

2019 Novel Coronavirus (COVID-19) **Voluntary testing is now available to you**

As a vital worker in Ontario, you can now get tested for COVID-19 even if you are not experiencing symptoms.

Proactive testing of asymptomatic employees helps ensure the safety of our workplace and improves our ability to identify and respond early to positive cases, limiting their potential impact.

Testing is voluntary and is only one tool to help prevent the spread of COVID-19. Please continue to practise physical distancing, wear a face covering when physical distancing is a challenge, and wash your hands regularly.

To get tested, please sign up at:

**Working together, we can protect ourselves, our
communities and the province's food supply.**

If you have symptoms or health questions, call Telehealth Ontario
and tell them what language you speak, at:
