Refer to Section 4.2.9. The health care provider will receive a system generated email with subject “Designate has confirmed access”. Refer to Section 3.4.

OPTIONS:

- To decline the health care provider’s designation, select the “Reject” button. Your name will be removed from the health care provider’s list of designees.

OR

- Select the hypertext “Logout” on the Menu Bar or in top right corner of the screen to navigate to the GO Secure Login screen. **Close your Internet browser.**

TIPS:

- You can only accept or reject one health care provider at a time.
- When you reject a designation, your name will be removed from the health care provider's list of designees.

4.2.9 Accept/Reject No Outstanding Designations

MINISTRY OF HEALTH AND LONG-TERM CARE

In this example there are no more health care providers for the designee to accept or reject.

INSTRUCTIONS:

- To navigate to the Administration and MOHLTC Services screen, select the text "Return to Administration and MOHLTC Services". Refer to Section 4.2.10

OPTIONS:

- Select the hypertext "Logout" on the Menu Bar or in top right corner of the screen to navigate to the GO Secure Login screen. **Close your Internet browser.**

4.2.10 Administration and MOHLTC Services

uattestdata+au2@gmail.com | Français | Logout

MINISTRY OF HEALTH AND LONG-TERM CARE

The screenshot shows the 'Administration and MOHLTC Services' page. At the top, there is a yellow banner that says 'No services available.' Below this, the page title 'Administration and MOHLTC Services' is displayed. Underneath, there is a dropdown menu labeled 'Working on Behalf of:' with 'Myself' selected. Below that, there is a 'Services:' dropdown menu with 'Select' and an 'Access Service' button. At the bottom of the page, there is a link to 'GO Secure Profile (Change Password, Email, etc)'. The footer contains links for 'ACCESSIBILITY' and 'PRIVACY', and a 'Last Modified: 2017-03-09' date.

At this point, you cannot use the MC EDT Service until the health care provider authorizes permissions for you.

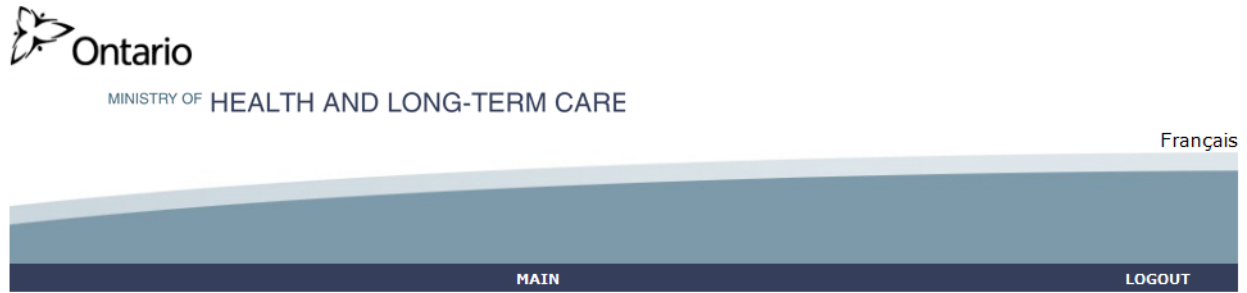

INSTRUCTIONS:

- Select the hypertext “Logout” in top right corner of the screen to navigate to the GO Secure Login screen. **Close your Internet browser.**
- Notify your health care provider that you have completed your registration and acceptance.
- Your health care provider will receive an email with subject “Designate has confirmed access” to authorize your permissions. Refer to Section 3.4.1
- You will receive an email with subject “Designation Confirmation”. Once the health care provider has notified you that your permissions have been authorized, copy this link in the email to navigate to the GO Secure Login page.
- **Close your Internet browser** for your email
- Sign in with your GO Secure ID and password and be navigated to the Administration and MOHLTC Services screen. You can use the MC EDT service to upload and download files. Refer to Section 5.

TIPS:

- The health care provider(s) you have accepted will receive system generated acceptance email(s) with instructions to authorize permissions for uploading and downloading files.
- You cannot upload files or download reports until the health care provider has authorized permissions for you. Refer to Section 4.2.11.

4.2.11 Designee Has No Permissions

INSTRUCTIONS:

- To navigate to the File Upload screen, select the hypertext “Upload”. Refer to Section 5.2.
OR
- To navigate to the Report/File Download screen, select the hypertext “Download”. Refer to Section 5.3.
 - If you are a designee who has been designated by multiple health care providers, refer to Section 5.3.1.
 - If you are a health care provider, or a designee who has been designated to by only one health care provider, refer to Section 5.3.2.

OPTIONS

- To navigate to the Administration and MOHLTC Services screen, select the hypertext “Main” on the menu bar. Refer to Section 5.1.2 or 5.1.4.
OR
- To view your list of designees, select the hypertext “Designated Accounts” on the menu bar. Refer to Section 3.4.
OR
- To add a designee, select the hypertext “Add Designees” on the menu bar. Refer to Section 3.3.
OR
- Select the hypertext “Logout” in the top right corner of the screen to navigate to the GO Secure login screen. **Close your Internet browser.**

TIPS:

- If you are a designee then the Menu Bar options “Designated Accounts” and “Add Designees” will NOT be displayed.
- You can upload a file from any type of medium (e.g. hard drive, USB drive).
- You can download a report to any type of medium (e.g. hard drive, USB drive).

5.1.6 Account Locked

INSTRUCTIONS:

- After five (5) consecutive failed attempts to log on, you will be locked out for thirty (30) minutes.
- If the problem appears to be with your password, select the hyper-text “password recovery” and you will be navigated to the Password Recovery – Enter ID screen. Refer to Section 6.

5.2 File Upload

This section is used by the health care provider or their designee to upload the following files:

- OHIP Medical Claim Files
- Stale Dated Claim Files
- Overnight Batch Eligibility Check (OBEC)
- Reciprocal Hospital Billing

Refer to Section 1 for details.

- **Note:** Only hospitals can upload Reciprocal Hospital Billing files.

5.2.1. MC EDT Web Page – Select Billing Number, File and File Type

INSTRUCTIONS:

- To choose a billing number, select the appropriate billing number from the drop down menu.
- To find a file, select the “Browse” button to locate the file to be uploaded. See the Browse screen example below.
- To choose the type of file to upload, select the file type from the drop down menu.
- To upload the file, select the “Upload” button and you will be navigated to the File Upload Success screen. Refer to section 5.2.3.

Browse Screen Example

- To locate the file to upload, select the drive and subfolders to locate your claims file.
- Select the claims file to populate the “File name” field.
- Select the “Open” button.

OPTIONS:

- Select the “Clear” button and the data fields will display blank fields.
OR
- To navigate back to the MC EDT Web Page – Main Menu, select the “Home” button. Refer to Section 5.1.5
OR
- To navigate to the Administration and MOHLTC Services screen, select the hypertext “Main” on the menu bar. Refer to Section 5.1.2 or 5.1.4.
OR
- To navigate to the Designated Accounts screen, select the hypertext “Designated Accounts” on the menu bar. Refer to Section 3.4.

OR

- To add a designee, select the hypertext “Add Designees” on the menu bar and you will be navigated to the Designee Details screen. Refer to Section 3.3.

