A GUIDE TO THE PUBLIC ACCOUNTS

1 SCOPE OF THE PUBLIC ACCOUNTS

The 2015-2016 Public Accounts of the Province of Ontario comprise the **Annual Report** and three supporting volumes:

- Volume 1 contains ministry statements and detailed schedules of debt and other items. The ministry statements reflect the financial activities of the government's ministries on the accrual basis of accounting, providing a comparison of appropriations with actual spending. Ministry expenses include all expenses that are subject to appropriation approved by the Legislative Assembly, but exclude adjustments arising from consolidation of government organizations whose expenses are not appropriated.
- **Volume 2** contains the financial statements of Government Organizations and Business Enterprises that are part of the government's reporting entity and other miscellaneous financial statements.
- **Volume 3** contains the details of payments made by ministries to vendors (including sales tax) and transfer payment recipients that are not deemed to be prohibited by the *Freedom of Information and Protection of Privacy Act*.

2 A GUIDE TO VOLUME 1 OF THE PUBLIC ACCOUNTS

(1) Schedules of Revenue and Expenses

(2) Ministry Statements

Individual ministry statements of financial activity are provided in this section. The following five separate statements are presented for each ministry as applicable.

(a) "Summary Statement of Expenses and Assets by Program"

This Statement provides an overview of the expenses and assets by program compared with the related appropriations and previous years' actuals.

(b) "Statement of Expenses and Assets by Vote and Items"

This statement shows the Items comprised within each ministry Vote. The appropriation for each Item is analyzed according to funds appropriated through the Estimates or approved by Treasury Board and the total is compared to the actual amount spent for the fiscal year. Statutory Appropriations represent payments pursuant to a specific legislative authority and are not included in the *Supply Act*. Statutory payments (denoted as "S") are reported separately. The "program description" narrative contained in the Estimates is included with the statement to provide the reader with a general description of the program.

(c) "Details of Expenses and Assets by Items and Accounts Classification"

This statement reports the actual ministry expenses and assets for each Vote on the basis of the Accounts Classification within each Item. Statutory amounts are shown separately under the Accounts Classification relating to each program.

(d) "Statement of Revenue"

This ministry statement reports the fiscal year revenues by the standard revenue sources used in the Province's accounts. A more detailed analysis of amounts within the standard sources is provided where appropriate. All revenues are deposited to the Consolidated Revenue Fund and reporting by ministry denotes the revenue collection responsibility only.

(e) "Statement of Repayments of Loans and Investments"

This statement reports on a comparative basis the repayments of loans or recoveries of investments collected by the ministry. Reporting by a ministry generally denotes responsibility related loans and investments made from the Consolidated Revenue Fund.

PUBLIC ACCOUNTS, 2015-2016

(3) Schedules of Debt

This section contains details of debt issued, debt retired, a summary and details of debt outstanding at the end of the year.

(4) Other Supplementary Schedules

This section contains summarized schedules for ministries' Loans & Investments, Funds & Other Liabilities, Contingent Liabilities and Claims Against the Crown.

TERMS AND DEFINITIONS USED

Special Warrants

If the Legislature is not in session and expenditures are required that have not been authorized by an *Interim Appropriation Act or a Supply Act,* Special Warrants may be issued to authorize such expenditures. The amounts provided by Special Warrants in the 2015-16 fiscal year are deducted from the total amounts for each program to determine the amounts to be voted.

Cost Recovery Items

In cases where the anticipated recovery of costs of an Item is equal to or greater than the expenditures, the balance of the Item is shown at the nominal value of \$1,000.

Statutory Appropriations

Statutory Appropriations represent payments pursuant to a specific legislative authority and are not included in the *Supply Act*. Statutory Appropriations are included in the Estimates for information purposes and are not voted by the Legislature. Amounts required for Statutory Appropriations are shown, where applicable, as separate entries under the Standard Accounts Classifications details relating to each Item.

Standard Accounts

Spending is forecast for the fiscal year 2015-16 under Standard Accounts at the Item level. The descriptions of the contents of the Standard Accounts given below are intended to serve as brief outlines only and should not be considered all inclusive.

EXPENSES

Salaries and wages

Includes salaries and wages, overtime and other remuneration paid to regular, probationary, unclassified and other staff; temporary help costs; indemnities and allowances paid to Members of the Legislative Assembly; and special allowances paid to employees.

Employee benefits

Includes the government's contribution as an employer to the Canada Pension Plan; the Ontario Public Service Employees' Union Pension Plan; the Public Service Pension Plan; Employment Insurance; the Workplace Safety and Insurance Board; and other employee benefit plans.

Transportation and communication

Includes traveling expenses of employees on government business and recipients of government services, such as wards of the province; relocation expenses of employees who transferred or recruited; expenses of moving office furniture and equipment; costs of transportation of goods other than for initial delivery; mailing costs, such as postage and registration; and communication costs, such as telephone and data communications.

Services

Includes information services, such as, advertising and communication services provided by professional agencies and advertising placed directly with the media; rental and purchased repair and maintenance of machinery, equipment, buildings, land and engineering structures; data processing services; insurance premiums; and other professional and special services.

Supplies and equipment

Includes provision for the purchase of non-capitalized machinery and equipment and materials, supplies and utilities.

Transfer payments

Includes grants, subsidies, assistance to persons; the business sector; non-commercial institutions; and other government bodies.

PUBLIC ACCOUNTS, 2015-2016

Other transactions

Includes special transactions, such as interest incentives and subsidies; guarantees honoured; losses on loans; repayable grants; and provision for losses on disposal of capital assets.

ASSETS

ASSETS are balance sheet accounts which require an appropriation in the Estimates. Asset categories include the following:

Deposits and prepaid expenses

Includes payments in advance of receiving related goods or services or in advance of being earned by transfer payment recipients, and which will be recorded in a non-asset standard account in a future fiscal year.

Advances and recoverable amounts

Includes payments to transfer payment recipients that will be repaid to the Province in a future fiscal year.

Loans and investments

Includes payments to debtors under loan agreements and investments in the shares of Crown corporations or other entities.

Inventory held for resale

Assets not in service and held for disposal.

Land

Includes land purchased or acquired for use, for preservation, for parks and recreation, for building sites, for infrastructure and for other program use.

