NOTES:

- CAUTION: THIS IS NOT A PLAN OF SURVEY**
- This is a sketch of the Candidate Lands identified. It is intended to illustrate the complex inter-relationships between the lands and other previous dispositions and alienations of public lands and is necessary to prevent duplicate or overlapping tenure commitments on the same lands.
 - This sketch has been prepared from the best available information but without benefit of survey or full title search. The absolute and relative positional accuracy of the sketch hereon has not been verified. Discrepancies between different data sources are known to exist. Do not use this Plan as evidence of the location of legal boundaries, township lot fabric, features, or routes. Do not rely on this to determine the extent of parcel areas, the existence of navigable bodies of water nor as a guide for navigation.
 - This sketch was created during treaty land entitlement negotiations between Matachewan First Nation, Canada and Ontario. The proposed Candidate Lands have been identified and selected in collaboration with Ontario. It is for discussion purposes only. This sketch is illustrative only and is provided as a general visual aid. It identifies some of the features and interests located in the area, but should not be considered complete or exhaustive. The Government of Ontario accepts no responsibility or liability for any errors, inaccuracies, and/or omissions in this data.
 - Survey Instructions from the Surveyor General of Ontario must be obtained prior to establishing any of the boundaries on the ground.
 - Projection NAD 83 (CSRS) UTM Zone 17
 - SRO - Denotes Surface Rights Only
 - LO - Denotes Licence of Occupation
 - LUP - Denotes Land Use Permit
 - OSG - Denotes the Office of the Surveyor General
 - PIN - Denotes Parcel Identification Number
 - LT - Denotes Land Titles
 - MC - Denotes Mining Claim