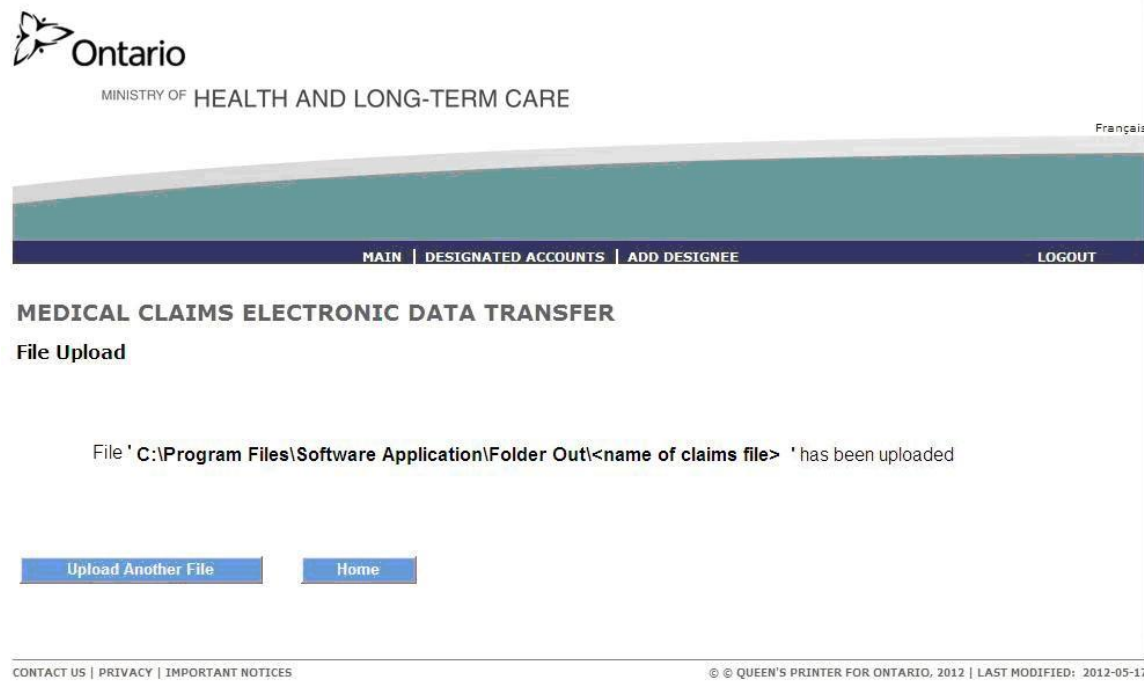

OR

- Select the hypertext “Logout” in the top right corner of the screen and you will be navigated to the GO Secure login screen. **Close your Internet browser.**

TIPS:

- Hospitals will see all options when the “Select file type down arrow is selected, but are only able to upload “Reciprocal Hospital Billing” files.
- If you are a designee for multiple health care providers, you must select the correct health care provider to upload files using the drop down list of billing numbers.
- If you are a designee the options “Designated Accounts” and “Add Designees” will NOT be displayed.
- You can upload a file from any type of medium (e.g. hard drive, USB drive).
- “ * “ indicates mandatory fields.

5.2.2 File Upload - Success

Message indicates that the file was uploaded to the ministry.

INSTRUCTIONS:

- To upload another file, select the “Upload Another File” button and you will be navigated to the File Upload screen. Refer to Section 5.2.1.
OR
- To navigate to the MC EDT Web Page – Main Menu screen, select the “Home” button. Refer to Section 5.1.5.

OPTIONS:

- To navigate to the Administration and MOHLTC Services screen, select the hypertext “Main” on the menu bar. Refer to Section 5.1.2 or 5.1.4.
OR
- To navigate to the Designated Accounts screen, select the hypertext “Designated Accounts” on the menu bar. Refer to Section 3.4.
OR
- To add a designee, select the hypertext “Add Designees” on the menu bar. Refer to Section 3.3.
OR
- Select the hypertext “Logout” on the menu bar and you will be navigated to the GO Secure Login screen. **Close your Internet browser.**

TIPS:

- An error message will be displayed if there was an error during the file upload process. Refer to Section 5.2.3.

5.2.3 File Upload Errors

The screenshot shows the Ontario Ministry of Health and Long-Term Care website. The header includes the Ontario logo, the text "MINISTRY OF HEALTH AND LONG-TERM CARE", a "Français" link, and a navigation bar with "MAIN", "DESIGNATED ACCOUNTS", "ADD DESIGNEE", and "LOGOUT". The main content area is titled "File Upload". It contains three mandatory fields: "Select a Billing Number" (with a dropdown menu showing "999999"), "Select file to upload:" (with a text input field and a "Browse..." button), and "Select file type:" (with a dropdown menu showing "Claim File"). Below these fields, a red error message states "File Upload Unsuccessful" and "The file is too large. The maximum size allowed is 10MB". A legend indicates that asterisks (*) denote mandatory fields. At the bottom of the form are three buttons: "Upload", "Clear", and "Home".

INSTRUCTIONS:

- In this example, a system error has occurred and you are instructed to contact the Service Support Contact Centre. Refer to Section 5.2.4.

In some instances file errors may be corrected and the file may then be uploaded again.

OPTIONS

- Select the hypertext "Logout" in the top right corner of the screen and you will be navigated to the GO Secure login screen. **Close your Internet browser.**
OR
- To navigate to the Administration and MOHLTC Services screen, select the hypertext "Main" on the menu bar. Refer to Section 5.1.2 or 5.1.4.
OR
- To navigate to the Designated Accounts screen, select the hypertext "Designated Accounts" on the menu bar. Refer to Section 3.4.
OR
- To add a designee, select the hypertext "Add Designees" on the menu bar. Refer to Section 3.3.

5.2.4 Report/File Upload Errors

INSTRUCTIONS:

- If the upload attempt is unsuccessful, a system error message will direct you to contact the Service Support Contact Centre (SSCC) at:
1-800-262-6524
Or e-mail: SSContactCentre.MOH@ontario.ca
- Select the hypertext “Logout” in the top right corner of the screen and you will be navigated to the GO Secure login screen. Close your Internet browser.

TIPS:

- Calls placed after hours will not have an option of leaving a voice message – instead health care providers are encouraged to call during the business hours of Monday through Friday, 8:00am to 5:00pm, EST.

5.3 Report/File Download

This section is used by health care providers or their designee to download the following reports/files:

- Remittance Advice Report
- Group Split Remittance Advice Report
- File Reject Report
- Batch Edit Report
- Error Report
- Group Split Error Report
- OBEC Response Report
- Primary Care Reports (Enrolment & Consent Summary Report and Enrolment & Consent Outside Use Report)
- Governance Reports
- General Communication (e.g., planned outage, claims information, request for additional information, Remittance Advice Inquiry response)
- Reciprocal Hospital Billing (only hospitals receive this report)

Refer to Section 1 for details.

5.3.1. MC EDT Web Page – Select a Billing Number

Note: Screen layout may vary depending on the web browser used.
For other browser screen examples (Google Chrome, Mozilla Firefox or Safari) select the following link:

http://www.health.gov.on.ca/en/pro/publications/ohip/mcedt_mn.aspx

The screenshot shows the MC EDT Web Page interface. At the top left is the Ontario logo with the text "MINISTRY OF HEALTH AND LONG-TERM CARE". At the top right is a "Français" link. Below this is a blue header bar with "MAIN" and "LOGOUT" links. The main content area is titled "MEDICAL CLAIMS ELECTRONIC DATA TRANSFER". Under this, there is a "Report Download" section. It contains a label "Select a Billing Number" followed by a dropdown menu. The dropdown menu is open, showing two options: "123456" and "999999". To the right of the dropdown is a red asterisk and the text "* - Mandatory Fields". Below the dropdown are two buttons: "Download" and "Home". At the bottom of the page, there is a footer with links "CONTACT US | PRIVACY | IMPORTANT NOTICES" and copyright information "© © QUEEN'S PRINTER FOR ONTARIO, 2012 | LAST MODIFIED: 2012-05-17".