Buildings

Include large and complex high-rise office towers, special-purpose buildings such as prisons and courthouses, and simple structures such as salt domes and tool sheds. Also includes any construction required to address occupants' work function or aesthetic needs over and above of what is provided within the base accommodation envelope (either owned or leased).

Transportation infrastructure

Is comprised of a complex network of highways, bridges, and related structures and facilities. May include Salaries and wages and associated Employee benefit costs related to the construction of those assets.

Dams and engineering structures

Include significant structures not included elsewhere; e.g. water, sewage and electrical distribution systems, helipads and fuelling systems, stocking ponds, feeding systems, Government Mobile Communications Equipment (GMCE) towers and like structures.

Machinery and equipment

Includes items such as furniture, fixtures and appliances, hospital and laboratory equipment, and office machinery and equipment.

Information technology hardware

Encompasses physical data and voice networks, platforms, wireless devices, networks and access points, mainframe and desktop computers, servers and data repositories, Government Mobile Communications Equipment, as well as operating systems and related software.

Business application software

Aggregates software components that automate and optimize business functions, processes, tasks and activities. May include Salaries and wages and associated Employee benefit costs related to the construction of those assets.

Land and marine fleet

Includes plated motor vehicles that are owned by ministries: passenger vehicles, medium duty, heavy commercial, and other specialty vehicles. Also includes medium/large boats and ferries.

Aircraft

Encompasses the fixed wing and rotary wing aircraft.

Personal Income Tax revenue is collected by the federal government on behalf of the Province. The amount reported by the Province in 2015-16 is net of \$7,118,900 in Ontario tax credits, excluding tax credits reported as expenses.

Section 2 also discloses operating expenses for refundable income tax credits. An operating expense published in the Public Accounts for a refundable income tax credit represents an estimate of the value of the tax credits for the current fiscal year, in addition to any adjustments related to the prior years' published amounts.

¹ Refundable Income Tax Credits:

For the year ended March 31, 2016

For 2016, the Ontario Personal Income Tax rates are: 5.05% for taxable income of up to \$41,536; 9.15% for taxable income over \$41,536 and up to \$83,075; 11.16% for taxable income over \$83,075 and up to \$150,000; 12.16% for taxable income over \$150,000 and up to \$220,000; and 13.16% for taxable income over \$220,000. For 2015, the Ontario Personal Income Tax rates are: 5.05% for taxable income of up to \$40,922; 9.15% for taxable income over \$40,922 and up to \$81,847; 11.16% for taxable income over \$81,847 and up to \$150,000; 12.16% for taxable income over \$150,000 and up to \$220,000; and 13.16% for taxable income over \$220,000. For 2014, the Ontario Personal Income Tax rates are: 5.05% for taxable income of up to \$40,120; 9.15% for taxable income over \$40,120 and up to \$80,242; 11.16% for taxable income over \$80,242 and up to \$150,000; 12.16% for taxable income over \$150,000 and up to \$220,000; and 13.16% for taxable income over \$220,000. Ontario non-refundable tax credits are provided for individual and family circumstances (e.g., basic amount, spouse, medical expenses) at the rate of 5.05% (11.16% for charitable donations in excess of \$200), before calculating the provincial surtax and Ontario Tax Reduction. Ontario non-refundable tax credit amounts are indexed annually. The Ontario Dividend Tax Credits are calculated after the provincial surtax and before the Ontario Tax Reduction. For 2016, these credits are provided at a rate of 10% for eligible dividends and at a rate of 4.2863% for non-eligible dividends. For 2014 and 2015, they are provided at a rate of 10% for eligible dividends and 4.5% for non-eligible dividends.

Higher-income earners are subject to a surtax. For 2016, the surtax is equal to 20% of Ontario income tax in excess of \$4,484, plus 36% of Ontario income tax in excess of \$5,739. For 2015, the surtax is equal to 20% of Ontario income tax in excess of \$4,418, plus 36% of Ontario income tax in excess of \$5,654. For 2014, the surtax is equal to 20% of Ontario income tax in excess of \$4,331, plus 36% of Ontario income tax in excess of \$5,543.

Ontario income tax is eliminated by the Ontario Tax Reduction if Ontario tax is below a threshold amount. If Ontario tax exceeds the taxfiler's threshold amount, the Ontario Tax Reduction may reduce the taxfiler's Ontario tax. For 2016, the basic threshold amount is \$231 and the additional amount for each dependent child age 18 and, under, and each disabled or infirm dependant, is \$427. For 2015, the basic threshold amount is \$228 and the additional amount for each dependent, child age 18 and under and each disabled or infirm dependant is \$421. For 2014, the basic threshold amount is \$223 and the additional amount for each dependent child age 18 and under and each disabled or infirm dependant is \$413.

The Harmonized Sales Tax (HST) is a single value-added tax based on the Federal Goods and Services Tax (GST). The provincial portion of the HST is eight per cent and the federal portion is five per cent, for a combined HST rate of 13 per cent. Responsibility for the collection of the tax rests with the Federal Government. HST revenues are distributed to the Province based on a revenue allocation formula. Ontario also maintains an 8% sales tax on certain insurance premiums and on private transfers of specified vehicles, at a rate of 13%. Both the sales tax on insurance premiums and on private sales of specified vehicles are administered by Ontario. The Sales Tax amounts reported by the Province are net of sales tax credits of \$1,718,816,342 in 2015-16 and \$1,691,497,735 in 2014-15.

Corporations Tax is comprised of three types of taxes levied on corporations: income tax, insurance premiums tax and special additional tax on life insurance corporations. Details of these taxes follow.

Income Tax: The general statutory Corporate Income Tax (CIT) rate is 11.5% (reduced from 14% to 12% on July 1, 2010 and from 12% to 11.5% on July 1, 2011). Active business income from manufacturing and processing (M&P), mining, logging, fishing and farming is subject to a lower CIT rate of 10% (reduced from 12% effective July 1, 2010). Small Canadian-controlled private corporations (CCPCs) are also eligible for a lower CIT rate of 4.5% (reduced from 5.5% effective July 1, 2010) on the first \$500,000 of active business income. Effective May 2, 2014, and prorated for taxation years that straddle that date, the small business CIT rate is phased out for large CCPCs, and associated groups of CCPCs, with more than \$10 million (fully eliminated with more than \$15 million) of taxable capital employed in Canada in the previous year. The Province also levies a Corporate Minimum Tax ("CMT") that effectively acts as a prepayment of regular CIT. CMT is calculated as the amount by which 2.7% (reduced from 4% effective July 1, 2010) of adjusted net income for accounting purposes exceeds CIT payable.

