**eligibility for seniors’ dental care program**

This program provides free dental care to low-income senior citizens. To qualify, individuals must meet certain income and asset criteria. The program covers routine check-ups and cleanings, as well as more extensive procedures such as fillings and extractions. Seniors can apply online, by phone, or in person at local health centers.

**how to receive care?**

Eligible seniors can receive free dental care at participating clinics and hospitals. For more information or to schedule an appointment, call the program’s dedicated hot line.

---

**eligibility for the chs program**

To qualify for the ChS program, individuals must be 65 years of age or older and meet certain income and asset criteria. The program provides coverage for services such as vision care, prescription drugs, and long-term care. Seniors can apply online, by phone, or in person at local health centers.

**how to receive care?**