INSTRUCTIONS:

- To choose a billing number, select the appropriate billing number from the drop down menu.
- To navigate to the List of Reports/Files screen, select the "Download" button.
Refer to Section 5.3.2.

OPTIONS:

- To navigate back to the MC EDT Web Page – Main Menu, select the "Home" button. Refer to Section 5.1.5.
OR
- To navigate to the Administration and MOHLTC Services screen, select the hypertext "Main" on the menu bar. Refer to Section 5.1.2. or 5.1.4.
OR
- Select the hypertext "Logout" on the menu bar and you will be navigated to the GO Secure login screen. **Close your Internet browser.**

TIPS:

- A designee may be authorized to access more than one health care provider's reports and must select the specific health care provider's corresponding billing number from the drop down list.
- "*" indicates mandatory fields.

© © QUEEN'S PRINTER FOR ONTARIO, 2012 | LAST MODIFIED: 2012-05-17

Note: This example does NOT display all the types of reports available for download.

INSTRUCTIONS:

- To download the required report, select the hypertext “Download” in the last column. Refer to Section 5.3.3.

OPTIONS:

- To sort the reports by file type, select “Sort by File Type” button (see TIPS)
OR
- To navigate to the MC EDT Web Page - Main Menu, select the “Home” button.
Refer to Section 5.3.1
OR
- To redisplay the default list of reports, select the “Refresh” button.
OR
- To navigate to the Administration and MOHLTC Services screen, select the hypertext “Main” on the menu bar. Refer to Section 5.1.2 or 5.1.4.
OR

- To navigate to the Designated Accounts screen, select the hypertext “Designated Accounts” on the menu bar. Refer to Section 3.4.

OR

- To add a designee, select the hypertext “Add Designee” on the menu bar. Refer to Section 3.3.

OR

- Select the hypertext “Logout” on the menu bar and you will be navigated to the GO Secure login screen. **Close your Internet browser.**

TIPS:

- It is important to remember to review your downloaded files regularly to ensure you do not miss important ministry communications with the file type GCM. If you have automated software you may want to discuss this with your vendor.
- Only hospitals will view on the list of reports a File type: “RHB” with Subject: “Reciprocal Hospital Billing”.
- “Status” column indicates that the report is “Available” for download, and “Downloaded” indicates that the user has previously downloaded this report.
- “Date” column indicates the date that the report was created.
- All reports displayed are twelve (12) months from the date of creation.
- The sort order of the reports will be by date first (ascending by the date the file was written to the database), followed by the Status (descending).
- The user will be able to scroll down to see all the reports and will also have the ability to sort these reports by “File Type” (ascending), followed by the “Delivery Date” using the “Sort by File Type” button.
- The number of reports displayed will vary by user due to a number of factors that cannot be controlled or monitored, such as monitor size, font size, etc. Scroll down to see all reports.
- If you are a designee, the options “Designated Accounts” and “Add Designees” will **not** be displayed.

5.3.3 Open or Save Report/File

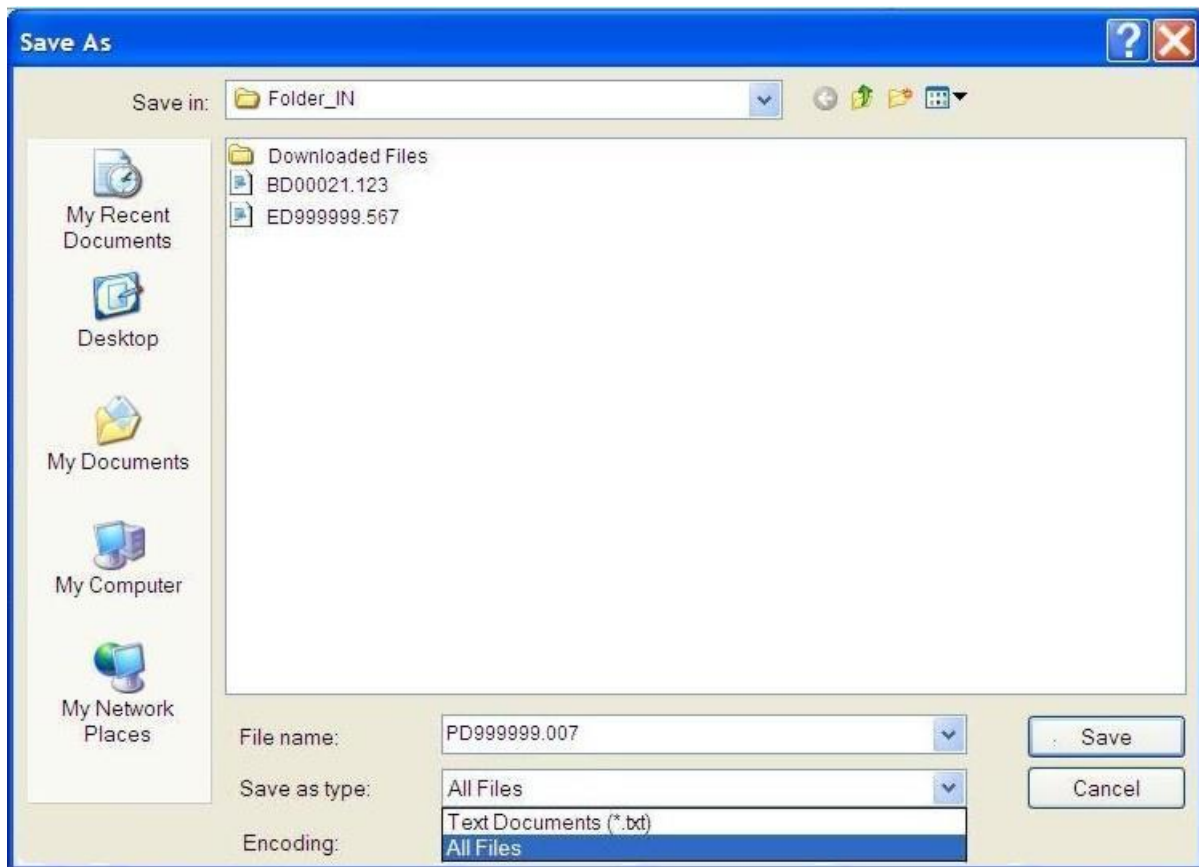

INSTRUCTIONS:

- To save the downloaded report, select the “Save” button. Refer to Section 5.3.4.

OPTIONS:

- To open the downloaded report, select the “Open” button.
- OR
- To cancel the download report action, select the “Cancel” button

5.3.4 Save Report/File

INSTRUCTIONS:

- To choose the location where you want to save the report/file you downloaded, select the down arrow in the “Save in” field at the top of this screen.
- Change the “Save as Type” field to “All Files” using the down arrow.
- Leave the “Encoding” field as “ANSI”.
- To save the report/file to the location indicated, select “Save” button at the bottom right side of this screen. Refer to Section 5.3.5.