For the year ended March 31, 2016

<u>Insurance Premiums Tax:</u> Insurance companies are subject to a 2% insurance premiums tax on life, accident and sickness insurance premiums, 3.5% on property insurance premiums and 3% on other (e.g. casualty) insurance premiums.

<u>Special Additional Tax:</u> Life insurance corporations pay a special additional tax at a rate of 1.25% of taxable capital in Ontario above a employed \$10 million exemption, with corporate income tax and CMT creditable against this tax.

Education property taxes are collected by municipalities and transferred to school boards for the purposes of funding education. Education property tax rates are set annually by the Minister of Finance for each class of real property. The tax is levied on the assessed value of property at a uniform rate of 0.241% for residential properties. Rates for commercial, industrial and pipeline properties vary across the Province. These rates are regulated under the *Education Act*. The Education Property Tax amounts shown are net of \$1,060,400,794 in property tax credits and grants in 2015-16 and \$1,034,927,008 in 2014-15. The amounts also reflect a number of rebates, reductions and exemptions available across the province.

The Employer Health Tax is paid by employers on their Ontario payroll. Employers with annual Ontario payroll of \$200,000 or less calculate tax payable at 0.98% of their taxable annual Ontario payroll; employers with annual Ontario payroll over \$200,000 and up to \$400,000 calculate tax payable at graduated rates that apply to their taxable annual Ontario payroll starting at 1.101% through to 1.829%; and employers with annual Ontario payroll in excess of \$400,000 calculate tax payable at 1.95% of their taxable annual Ontario payroll. A tax exemption was provided for the first \$400,000 of annual Ontario payroll paid by private sector employers, including their associated entities. Beginning January 1, 2014, the tax exemption was increased from \$400,000 to \$450,000, and was eliminated for private sector employers with annual Ontario payroll, including those of their associated entities, in excess of \$5,000,000. Registered charities continue to claim the tax exemption at all payroll sizes.

Gasoline Tax is levied on gasoline and propane used in a licensed motor vehicle, and aviation fuel used to power aircraft. The tax rate for gasoline is 14.7 cents per litre. The tax rate for propane used in licensed motor vehicles is 4.3 cents per litre. The tax rate for aviation fuel used in powering aircraft increased from 3.7 cents per litre to 4.7 cents per litre on April 1, 2015. The majority of tax is collected for the Province by Ministry-designated gasoline, propane, and aviation fuel wholesalers.

Land Transfer Tax is collected on the transfer of land. One-half of 1% is levied on the value of the consideration for the conveyance up to and including \$55,000; 1.0% on the value of the consideration exceeding \$55,000 up to and including \$250,000; 1.5% on the value of the consideration exceeding \$250,000; and, where the value of the consideration exceeds \$400,000 and the property contains one or two single family residences, an additional tax of one-half of 1% applies on the value of the consideration exceeding \$400,000. First time home buyers who purchase newly constructed homes or resale homes are eligible to receive a refund of land transfer tax of up to \$2,000.

Tobacco Tax covers all forms of tobacco products. The specific tax rate per cigarette and per gram or part gram of fine cut tobacco and all other tobacco products except cigars increased from 13.975 cents to 15.475 cents on February 26, 2016. The rate of tax on cigars is 56.6% of the taxable price of the cigar. The majority of tax is collected for the Province by Ministry designated tobacco and cigar wholesalers.

Fuel Tax is levied on every purchaser of clear middle distillate fuel used in internal combustion engines. The fuel tax rate is 14.3 cents per litre, unless the fuel is used in railway equipment, in which case the rate is 4.5 cents per litre. The majority of tax is collected for the Province by Ministry designated wholesalers.

For the year ended March 31, 2016

Beer and Wine Taxes were effective July 1, 2010. These taxes replaced certain alcohol charges and were revenue neutral for the Ontario Government. Taxes apply on every purchaser of beer from a beer manufacturer's on-site store, The Beer Store, or a licensed establishment. Taxes are also imposed on purchasers of draft beer made by a brew pub and wine and wine coolers from a winery retail store.

Electricity payments in lieu of taxes (PILs) on corporate income are made by OPG and municipal electricity utilities to the Ontario Electricity Financial Corporation (OEFC). OEFC is the Ontario Hydro successor company that is responsible for servicing and retiring the debt and certain other liabilities of the former Ontario Hydro. All PILs received by OEFC are used to service and retire its obligations. The amount of PILs replicates the amount of tax that would be payable under the Income Tax Act (Canada), Corporations Tax Act and Taxation Act, 2007 while these publicly owned corporations are exempt from federal and provincial corporate taxes. As a result of broadening Hydro One ownership through an initial public offering on November 5, 2015, Hydro One ceased to be exempt from federal and provincial corporate income taxes. The Minister of Finance, by statute, is required to make payments to the OEFC equal to the amount of provincial income tax payable by Hydro One Inc. under the Taxation Act, 2007.

OPG, Hydro One and municipal electricity utilities also make payments in lieu of additional property taxes to the OEFC. The Gross Revenue Charge portion payable to OEFC is also recorded under electricity PILs.

The federal government remits to the province 35 per cent of the net taxes that it collects with respect to preferred share dividends paid by corporations with operations in Ontario.

The Estate Administration Tax is payable by the estate of a deceased person on the issuance of a certificate of appointment of an estate trustee by an Ontario court. The amount of tax is equal to \$5 for each \$1,000, or part thereof, of the first \$50,000 of the value of the estate and \$15 for each \$1,000, or part thereof, of the value of the estate exceeding \$50,000. If the value of the estate does not exceed \$1,000, the estate is exempt from this tax.

A portion of the Gross Revenue Charge (GRC) is payable to the Ministry of Finance by hydro-electric generating stations owners and water power leaseholders. Effective January 1, 2001, the existing property taxes and water rental charges paid by hydro-electric generating station owners and water power leaseholders were replaced with taxes and charges on the gross revenues of hydro-electric generating stations. The Property Tax component is included as taxation for the Province and the Water Rental component of the GRC is included under Other Revenue – Royalties (page 1-10).

Provincial Land Tax is levied on land in areas without municipal organization at the rates prescribed by regulation. The rate that applies depends on which property class the land is classified and whether the land is in a locality as defined by the *Assessment Act*.

Ontario levies a mining tax on profits in excess of \$500,000 derived from the extraction of mineral substances raised and sold by operators of Ontario mines. The \$500,000 annual deduction must be shared by associated corporations. The tax rate on taxable profit subject to mining tax is 10% for non-remote mines and 5% for remote mines. A mining tax exemption on up to \$10 million of profit during an exempt period is available for each new mine. The exempt period for a new non-remote mine is three years and the exempt period for a new remote mine is 10 years. The mining tax exemption is also available for a major expansion of an existing non-remote mine. Mining tax does not apply to diamond mining. Diamonds are subject to a royalty on the value of a diamond mine's output. The royalty rate is the lesser of 13% and the amount calculated on the value of output according to a graduated rate scale.

The Race Tracks Tax, which is collected by the operators of race meets and remitted to the Province, is levied at the rate of 0.5% on all wagers.

The Acreage Tax is a tax levied on patented mining rights at a rate of 50 cents per acre per year with a minimum payment of \$1 in organized municipalities and \$4 in unorganized municipalities.

For the year ended March 31, 2016

The introduction of the Ontario Health Premium (OHP) has helped to ensure the government's ability to make much needed investments in the province's health care system. Every penny of the OHP goes toward improving Ontario's health services. Since 2003-04, health-related spending has increased by \$21.9 billion while health-related revenues, mainly comprised of the OHP and federal transfers, have increased by \$13.2 billion. In 2015-16, OHP revenue increased by \$87 million to \$3,453 million, up from \$3,366 million in 2014-15. During the same period, expenses in the health sector increased by \$1,028 million to \$51,067 million, up from \$50,039 million in 2014-15.

Ontario Health Premium revenue supports expenditures in all areas of the health sector and is not earmarked by program area. In 2015-16, revenue from the health premium was \$3,453 million, or 6.8 per cent of the \$51,067 million in total expenses for the health sector. This compares to \$3,366 million or 6.7 per cent of \$50,039 million in 2014-15. Below is a table that shows an example of how the health premium revenue supports major investments in the health care sector and also the level of support each sector would receive if the percentage shares in 2014-15 and 2015-16 were allocated proportionately across each expense area.

Example of How the Health Premium Supports Investments in the Health Care Sector: OHP Revenue as a Share of Total Health Expenditures Applied Proportionately Across Expense Areas					
(\$ Millions)	2015-16 6.8%	2014-15 6.7%			
Hospitals	1.108	1,102			
OHIP	940	929			
Home Care, Community and Mental Health Services	342	327			
Long-Term Care Homes	267	260			
Ontario Drug Programs	266	255			
Public Health, Health Promotion and Other	530	493			
Total	3,453	3,366			

The Ontario Health Premium is paid by individuals resident in Ontario on the last day of the taxation year. An individual's Ontario Health Premium liability is: \$0 for taxable income of up to \$20,000; 6% of taxable income over \$20,000 up to \$25,000; \$300 for taxable income over \$25,000 up to \$36,000; \$300 plus 6% of taxable income over \$36,000 for taxable income over \$36,000 up to \$38,500; \$450 for taxable income over \$38,500 up to \$48,000; \$450 plus 25% of taxable income over \$48,000 income over \$48,000 up to \$48,600; \$600 for taxable income over \$48,600 up to \$72,000; \$600 plus 25% of taxable income over \$72,000 for taxable income over \$72,000 up to \$72,600; \$750 for taxable income over \$72,600 up to \$200,000; \$750 plus 25% of taxable income over \$200,000 for taxable income over \$200,000 up to \$200,000; and \$900 for taxable income over \$200,600.

The Canada Health Transfer (CHT) is a federal block transfer that supports health care spending in the provinces and territories. Beginning in 2014-15, the CHT has been allocated to provinces and territories on an equal per capita basis. To receive CHT transfers, provinces and territories must comply with the principles of the Canada Health Act.

The Canada Social Transfer (CST) is a federal block transfer that supports provincial and territorial expenditures on post-secondary education, social assistance and social services, including early childhood development, and early learning and child care services. Beginning in 2007-08, the CST has been allocated to provinces and territories on an equal per capita basis. To receive CST transfers, provinces and territories cannot impose residency requirements in determining eligibility for social assistance to Canadian citizens, permanent residents, persons with a temporary resident permit, and refugee claimants waiting to receive permanent resident status.

Equalization is the federal government's transfer program for addressing fiscal disparities among provinces. The Equalization program aims to ensure that provincial governments have sufficient revenues to provide reasonably comparable levels of public services at reasonably comparable levels of taxation. Equalization payments are unconditional – receiving provinces are free to spend the funds according to their own priorities.

The Labour Market Development Agreement (LMDA) provides for the transfer to Ontario of labour market development programs and services previously run by the federal government. LMDA funding supports Ontario's skills and employment training programs, particularly for those who are eligible for Employment Insurance (EI) benefits. The LMDA is funded under the legislative authority of Part II of the Employment Insurance Act.

Social Housing Agreement reimbursements are the federal portion of the cost of subsidizing low-rental housing programs. The Province receives funding from the Canada Mortgage and Housing Corporation (CMHC) to administer social housing in Ontario.

The Indian Welfare Services Agreement is a unique bilateral (Ontario-Canada) cost-sharing agreement to support eligible social services provision on reserve. The Agreement recognizes a shared Ontario-Canada commitment to deliver to members of First Nations living on reserve, provincial welfare programs available to the population of the province not living on reserve, and outlines a formula to determine Canada's financial contribution.

The Canada-Ontario Job Fund Agreement (JFA) provides funding for labour market programs and services that focus on skills development for unemployed individuals who are not Employment Insurance clients and employed individuals who require further training such as those who do not have a high school diploma, or recognized certification or who have low levels of literacy and essential skills. The JFA also makes provision for the support of employer-sponsored training for certain eligible training costs provided by an eligible third-party institution. On April 1, 2014, the JFA replaced the Canada-Ontario Labour Market Agreement (LMA).

Infrastructure funding to Ontario is provided through the Building Canada Fund, the agreement for Investment in Affordable Housing, and other agreements that support construction, renewal, improvement and expansion of the province's physical capital, including roads, bridges, public transit and water systems.

Bilingualism Development reimbursements are the federal government's portion of the cost of providing services in both official languages and of providing adequate educational facilities for teaching the second official language. The federal government also contributes to Ontario's initiatives in French-language schools, such as the establishment of administrative structures in new French-language school boards, and initiatives designed to improve the achievements of French-language students.

Under the Labour Market Agreement for Persons with Disabilities (LMAPD), the federal government provides contributions to Ontario to support measures to enhance the employability of persons with disabilities, and increase the employment opportunities available to persons with disabilities by addressing employer needs and encouraging employers to remove barriers faced by persons with disabilities. Additionally, the LMAPD aims to demonstrate the results to Canadians of investments made under the agreement as evidenced by enhanced employability and increased labour participation of persons with disabilities.

Youth justice transfer payment programs are ongoing, and mandated under the *Youth Criminal Justice Act*. The federal government cost shares a portion of the Youth Justice Services expenditures.

Legal Aid payments are the federal government's contribution to assist in providing legal aid services to economically disadvantaged people in serious criminal matters and proceedings under the Youth Criminal Justice Act. They also help ensure that certain minimum standards of legal aid are maintained in accordance with the Agreement Respecting Legal Aid in Criminal Law, the *Youth Criminal Justice Act* and immigration and refugee matters.

Growing Forward 2 is a federal-provincial initiative that encourages innovation, competitiveness and market development in Canada's agri-food and agri-products sector. In Ontario, Growing Forward 2 offers resources, tools and cost-shared funding assistance to eligible producers, processors, organizations and collaborations to grow their profits, expand markets and manage shared risks.

Student Assistance includes Canada Study Grants and the administration of Canada Student Loans. Canada Study Grants are provided to students with dependants, high-need part-time students, students with disabilities, and women in doctoral studies.

The Immigration Holds Agreement represents reimbursement by the federal government for the cost of detaining people awaiting an immigration examination, inquiry or removal.

The Targeted Initiative for Older Workers (TIOW) is a federal-provincial cost-shared program that helps unemployed workers aged 55 to 64. TIOW is available in communities of fewer than 250,000 people that have high unemployment or rely to a large extent on single industries. The initiative helps older workers find programs and services that increase their ability to find work, reintegrate back into employment and ensure that they remain active and productive workers while their communities undergo adjustment.

Federal government funding for the Ontario Bridge Training Program supports programs for skilled immigrants who are facing barriers to workforce integration and retention in the Ontario labour market.

Canada Health Infoway's Interoperable Electronic Health Record (iEHR) investment program supports jurisdictional projects that will build interoperable EHR systems. Federal funding to Ontario is provided under the Interoperable Electronic Health Record/Health Information Access Layer (iEHR/HIAL) Agreement. These solutions will enable authorized health care providers to view and, in some cases, update a patient's essential health information.

Funding is received from Canada Health Infoway to support efforts to increase the number of clinicians adopting and using an electronic medical record (EMR) system.

Other payments from the federal government included, among others:

- a) Transfers to Government Organizations such as Agricorp and Toronto Organizing Committee for the 2015 Pan American and Parapan American Games (Toronto 2015);
- b) Funding to support sector-specific services covered under different agreements, such as the First Nation Policing Agreement, Biology Casework Analysis Contribution Program Agreement for DNA testing, and Supporting Families Fund agreement for family law services;
- c) Annual subsidies under the Constitution Act, 1907;
- d) Interest on the Common School Fund.

Income from Government Enterprises represents amounts received by the Province from government business enterprises.

The Ontario Lottery and Gaming Corporation (OLG) conducts and manages lottery games, resort casinos, casinos, and slots on behalf of the Province of Ontario. The Province consolidates the net income from OLG's lotteries, resort casinos, casinos and slots. The net income also includes 20% of gross gaming revenue from Caesars Windsor, Casino Niagara, Niagara Fallsview Casino Resort and Casino Rama, as well as 20% of gross gaming revenue from its slots at the Great Blue Heron Charity Casino.

In 2015-16 the proceeds from OLG lotteries, casinos and slots were paid to the Province of Ontario's Consolidated Revenue Fund and allocated to the following Ministries and programs: \$115 million to the Ontario Trillium Foundation for grants to charities and not-for-profit organisations, \$38 million to the Ministry of Health and Long-Term Care to support problem gambling and related programs for prevention, treatment and research, \$10 million to the Ministry of Tourism, Culture and Sport for direct financial support to Ontario high-performance athletes and enhanced coaching development, with the balance being applied to the Ministry of Health and Long-Term Care for the operation of hospitals.

In 2015-16 the proceeds from OLG resort casinos were allocated by the Province of Ontario to general government priorities such as health care, education, public infrastructure, and horseracing support.

Liquor Control Board of Ontario (LCBO) profits are generated from the sale of beer, wine, coolers, and spirits.

Hydro One Inc. (now a subsidiary of Hydro One Limited) and Ontario Power Generation Incorporated (OPG) were created as part of the restructuring of the former Ontario Hydro. The Province's proportional share of net income from Hydro One Limited (and previously Hydro One Inc.) and the net income from OPG are consolidated in the Province's finances. OPG revenue is derived primarily from the sale of electricity from its generating stations. Hydro One revenue is derived primarily from the transmission and distribution of electricity.

Brampton Distribution Holdco. Incorporated revenue is derived primarily from distribution of electricity.

Sales and Rentals includes proceeds from the disposal of real property, supplies and equipment, rental of real property, leasing of Crown land and sales of goods and services provided by Provincial institutions.

Vehicle and Driver Registration fees include vehicle registration, carrier, and driver fees. Vehicle registration fees are for the authorization to operate a motor vehicle on a public road. For commercial vehicles the latest fee ranges from \$185 to \$4,601. The latest fees for passenger vehicles and light commercial vehicles weighing 3,000 kilograms or less used for personal purposes are \$108 per year in Southern Ontario and \$54 per year in Northern Ontario. Fees for motorcycles and mopeds are \$42 and \$12 per year respectively in Southern Ontario and \$21 and \$12 per year respectively in Northern Ontario. Driver fees consist primarily of driver license renewals.

The registrar's fees consist of fees collected by the Ontario Court (General Division) in estates matters as set by O.Reg. 393/90 made under the *Administration of Justice Act* and the issuing, signing and filing fees for court related documents in civil matters.

Personal Property registration service fees are remittances for the registration and searches of personal property pledged as collateral to secure a loan. The fees are collected at the time of registration or search.

The modernized Drive Clean program was implemented effective January 1st 2013. Fees for the program are chargeable to the public for vehicle emissions testing, known as a "Drive Clean Emissions test." As announced in the 2016 Ontario budget, the \$30 emissions test fee for light duty vehicles will be eliminated in 2017-18.

Companies' service fees are remittances for registration, searches and certificates pertaining to incorporations, limited partnerships and business names. The fees are collected at the time of registration or search.

Gaming-related fees collected by the Alcohol and Gaming Commission of Ontario include fees for registering commercial suppliers and gaming employees of charitable gaming events, casinos, charity casinos and slot machine facilities. Also included are fees for issuing licences to conduct and manage lottery schemes such as raffles.

Effective January 1, 2001, persons who by virtue of an agreement, lease or other writing are entitled to occupy public lands are required to pay a water rental charge calculated at a rate of 9.5 % on gross revenues from the annual generation from hydro-electric-generating stations. This is the Gross Revenue Charge - Water Rental component referenced on page 1-4.

Crown Charges – Timber royalties are remittances for the harvesting of Crown timber on Crown land or when timber rights are reserved to the Crown on patent land. Crown charges are typically charged on a per cubic metre basis related to the tree species, end products produced and harvest volume. A base price per cubic metre, adjusted annually, is established as a minimum price. The minimum price for most harvested timber during 2015-2016 was set at zero (bioproducts only), \$4.43, or \$0.59 per cubic metre depending on the tree species and commodity group. The \$0.59 per cubic metre reflects the rate for several underutilized species and the economic volatility in the forest industry. A residual value price, based on a percentage of the difference between the cost of manufacturing and the selling price of the forest product, is also assessed. This component based on commodity market prices is adjusted monthly and varied from \$0.00 to \$5.29 per cubic metre.

Beginning in 2006, funds for the Forest Resource Inventory (FRI) have been collected through the stumpage system. In 2015-2016 the FRI rate was set at either \$2.50 or \$0.59, depending on species group and end-use, and set aside in the Forestry Futures Trust fund account for FRI expenses until a \$10 million balance in the FRI account was achieved. After reaching the \$10 million level, the FRI charge is set to zero, which occurred for this fiscal year in October 2015. The FRI collection results in no net effect to the forest industry with respect to stumpage charges, as the minimum price is reduced an equivalent amount to FRI charges, while FRI charges are being collected.

For the year ended March 31, 2016

Teranet – Polaris Royalties - The Province completed the sale of its 50% ownership in Teranet in 2003-04. As part of this transaction, the Province agreed to suspend royalties from Teranet for a period of 13.67 years to March 31, 2017 in exchange for a lump sum payment of \$205 million. The \$205 million represents deferred royalties to be earned by the Province in future years and have been recognized in the Province's accounts as deferred revenue. The deferred revenue is amortized to revenue over the life of the royalty suspension agreement. The annual amortization is \$15 million throughout 2016-17.

In 2010-11 the Province negotiated an extension to the original Teranet agreement, resulting in a 50 year extension beyond the original amortization schedule. \$1 billion in cash was received in 2010-11, and this amount represents deferred royalties to be amortized over a 56 year period from fiscal 2011-12 to 2066-67. The annual amortization for the extension is \$18 million, for a combined total of \$33 million per year for the years 2011-12 through 2016-17.

Recovery of Prior Years' Expenditures represents monies recovered subsequent to the fiscal yearend in which the related expenditures were made. These receipts represent amounts, which, except for the timing of the recovery, would have been classified as expenditure refunds.

Reimbursements of expenditures are repayments of expenses incurred by the government under formal agreement, understanding or arrangement that the expenses will be recovered in whole or in part.

Fines and Penalties are remittances for infractions of laws, regulations and rules.

The Electricity Debt Retirement Charge (DRC) is paid by electricity consumers based on consumption of electricity. The *Electricity Act*, 1998, allowed for the DRC to be in place until the residual stranded debt is retired. Residual stranded debt originated from the restructuring of the old Ontario Hydro and restructuring of the electricity sector. The *Electricity Act*, 1998 was amended by the *Budget Measures Act*, 2015 to provide for a legislated fixed end-date for the DRC of March 31, 2018, no longer linked to the residual stranded debt. Therefore, as part of the legislative amendments, and, effective December 10, 2015, the "residual stranded debt" concept and requirements, including the requirement to determine the residual stranded debt from time-to-time, were removed from the *Electricity Act*. Ontario has removed the Debt Retirement Charge (DRC) from residential electricity users' bills as of January 1, 2016. The residential rate class accounts for about a third of electricity load subject to the DRC with the remainder of electricity load used by commercial, institutional, industrial and other consumers. As a further step to mitigate electricity cost pressures for commercial, industrial and other users, the *Budget Measures Act*, 2015 amended the *Electricity Act* to end the DRC on April 1, 2018, nine months earlier than previously estimated.

Revenues under "Power Supply Contract Recoveries" arise from the reselling of power and recovery from electricity consumers of the cost of power supply agreements of the Ontario Electricity Financial Corporation (OEFC), the legal continuation of the former Ontario Hydro.

Power purchase contracts were entered into by the former Ontario Hydro with non-utility generators (NUGs) located in Ontario. As the legal continuation of Ontario Hydro, as of April 1, 1999, the OEFC is the counterparty to these contracts. The contracts provide for the purchase of power at prices that were expected to be in excess of market prices. Accordingly, a power purchase contract liability was recorded. Under legislated reforms to the electricity market, OEFC began receiving actual contract prices for power from ratepayers, effective January 1, 2005, and no longer incurs losses on these power purchase contracts. At that time, the Ministry of Finance estimated that the bulk of the liability would be eliminated over 12 years, as existing electricity contracts expire. As a result, OEFC is amortizing the bulk of the liability to revenue over that period.

