

New Users in SADIE and 'Unique Identifiers'

Ontario Prescribers (Physicians & Nurse Practitioners) require an Ontario OHIP **Billing Number** and a 'solo provider' **GO Secure account** to access SADIE.

Prescribers registering for the first time to use GO Secure to access SADIE require two 'Unique Identifiers' to complete the registration process.

If you are a Delegate or Designate that works on behalf of prescriber(s), you DO NOT require 'Unique Identifiers'. (See the steps for [How to Set-up a Delegate or Designate for SADIE](#))