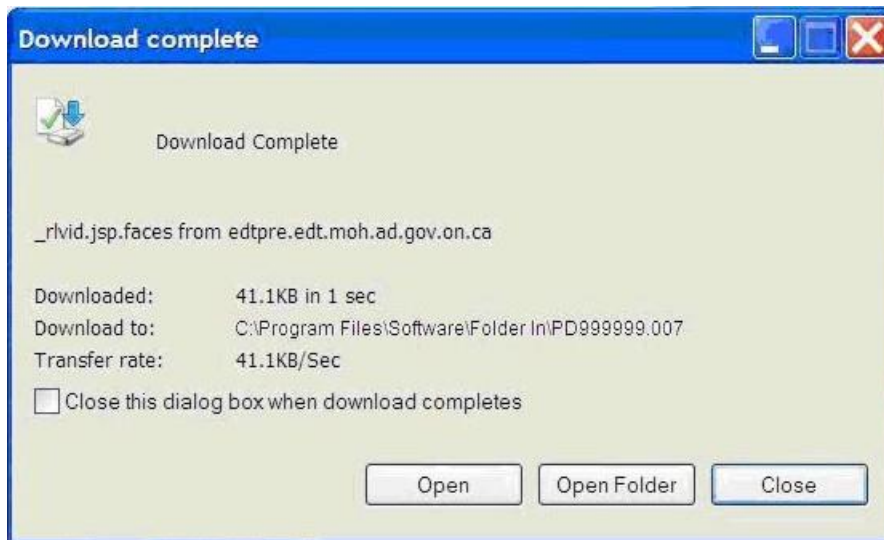

OPTIONS:

- To cancel the Save As action, select “Cancel” button.

TIPS:

- When downloading a report, you have the option of renaming the report by overwriting the file displayed in the “File name” field at the bottom of this screen.

5.3.5 Download Complete

INSTRUCTIONS:

- To close this pop-up window, select the “Close” button. Refer to Section 5.3.6.

OPTIONS:

- To open the report you have selected to download, select the “Open” button.
OR
- To open the folder containing all your downloaded reports/files, select the “Open Folder” button.

TIPS:

- If you select “Open” the file may open in an application such as Notepad which just displays the file as lines of text.
- You must copy the file into the appropriate folder in your software billing program to create a readable report.

OR

- To add a designee, select the hypertext “Add Designee” on the menu bar. Refer to Section 3.3.

OR

- Select the hypertext “Logout” on the menu bar and you will be navigated to the GO Secure login screen. **Close your Internet browser.**

TIPS:

- A report may be downloaded again even if the Status indicated is “Downloaded”.
- If you are a designee then the options “Designated Accounts” and “Add Designees” will NOT be displayed.
- If there was an error during the report download process, an error message will be displayed. Refer to Section 5.3.8.
- “Date” column indicates the date that the report was created.
- All reports displayed are twelve (12) months from the date of creation.
- The sort order of the reports will be by Date first (ascending by the date the file was written to the database), followed by the Status (descending).
- You will be able to scroll down to see all the reports and will also have the ability to sort these reports by “File Type” (ascending), followed by the “Delivery Date” using the “Sort by File Type” button.
- The number of reports displayed will vary by user because a number of factors that cannot be controlled or monitored, such as the monitor size, font size, etc. Scroll down to see all reports.

5.3.7 Report/File Download Errors

INSTRUCTIONS:

- If the download of a file is unsuccessful, a system error message will direct you to contact the Service Support Contact Centre (SSCC) at:
1-800-262-6524
Or e-mail: SSContactCentre.MOH@ontario.ca
- Select the hypertext “Logout” in the top right corner of the screen and you will be navigated to the GO Secure login screen. **Close your Internet browser.**

TIPS:

- Calls placed to the Service Support Contact Centre after hours will not have an option of leaving a voice message – instead health care providers are encouraged to call during the business hours of Monday through Friday, 8:00am to 5:00pm, EST.

From: <no-reply@ontario.ca>

To: Anne Nicole Gilbert

Sent: Tuesday, April 23, 2013 16:13:24

Subject: GO Secure Password Reset

Hello,

Someone – hopefully you – requested a password reset for their GO Secure ID. Your new password is: xedC2kJ@q

Please login immediately to reset your password.

<LINK>

If this was not requested by you, please change your password as a precaution and contact your existing support person for the program that you are trying to access.

Thank you.

INSTRUCTIONS:

- Copy the temporary password (case sensitive).
- Select the link in the email to navigate to the GO Secure Login screen. Refer to Section 6.1.10.
- Logout of your email account and close the web browser page/tab for your email, leaving the web browser page/tab for GO Secure open.

TIPS

- If you do not find this email in your Inbox folder, check your Junk folder.

Reset Changes Update

[CONTACT US](#) | [ACCESSIBILITY](#) | [PRIVACY](#) | [HELP](#)

© QUEEN'S PRINTER FOR ONTARIO, 2012 | [IMPORTANT NOTICES](#) | SYSTEM ID: 1

INSTRUCTIONS:

- Select any of the data entry fields on the screen to change the information currently displayed.
- Select the “Update” button and a message is displayed on the top of the screen, “Thank you, your GO Secure account has been updated successfully.”

OR

- To cancel any changes you made and return the information to the original defaults, select the “Reset Changes” button.

OPTIONS:

- If you change your email address in the “Email” and “Confirm Email” fields, you will be navigated to a GO Secure – Login ID Updated screen. Refer to Section 8.5.
- To change your password, select the text “Change Your Password”. Refer to Section 8.6.

OR

- To change your security questions and answers, select the text “Security Questions & Answers”. Refer to Section 8.7.

OR

- To view your current roles, select the text “Your GO Secure Roles”. Refer to Section 8.9.

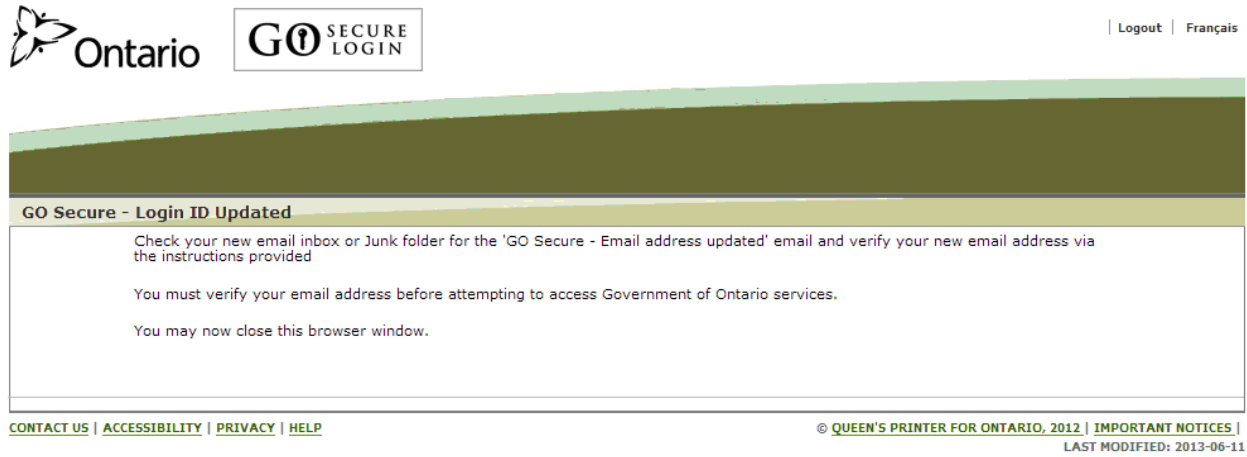

OR

- To return to the Administration and MOHLTC Services screen, select the hypertext “<<Return to previous site”. Refer to 8.2 or 8.3

TIPS:

- You cannot edit the email address displayed in the greyed out “GO Secure ID” field. If you change your email address in “Email” and “Confirm Email” fields and select the “Update” button, then the GO Secure ID will be changed to the new email address.
- If the screen displays a text box with the following text “Reminder Please validate your email ! Resend my validation email”, refer to Section 8.10.