DETAILS OF REVENUE - Concluded

For the year ended March 31, 2016

In addition, effective January 1, 2009, OEFC entered into a support contract with Ontario Power Generation (OPG) whereby OPG agreed to maintain the reliability and availability of Lambton and Nanticoke coal-fired stations following implementation of a greenhouse gas emissions-reduction strategy up to the end of December 31, 2014. Under the contract, OEFC agreed to ensure OPG would recover the actual costs of operating the stations after implementing this strategy. Any costs to OEFC under this agreement were fully recovered from ratepayers. As at December 31, 2013, OEFC triggered an early termination clause in the contract to reflect the advanced closure of these plants by one year to the end of 2013. OPG was allowed to recover actual costs that could not reasonably be avoided or mitigated, during the period from the early shut down date until December 31, 2014, consistent with the original end date of the contract.

The Reduction of Power Purchase Contracts represents the effective elimination over time of the power purchase contract liability. The amount of change reflects the deduction for estimated in-year losses used to calculate the liability prior to the legislated reforms to the electricity market that effectively eliminated over time the power purchase liability.

The Independent Electricity System Operator (IESO) was established by the Electricity Act, 1998. It operates independently as a non-profit corporation without share capital. Licensed by the Ontario Energy Board (OEB), it reports to the legislature through the Ministry of Energy. The IESO directs the operation and maintains the reliability of the province's power system. The IESO balances demand for electricity against available supply through the wholesale market and directs the flow of electricity across the transmission system. IESO's revenue is derived primarily from OEB-approved fees for each megawatt of electricity withdrawn from the IESO-controlled grid.

The former Ontario Power Authority (OPA) was created under the *Electricity Restructuring Act, 2004*, to ensure an adequate long-term supply of electricity. Pursuant to amendments to the *Electricity Act, 1998*, as part of the Building *Opportunity and Securing Our Future Act, 2014*, the OPA and IESO amalgamated into a new entity also called the IESO, effective January 1, 2015. The new amalgamated entity continues to fulfill the mandates of both predecessor organizations.

HEALTHY HOMES RENOVATION TAX CREDIT

For the year ended March 31, 2016

Tax credit for the year ended March 31, 2015:	
Expenditure Estimate	\$17,773,200

The *Taxation Act*, 2007 requires the Minister of Finance to compare the anticipated cost of the Healthy Homes Renovation Tax Credit (HHRTC) with the actual cost.

The cost of the HHRTC is lower than originally estimated because there were fewer claims than expected.

Estimate of Actual Cost*

*The cost of the HHRTC in the 2014-15 fiscal year includes a portion of the credits for the 2015 tax year. The final actual cost will not be available until the Canada Revenue Agency has received and processed all tax returns for the 2014 and 2015 tax years.

Program Description

The Ministry of Agriculture, Food and Rural Affairs supports the province's rural communities and agriculture, food, bio-product and horse racing sectors by: investing in agri-food and bio-product research; promoting the adoption of best management practices and new technologies; delivering assistance programs, including farm income stabilization; supporting investment attraction and retention for the food processing sector; and promoting Ontario agri-food and agri-product sales in domestic and export markets. The ministry is committed to building strong and vibrant rural communities with diversified economies. It will continue to work collaboratively to develop and deliver timely economic development programs including infrastructure, as well as providing tools and information to rural communities in Ontario.

Program Description

This program supports the role of the Attorney General as Chief Law Officer of the Crown by ensuring that the administration of public affairs is in accordance with the law, through the provision of expert legal advice, advocacy and representation before tribunals and at all levels of court. This program conducts all litigation for and against the Crown in respect of any subject within the authority or jurisdiction of the Legislature.

This program includes the work of the Office of Legislative Counsel which is responsible for legislative drafting in English and French. This includes drafting bills for the Government and members of the Legislative Assembly and drafting regulations. The Office also provides related legal advice and editing and publishing services, including providing the content for the e-Laws website.

Program Description

This program is responsible for the administration and functioning of criminal, civil, family and small claims courts in Ontario. These services comprise three main components: court administration, judicial services and court construction. Court administration and judicial services provide judicial, courtroom and court operation support, and are divided into nine key program areas: In Court Operations, Court Counter Services, Court Program Administration and Support Services, Interpretation Services, Family Law Information Centres and Mediation, Transcripts, Enforcement Services, Judicial Library Services and Judicial Services. Court construction, which is delivered by Corporate Services Management Division (Facilities Management Branch), manages funding for new courthouses and large-scale renovations of existing court facilities to support a justice system that is modern, secure and accessible.

Program Description

This program delivers vital services to victims of crime, children, and vulnerable persons. Victims of crime are supported through the Ontario Victim Services program, which offers a wide array of services delivered both directly and through ministry funded community agencies. Mentally incapable adults receive personal and property guardianship services from the Office of the Public Guardian and Trustee, and the Office of the Children's Lawyer protects the personal and property rights of children before courts and tribunals. The Office for Victims of Crime, a statutory advisory agency, is also included in this program.

Program Description

The Auditor General, who is an Officer of the Assembly, conducts independent audits of government programs, the financial statements of the Province and numerous agencies of the Crown, broader public-sector organizations, and reviews under the authority of the *Auditor General Act* and various other statutes and authorities. The results of these audits and reviews provide assurance, objective information and advice to the Legislative Assembly. In doing so, the Office of the Auditor General assists the Assembly in holding the government, its administrators, and grant recipients accountable for their stewardship of public funds and for the achievement of value-for-money in the delivery of services to the public.

Additionally, under the *Government Advertising Act*, 2004, the Auditor General is required to review specified types of advertising and certain printed matter proposed by government offices to determine whether they meet the standards required by that Act.

Under both Acts, the Auditor General reports the results of the work conducted each year directly to the Legislative Assembly.

As required by the *Fiscal Transparency and Accountability Act*, 2004, in an election year the Auditor General is also required to review and report on the reasonableness of a Pre-Election Report prepared by the Ministry of Finance.