8.5 GO Secure - Login ID Updated

INSTRUCTIONS:

- As instructed on this screen, close your browser window.
- Open your browser window and access your email account.
- Locate the email from GO Secure with the subject “GO Secure – Email address updated”. Refer to Section 3.1.7 or 4.1.8. Copy this link in the email to navigate to the GO Secure Login screen to key in your new GO Secure ID/email and password to complete the process. Refer to Section 3.1.8. or 4.1.9.

8.6 Change Password

The screenshot shows the 'GO Secure LOGIN' interface. At the top left is the Ontario logo. At the top right are links for 'Logout' and 'Français'. The main heading is 'Security Information'. Below this, there's a section titled 'Select a Password:' which includes a 'GO Secure ID' field with the value 'youremail@email.com', and three password fields: 'Old Password', 'Password', and 'Confirm'. Below these fields are 'Cancel' and 'Update' buttons. To the right of the password fields is a 'Password Policy' box listing the following requirements:

- Must not match or contain first name.
- Must not match or contain last name.
- Must not match or contain user ID.
- Must be at least 8 characters
- Must contain lower case letter(s)
- Must contain number(s)
- Must contain upper case letter(s)
- Must contain symbol(s) such as !, @, #, %
- Must start with a letter.
- Cannot repeat a letter 3 times or more.
- Passwords must match

At the bottom of the page, there are links for 'CONTACT US', 'ACCESSIBILITY', 'PRIVACY', and 'HELP'. On the right, it says '© QUEEN'S PRINTER FOR ONTARIO, 2012 | IMPORTANT NOTICES |' and 'LAST MODIFIED: 2012-08-01'.

INSTRUCTIONS:

- Key in your old password.
- Key in a new password that meets the password policy.
- Re-key the same password to confirm.
- Select the “Update” button to save the information keyed to navigate back to the Go Secure Login – Your Profile screen (Refer to Section 8.4) and a message will be displayed at the top of the screen “Thank you, your GO Secure Password was updated successfully”.

OPTIONS:

- To cancel this activity, select the “Cancel” button to navigate back to the GO Secure Login – Your Profile screen. Refer to Section 8.4.

OR

- Select the hypertext “Logout” in the top right corner of the screen to navigate to the GO Secure Login screen and close your Internet browser.

TIPS:

The “Password” must:

- Not match or contain the “First Name”;
- Not match or contain the “Last Name”;

- Not match or contain the “GO Secure ID”;
- Contain eight (8) to 16 characters;
- First character must be a letter;
- Have at least one (1) lowercase letter;
- Have at least one (1) uppercase letter;
- Have at least one (1) number;
- Have at least one (1) special character such as:
! @ # %
- Not match or contain the “GO Secure ID”;
- Not repeat a letter three (3) times or more;
- Not be re-used for up to eight (8) occurrences; and
- Match the confirm password.

“Password” characters will not be displayed as they are keyed.

“Confirm Password” characters will not be displayed as they are keyed.

If you attempt to reuse the same password more than eight (8) times, a message will be displayed on the “Security Information” screen, “Please use a password that wasn’t used recently.”

Your password will expire in 120 days. You will receive an email seven (7) days in advance advising you of the expiry date and a link to create a new password. Refer to Section 7.

You may change the security questions and/or answers.

INSTRUCTIONS:

- Key in your password.
- Re-key the same password to confirm.
- To change any of the security questions, select the down arrow beside each of the challenge questions to select a new question from the drop down list and provide an answer in the "Answer" input fields.
- Select the "Update" button to save the updated questions and/or answers and navigate back to the GO Secure Login – Your Profile screen (Refer to Section 8.4). A message will be displayed at the top of the screen "Thank you, your GO Secure security answers were updated successfully."

OR

- To cancel this activity, select the "Cancel" button to navigate back to the GO Secure Login – Your Profile screen. Refer to Section 8.4.

OPTIONS:

- Select the hypertext “Logout” in the top right corner of the screen to navigate to the GO Secure Login screen and close your Internet browser.

TIPS:

- The “Answers”:
 - Must not match or contain any text used from the question;
 - Are not case-sensitive.

8.9 Display GO Secure Roles

The screenshot shows the 'GO Secure Login - Your Profile' page. At the top left is the Ontario logo. To its right is the 'GO SECURE LOGIN' logo. In the top right corner, there are links for 'Logout' and 'Français'. The main content area is titled 'GO Secure Login - Your Profile' and contains a section 'Your GO Secure Roles'. Under this section, three roles are listed: 'Health Service HCV', 'Health Service User', and 'Health Service MCEDT'. A 'Cancel' button is located at the bottom right of the roles list. At the bottom of the page, there is a footer with links for 'CONTACT US', 'ACCESSIBILITY', 'PRIVACY', and 'HELP'. On the right side of the footer, it says '© QUEEN'S PRINTER FOR ONTARIO, 2012 | IMPORTANT NOTICES |' and 'LAST MODIFIED: 2012-08-01'.

This screen only displays your GO Secure Roles.

INSTRUCTIONS:

- To cancel this activity, select the “Cancel” button to navigate back to the GO Secure Login – Your Profile screen. Refer to Section 8.4.

OPTIONS:

- Select the hypertext “Logout” in the top right corner of the screen to navigate to the GO Secure Login screen and close your Internet browser.

8.10 Resend Validation Email

The screenshot shows the 'GO Secure Login - Your Profile' page. At the top left is the Ontario logo and 'GO SECURE LOGIN' text. At the top right are links for 'Logout' and 'Français'. Below the header is a green banner with the text 'GO Secure Login - Your Profile'. The main content area is divided into two columns. The left column has a 'GO SECURE LOGIN' logo and a 'GO Secure Login - Security' section with links for 'Change Your Password', 'Security Questions & Answers', and 'Your GO Secure Roles'. The right column has a 'Reminder' box with the text 'Please validate your email ! [Resend my validation email](#)'. Below this is the 'Your Profile' section. It contains several form fields: '* GO Secure ID (Email Address)' with a text box containing 'youremail@email.com'; '* Email' with a text box containing 'youremail@email.com'; '* Confirm Email' with a text box containing 'youremail@email.com'; '* First Name' with a text box containing 'First'; 'Middle Name' with a text box; '* Last Name' with a text box containing 'Last'; 'Language' with a dropdown menu set to 'English'; and '* Display Name' with a text box containing 'First Last'. There are 'Reset Changes' and 'Update' buttons at the bottom right of the form. A red asterisk indicates required fields. At the bottom of the page are links for 'CONTACT US', 'ACCESSIBILITY', 'PRIVACY', and 'HELP', and a copyright notice for '© QUEEN'S PRINTER FOR ONTARIO, 2012 | IMPORTANT NOTICES |'.

This screen has a message box displayed if the user has not confirmed their email and cannot find the email from GO Secure in their email inbox or Junk folder. You must confirm your GO Secure ID to be able to use ministry services.

INSTRUCTIONS:

- Select the text “Resend my Validation email” in the message box.
- Select the hypertext “Logout” in the top right corner of the screen to navigate to the GO Secure Login screen and close your Internet browser.
- Reopen your browser and check your email account Inbox or Junk folder for an email from GO Secure with the subject “GO Secure Login Registration Confirmation”. Refer to Section 3.1.7 or 4.1.8.
- Copy this link in the email to navigate to the GO Secure Login screen to key in your new GO Secure ID/email and password to complete the process. Refer to Section 3.1.8. or 4.1.9.

8.11 GO Secure ID – Email Validation Not Completed

INSTRUCTIONS:

- As instructed on this screen, close your browser window.
- Re-open your browser and check your email account Inbox or Junk folder for an email from GO Secure with the subject "GO Secure Login Registration Confirmation". Refer to Section 3.1.7 or 4.1.8.
- Copy this link in the email to navigate to the GO Secure Login screen to key in your new GO Secure ID/email and password to complete the process. Refer to Section 3.1.8. or 4.1.9.

Section 9
Technical Requirements

9

9 Technical Requirements

The ministry requires the following **minimum** technical requirements to use the **MC EDT web page or site**:

- An Internet connection
- A computer with a supported Windows or a Macintosh operating system and one of the following recommended browsers:

Windows OS

Firefox 3.6 or later
Google Chrome 15.0 or later

Mac OS

Firefox 11.0 or later
Google Chrome 19.0 or later
Safari 5.0 or later

- **The browser versions published above have been tested by the ministry. Using Internet browsers with versions older than the published standard may impact how the GO Secure or MC EDT web pages are displayed or function.**
- Best viewed with 1280 x 1024 screen resolution.
- “Cookies” enabled.
- Javascript enabled.
- File formats that conform to the Technical Specifications.

The **minimum** requirements for the **MC EDT web service** may be different depending on the Clinical Management System (CMS) or Electronic Medical Records (EMR) software application.

Contact your vendor/billing agent to identify what their minimum requirements are for your office to use their EMR software application.

9.1 Technical Specifications

Specific technical specifications are required for authorized MC EDT users to send (upload) files and to receive (download) files sent electronically from the ministry to an MC EDT user. The specifications are technical and are intended to be used by vendors or I&IT technical support individuals.

The claims file format requirements for use with both the web page and the web service are listed in the ministry's *Technical Specifications Interface to Health Care Systems* manual located on the ministry website at:

<https://www.ontario.ca/page/ohip-publications-medical-claims-and-health-card-validation>

The generic security requirements and related protocols for ministry services are listed in the ministry's Technical Specifications for MOHLTC Electronic Business Services located on the ministry website at:

<https://www.ontario.ca/page/ohip-publications-medical-claims-and-health-card-validation>

The technical requirements for the development of applications and products that support communication with MOHLTC's MC EDT system via Electronic Business Services are listed in the ministry's Technical Specifications for Medical Claims Electronic Data Transfer (MC EDT) Service via Electronic Business Services, located on the ministry website at:

<https://www.ontario.ca/page/ohip-publications-medical-claims-and-health-card-validation>

The technical requirements for the development of Health Card Validation (HCV) application via Electronic Business Services are listed in the ministry's Technical Specifications for Health Card Validation (HCV) Service via Electronic Business Services, located on the ministry website at:

<https://www.ontario.ca/page/ohip-publications-medical-claims-and-health-card-validation>

If you experience technical problems with the MC EDT service, the first point of contact is your I&IT technical support or vendor. If your I&IT support or vendor requires technical assistance from the ministry, they may contact the ministry's Service Support Contact Centre (SSCC) at:

1-800 262-6524

Or e-mail: SSContactCentre.MOH@ontario.ca

Calls placed to the Service Support Contact Centre after hours will **not** have an option of leaving a voice message – instead health care providers are encouraged to call during the business hours of Monday through Friday, 8:00am to 5:00pm, EST.

Section 10
Conformance Testing

10

10 Conformance Testing

Conformance testing is required for all software that interacts with the MC EDT web service to ensure compliance with the ministry's specifications and to obtain a production key specific to the software version prior to receiving production access. The ministry's Conformance Testing Service will confirm the software meets the ministry's specifications and will protect the ministry's production environment from external influences.

It should be noted that individual users are not required to complete conformance testing, only software vendors.

If the ministry makes technical specification changes or significant changes are made to how the vendor software interacts with the MC EDT software, conformance testing must be completed and a new production key issued.

The Conformance Testing Service will include communicating details of test data required for software vendor/ developer use. Furthermore, the account set up, confirming test outcomes and assistance with troubleshooting relevant to technical specifications is also offered.

When testing is complete, test results will be reviewed for compliance with the technical specifications and a recommendation will be made for access to the production environment.

Vendors/developers will receive a conformance key for use in the conformance environment which will be replaced by a production key upon successful completion of conformance testing. This conformance key must be embedded into every web service transaction.

Refer to the technical specifications posted on the ministry website:
http://www.health.gov.on.ca/english/providers/pub/pub_menus/pub_ohip.html

10.1 Conformance Testing Steps for Vendors

- When the software development is complete, contact the Service Support Contact Centre (SSCC) at:
1-800-262-6524
or by email: SSContactCentre.MOH@ontario.ca
to begin the conformance testing process.
- You must complete and sign the Conformance Testing Acceptable Use Policy and scan and email it back to the ministry. Please insert in the subject line of the email “**MC EDT Conformance Testing**” to expedite escalation of these requests.
- You can obtain a copy of the “Vendor Application for Conformance Testing - Acceptable Use Policy” online at the following link:
http://www.health.gov.on.ca/en/pro/forms/ohip_fm.aspx
- The ministry will contact you to assign a conformance testing slot and supply all required test data including a temporary conformance testing key.
- You will work directly with the conformance testing team throughout the testing process.
- Upon successful completion, the ministry will contact you and supply the necessary authorization for production access including a production key.
- If you fail to complete conformance testing within the scheduled timeframe, access to the test environment will be terminated and a new testing window will be negotiated.

For more information regarding conformance testing requirements, contact the Service Support Contact Centre (SSCC) at:

1-800-262-6524
or by email: SSContactCentre.MOH@ontario.ca

Calls placed to the Service Support Contact Centre after hours will not have an option of leaving a voice message – instead health care providers are encouraged to call during the business hours of Monday through Friday, 8:00am to 5:00pm, EST.

Section 11
Frequently Asked Questions

11

11 Frequently Asked Questions

11.1 General

1. Should I be using the web page or the web service to access MC EDT?

The decision to use the web page or the web service is dependent on what type of billing software or clinical management system your office uses.

The web page has file upload and download functions that are provided for users who do not have integrated billing or Electronic Medical Record (EMR) systems.

The web service is for use with fully automated Electronic Medical Record (EMR) or billing software for MC EDT.

2. I don't have a software vendor. Do I need one?

If you plan to use the web page you do not need a vendor. You will need the appropriate hardware and software including billing software. If you plan to use the web service you will need a software vendor.

3. How do I find a software vendor?

The ministry does not promote any vendor over another and therefore does not provide a list of vendors. You may wish to contact your professional association for a list of vendors or talk to your colleagues who have already registered for MC EDT.

11.2 Using MC EDT

1. How do I start using MC EDT?

- Determine whether you will be using the web page or the web service.
- If you are using the web page:
 - Confirm your hardware and software meet the minimum technical requirements published in Section 9;
 - For health care providers, register for a GO Secure account and enrol in MC EDT as described in Section 3;
 - For designees, register for a GO Secure account and accept the designation as described in Section 4; and
 - Refer to Section 5 for detailed procedures on using the MC EDT web page functions.
- If you are using the web service:
 - Contact your software vendor to obtain the appropriate software;
 - For health care providers, register for a GO Secure account and enrol in MC EDT as described in Section 3; and
 - For designees, register for a GO Secure account and accept the designation as described in Section 4.

2. Are all health care providers required to register for a GO Secure account and enrol in ministry services?

If you submit claims using your solo billing number you must register for a GO Secure account and enrol in MC EDT service before you are eligible to use the service.

If you are an affiliate of a group and only bill under the group billing number and do not bill using your individual or solo billing number, you are not required to set up an individual GO Secure account unless you require access to group reports.

3. I'm a designee and I can't see my health care provider's reports.

Ask your health care provider if they have granted you the appropriate permissions.

4. My password expired. What do I do?

Logon to your GO Secure Account and using the online application, create a new password.

5. I can't remember my GO Secure ID?

Select "Forgot Your Password" on the GO Secure Login Screen and then select the text "Forgot your GO Secure ID?"

6. I received multiple requests to be a designee. Which shared secret do I use?

You only need to use one "shared secret". Once your designee account is established you can use it as a designee for multiple health care providers as long as you accept the designation. Refer to Section 4.2.4 for details.

7. My shared secret doesn't work.

Your "shared secret" may have expired. Ask the health care provider who is requesting the designation to check the status online. The health care provider can regenerate a new "shared secret".

8. What is a shared secret?

A "shared secret" is a system generated code used by the designee to complete the enrolment. The "shared secret" is sent to the designating health care provider who must pass it on to the designee.

9. What are unique identifiers?

Unique identifiers are ministry provided codes that authenticate you to the ministry and are required as part of the MC EDT enrolment process.

11.3 Contact

1. Where are the OHIP processing offices located?

Select the following link for a list of OHIP processing offices.

<http://www.health.gov.on.ca/en/pro/programs/ohip/claimsoffice/default.aspx>

2. Who do I contact if I have MC EDT questions?

Contact the Service Support Contact Centre (SSCC) at:

1-800 262-6524

Or e-mail: SSContactCentre.MOH@ontario.ca

Calls placed to the Service Support Contact Centre after hours will not have an option of leaving a voice message – instead health care providers are encouraged to call during the business hours of Monday through Friday, 8:00am to 5:00pm, EST.

3. Who do I contact if I have technical question or issue?

Contact your software vendor for any technical questions or issues.

4. Who do I call for claim payment inquiries?

Contact your local claims processing office.

Mandatory field, please enter a value.	“Unique Identifier #2” is a mandatory field that has not been completed.	Key in “Unique Identifier #2”.
Your identifier was not found, please re-enter.	“Unique Identifier #1” is not valid.	Check and key in “Unique Identifier #1”.
Your identifier was not found, please re-enter.	“Unique Identifier #2” is not valid.	Check and key in “Unique Identifier #2”.
Already enrolled with a GO Secure Account with these identifiers.	Health care provider has already enrolled with a GO Secure Account using these identifiers.	You have already registered for MC EDT, call the Service Support Contact Centre at: 1-800-262-6524
Unable to contact the MOHLTC identity service, cannot verify identity at this time. Please try again later (Error Code MOHLTC_CONNECT_ERROR)	A problem occurred with the system.	Try again later. If error persists, it is a system problem. Call the Service Support Contact Centre at: 1-800-262-6524

3.2.5 Identification – Migrating EDT User

MESSAGE	EXPLANATION	ACTION
Mandatory field, please enter a value.	“Unique Identifier #1” is a mandatory field that has not been completed.	Key in “Unique Identifier #1”.
Mandatory field, please enter a value.	“Unique Identifier #2” is a mandatory field that has not been completed.	Key in “Unique Identifier #2”.
Mandatory field, please enter a value.	“Unique Identifier #3” is a mandatory field that has not been completed.	Key in “Unique Identifier #3”.
Your identifier was not found, please re-enter.	“Unique Identifier #1” is not valid.	Check and key in “Unique Identifier #1”.
Your identifier was not found, please re-enter.	“Unique Identifier #2” is not valid.	Check and key in “Unique Identifier #2”.
Your identifier was not found, please re-enter.	“Unique Identifier #3” is not valid.	Check and key in “Unique Identifier #3”.
Already enrolled with a GO Secure Account with these identifiers.	Health care provider has already enrolled with a GO Secure Account using these unique identifiers.	You have already registered for MC EDT, call the Service Support Contact Centre at: 1-800-262-6524
Unable to contact the MOHLTC identity service, cannot verify identity at this time. Please try again later (Error Code MOHLTC_CONNECT_ERROR).	A problem occurred with the system.	Try again later. If error persists, it is a system problem. Call the Service Support Contact Centre at: 1-800-262-6524

3.2.8 GO Secure Login to Complete Confirmation

Refer to 3.1.2 of this Appendix.

3.2.9 Health Care Provider Administration and MOHLTC Services

MESSAGE	EXPLANATION	ACTION
You do not have authorization to perform this function.	A Billing Agent cannot assign a designee.	Billing Agents must not select the Designee Maintenance option.

3.3.2 GO Secure Sign in

Refer to 3.1.2 of this Appendix.

3.3.6 Add Designee Basic Information

MESSAGE	EXPLANATION	ACTION
Mandatory field, please enter a value.	“Full Name” is a mandatory field that has not been completed.	Key in full name.
Please use „2” characters.	“Full Name” requires two (2) or more characters.	Key in full name with two (2) or more characters.
Mandatory field, please enter a value.	“Email” is a mandatory field that has not been completed.	Key in email account.
Please use „5” characters.	“Email” requires five (5) or more characters.	Key in email with five (5) or more characters.
Sorry, cannot save duplicate user information for <DesigneeEmail@email.com>	This designee’s email account has already been entered for a designee.	The designee may be sharing an email account. Each designee must have a separate and unique email account.

3.4.2 GO Secure Sign in

Refer to 3.1.2 of this Appendix.

3.4.5 Assign Permissions to Designee

MESSAGE	EXPLANATION	ACTION
No fields have been selected, select one of more of the permission fields/files and select again.	You have selected “Save” button, and not checked any files or reports for a new designee.	Make a selection or select the “Return” button.
No changes were made to the permissions.	No changes to the checkboxes were made for a designee that has previously been assigned permissions and you have selected “Save” button.	Make changes to the assigned permissions or select “Return” button.
Save the permissions prior to switching Billing Numbers.	While assigning permissions to a Billing Number, the health care provider attempts to select a different Billing Number before selecting “Save” button.	Select “Save” button to save the assigned permissions for the selected Billing Number before selecting another Billing Number.
System Error (Contact the ministry at 1-800-262-6524).	A problem occurred with the system.	Call the Service Support Contact Centre at: 1-800-262-6524

4.1.3 Designee - GO Secure Register/Login - Start

Refer to 3.1.2 of this Appendix.

4.1.4 Designee - GO Secure Login – Basic Information

Refer to 3.1.3 of this Appendix.

4.1.5 Designee - GO Secure Login – Security Information

Refer to 3.1.4 of this Appendix.

4.1.8 Email for Registration Confirmation

Refer to 3.1.8 of this Appendix.

4.2.2 Designee- GO Secure Sign In

Refer to 3.1.2 of this Appendix.

4.2.3 Designee Keys Shared Secret

MESSAGE	EXPLANATION	ACTION
Unable to verify your identity with the confirmation shared secret data. Please re-enter the shared secret.	“Shared Secret” does not match the shared secret recorded on the system.	Key in the shared secret.
Shared secret was not entered correctly twice, please re-enter.	“Confirm Secret” does not match the shared secret that was keyed in.	Key in the same shared secret to confirm.
Shared secret has expired, please ask the person designating access to regenerate the code. You need to confirm access within 7 calendar days of receiving the e-mail.	“Shared Secret” expires within seven (7) calendar days of receiving the e-mail.	Contact your health care provider to regenerate the shared secret and use it within seven (7) calendar days.
Access is locked due to too many incorrect attempts.	After five (5) consecutive failed attempts, you will be locked out for 30 minutes.	Close your Internet browser, wait 30 minutes and then try again.

4.2.9 Accept/Reject No Outstanding Designations

Refer to 3.1.2 of this Appendix.

5.1.4 Designee’s Administration and MOHLTC Services

MESSAGE	EXPLANATION	ACTION
“Error: Service User [insert name] is no longer authorized to access this service. Service access is denied.”	The health care provider selected to work on behalf of is no longer authorized to access the selected service.	Select a different health care provider, contact the provider or call the Service Support Contact Centre at: 1-800-262-6524

5.2.2 File Upload

MESSAGE	EXPLANATION	ACTION
A File must be selected.	The Upload button was selected but no upload file was selected.	File must be selected.
The file to be uploaded does not match the File Type selected.	File Type selected must match the file to be uploaded.	Make correction. Example: for an OBEC file, select OBEC File Type.
File Upload Unsuccessful.	An error has occurred with the upload.	Determine the source of the error and make the necessary correction to re-upload the file.
Call the Ministry of Health and Long-Term Care at 1-800-262-6524.	A system problem has occurred.	Call the Service Support Contact Centre at: 1-800-262-6524

5.3.6 Download Status

MESSAGE	EXPLANATION	ACTION
File Download Unsuccessful.	A system problem has occurred.	Call the Service Support Contact Centre at: 1-800-262-6524

6.1.1 Forget Password - Password Recovery – Enter ID

MESSAGE	EXPLANATION	ACTION
Sorry, security questions are not available for this ID.	Email address is incorrect or has never been used to register for a GO Secure account.	Enter your correct “GO Secure ID”.
Please enter a value.	Email address is a mandatory field that has not been completed.	Key in email address.
Please use a minimum of '5' characters.	Email address requires a minimum of five (5) characters.	Key in email address.

6.1.2 Forget Password - Password Recovery - Security Questions

MESSAGE	EXPLANATION	ACTION
Security Answer #1, # 2, #3 errors.	Refer to 3.1.4 of this Appendix.	Refer to security error message and action in Section 3.1.4 of this Appendix.
Please use a minimum of '3' characters.	The answers to one or more of the security questions are not correct.	Key in the correct answers to your three (3) security questions with three (3) or more characters.
Sorry, the password reset attempt was unsuccessful, please check your answers. Please try again.	The answers to one or more of the security questions are not correct.	Key in the correct answers to your three (3) security questions.
Password error.	Refer to 3.1.4 of this Appendix.	Refer to password error message and action in Section 3.1.4 of this Appendix.
Confirm Password error.	Refer to 3.1.4 of this Appendix.	Refer to password error message and action in Section 3.1.4 of this Appendix.
Please use a password that wasn't used recently.	You have exceeded the maximum number of times the same password may be reused (maximum of eight (8) occurrences).	Key in a different password that meets the password policy.

7.1 GO Secure Login

Refer to 3.1.2 of this Appendix.

7.1.5 Change Password

MESSAGE	EXPLANATION	ACTION
Password error.	Refer to 4.1.3 of this Appendix.	Refer to password error message and action in Section 3.1.4 of this Appendix.
Confirm Password error.	Refer to 4.1.3 of this Appendix.	Refer to confirm password error message and action in Section 3.1.4 of this Appendix.

7.1.6 Security Questions and Answers

MESSAGE	EXPLANATION	ACTION
Password error.	Refer to 3.1.4 of this Appendix.	Refer to password error message and action in Section 3.1.4 of this Appendix.
Confirm Password error.	Refer to 3.1.4 of this Appendix.	Refer to confirm password error message and action in Section 3.1.4 of this Appendix.
Security Question #1, # 2, #3 errors.	Refer to 3.1.4 of this Appendix.	Refer to security error message and action of Section 3.1.4 of this Appendix.
Security Answer #1, # 2, #3 errors.	Refer to 3.1.4 of this Appendix.	Refer to security error message and action in Section 3.1.4 of this Appendix.

8.4 Current GO Secure Login Your Profile

MESSAGE	EXPLANATION	ACTION
Please use a minimum of '5' characters.	GO Secure ID requires a minimum of eight (8) characters.	Key in a GO Secure ID with eight (8) or more characters.
Please enter a value.	Email address is a mandatory field that has not been completed.	Key in email address.
Please use a minimum of '5' characters.	Email address requires a minimum of five (5) characters.	Key in email address.
Please enter a value.	First Name is a mandatory field that has not been completed.	Key in first name.
Please use a minimum of '2' characters.	First Name requires a minimum of two (2) characters.	Key in first name with two (2) or more characters.
Please enter a value.	Last Name is a mandatory field that has not been completed.	Key in last name.
Please use a minimum of '2' characters.	Last Name requires a minimum of two (2) characters.	Key in last name with two (2) or more characters.
Please enter a value.	Display name is a mandatory field that has not been completed.	Key in a display name.

Section 13
Appendix B – Glossary

13

13 Appendix B Glossary

TERM	DEFINITION
Billing Agent	An agent authorized by a health care provider or a group of health care providers, to submit claims data electronically for processing by the ministry and/or to reconcile payment data.
Billing Number	A unique identifier that is assigned to a health care provider who is registered with MOHLTC for the purpose of submitting claims for insured services.
Designee	An individual who have been given permission by a health care provider to electronically interact with the ministry on behalf of that health care provider.
Display Name	A field that is defaulted to the user's first name and last name.
Download	The process of receiving a file from another computer.
GO Secure Identification (ID)	An electronic identity provided by the Government of Ontario for obtaining access to designated government services.
Health Care Provider (HCP)	Individual, group or facility licensed to provide health care services to eligible residents of Ontario.
Log off	The process of terminating a connection with a computer system or peripheral device in an orderly fashion.
MC EDT	Medical Claims Electronic Data Transfer.
MOHLTC	Ministry of Health and Long-Term Care.
MOHLTC Electronic Business Services (EBS)	A framework within which the ministry delivers electronic services to health care providers.
Overnight Batch Eligibility Checking (OBEC)	Electronic service that allows an authorized user to submit a formatted file of health numbers/version codes to the ministry for validation before a health service is provided.
Password	A secret piece of information intended to corroborate an identity claim.
Report	A file sent from the ministry's information system in response to data that has been processed.

TERM	DEFINITION
Shared Secret	A system generated code used by the designee to complete the enrolment. The shared secret is sent to the designating health care provider who must pass it on to the designee.
Unique ID	Unique identifiers are ministry provided codes that authenticate the health care provider to the ministry and are required as part of the MC EDT enrolment process.
Upload	The process of sending a file to another computer.
Web Page	A simple web user interface for health care providers that do not have an automated system. This interface provides the basic functions to submit and retrieve files one at a time.
Web Service	A web user interface that allows Electronic Medical Records (EMR) systems or billing software to provide automated interfaces to initiate multiple concurrent uploads and downloads.
Working on Behalf of (WOBO)	A drop down list with a search function for designees used to select a health care provider to access services on behalf of.

Section 14
Appendix C – Working on Behalf of List

14

14 Appendix C – Working on Behalf of List

This section describes the features of the new “Working on Behalf of” (WOBO) list that appears on the “Administration and MOHLTC Services” page for all designees and health care providers who are designees for other health care providers.

14.1 Selecting a Health Care Provider from the WOBO List

The “Working on Behalf of” list allows a designee to access services as themselves or on behalf of a health care provider.

A designee account will not be able to access services as themselves. They must select a health care provider from the WOBO list first.

14.1.1 Selecting a Health Care Provider from the WOBO List

When you first log in and reach the Administration and MOHLTC Services, the default selection will be “--- Myself ---”. For a designee account, the “No Services available” banner will appear until a health care provider is selected from their WOBO list.

INSTRUCTIONS:

- Select the WOBO list to expand the selection. If you have more the 10 health care providers on list, a scroll bar will appear.
- Select a health care provider from the list with your mouse, or select the desired health care provider with the arrow keys on your keyboard and press “Enter”. Once the page refreshes you can access services that you have been granted permissions for from that health care provider.