Program Description

Children and Youth Services programs include Healthy Child Development, Children and Youth at Risk, Specialized Services and the Ontario Child Benefit. Healthy Child Development supports a range of screening, assessment and early intervention services for children and their families, such as: Healthy Babies Healthy Children, Infant Hearing Program and Preschool Speech and Language services. The Children's Activity Tax Credit refunds a portion of fees paid towards eligible activities for children, including arts, music and physical activity programs, regardless of family income level. Children and Youth at Risk includes Child Protection, residential and community-based programs and services, Child and Youth Mental Health, life promotion/youth suicide prevention, Aboriginal children and youth services, Youth Opportunities and Youth Justice Services for youth-in, or at-risk for, conflict with the law. In particular, Youth Opportunities initiatives provide services for diverse and atrisk youth, including employment and outreach, such as the Youth Outreach Worker Program, the Jobs for Youth program, the Youth in Policing Initiative, and the Youth Opportunities Fund. Child Protection Services are provided by children's aid societies, which are mandated to: protect children and youth who have been, or are at risk of being, abused, neglected; provide for their care and supervision, and place children for adoption. Specialized Services support children and youth with a range of special needs, including autism services, rehabilitation services (speech/language, occupational and physical therapy), coordinated service planning, respite programs, and support for children and youth with complex special needs such as a dual diagnosis. The Ontario Child Benefit is an income-tested, non-taxable financial benefit that supports eligible low to moderate-income families with children under the age of 18. The Ontario Child Benefit Equivalent is provided to children's aid societies to provide children and youth in care with increased access to social, educational and recreational opportunities and a savings program for older youth in care. The Ontario Child Care Supplement for Working Families (OCCS) is a tax-free monthly payment for low- to moderate-income working families with children under seven years of age. born prior to July 1, 2009.

Program Description

========

Through the Adults' Services Program effective and accountable community-based services are directed to those most in need. Ontario's Social Assistance programs provide financial and employment supports to eligible individuals who are in need, including people with disabilities, and their families. The Community and Developmental Services programs provide funding, based on available resources for a range of services and supports for adults with a developmental disability and children with developmental and/or physical disabilities through community-based service providers, and direct funding through Passport and Special Services at Home. These programs promote inclusion of adults with a developmental disability and their families by helping them live and participate in a wide range of activities in their communities. The Community and Developmental Services programs also fund community-based services and supports for Aboriginal people (through the Aboriginal Healing and Wellness Strategy's culturally- appropriate programs to improve Aboriginal health, healing and wellness outcomes), and for women experiencing violence and their children, and individuals who are deaf, deafened, hard of hearing or deafblind. The Custodian of Adoption Information provides adoption information disclosure services to adopted adults, adoptive parents, and birth families. The Family Responsibility Office is an enforcement program working with support payors and support recipients to meet their child and spousal support responsibilities.

Program Description

Reporting to the Commissioner of the Ontario Provincial Police (OPP), the OPP is responsible for providing direct front-line policing services in hundreds of municipalities and First Nations communities throughout the province. The OPP investigates province-wide and cross-jurisdictional crimes including complex frauds and organized criminal activity. In addition, the OPP patrols provincial highways and is responsible for many of the waterways and trail systems in the province. The OPP maintains specialized provincial registries, e.g., Violent Crimes Linkages Analysis System and the Ontario Sex Offender Registry. Oversight of provincial strategies such as child exploitation and biker enforcement are responsibilities of the OPP. Included as part of its provincial mandate, the OPP also provides emergency services support, is responsible for security for high profile international events, and delivers specialized security and protection services for the Government of Ontario throughout the province.

Program Description

Reporting to the Deputy Minister of Correctional Services, the Correctional Services Program is responsible for the operation of jails, detention centres, correctional centres, treatment centres and probation and parole services. The program supervises the detention and release of adult inmates and provides supervision of offenders serving sentences in the community on terms of probation, conditional sentence and Ontario parole. Key services and programs include training, rehabilitative programming, treatment and services designed to help offenders achieve changes in attitude and behaviour to support successful reintegration into the community.

Program Description

Reporting to the Deputy Minister of Community Safety, this program is dedicated to providing quality services related to public safety, security, and death investigations. This is achieved through the efforts of the Office of the Chief Coroner and Ontario Forensic Pathology Service and the Office of the Fire Marshal and Emergency Management. All are devoted to the rapid identification of issues and their resolution through effective mitigation, prevention, preparedness, response, recovery, scientific, investigative, business continuity and public education initiatives. The section strives to be a leader in ensuring that all of Ontario's diverse communities are safe and secure thereby supporting the government in its priority of stronger, safer communities.

Program Description

This program supports economic growth and job creation in Ontario by: attracting investment in key business clusters and sectors, and administering related funding programs; providing assistance to Ontario industry sectors and communities facing economic challenges; providing leadership in the development of economic policies across government and championing economic development research; leading the development of the province's long-term infrastructure plan; prioritizing infrastructure investments to promote jobs and prosperity; supporting strong communities across Ontario by investing in critical infrastructure projects; refining the Alternative Financing and Procurement model to ensure it remains the best approach to delivering infrastructure projects on time and on budget; expanding natural gas access; modernizing government and improving services to business through the enterprise- wide Open for Business initiative; working with partner ministries, agencies and stakeholders to promote social entrepreneurship in Ontario; supporting investments in highspeed broadband services in Ontario; promoting Ontario as a premier investment location and world class provider of goods and services; developing investment opportunities through investment lead generation activities; supporting Ontario's highperforming small and medium enterprises through 12 regional Business Advisory Services offices; promoting entrepreneurship as a viable career option among Ontario's youth; delivering youth entrepreneurship programming with a focus on experiential learning, mentorship and capital support; making Ontario accessible by developing accessibility standards and reviewing and overseeing organizations' compliance with them; forging strategic partnerships to promote accessibility initiatives; and providing public education, tools and resources for accessibility planning and programming.

This program also has integrated responsibility for strategic planning, policy development and management of a realty portfolio encompassing approximately one million acres of land and thousands of buildings and structures held throughout Ontario.

Program Description

The program provides policy and program direction, as well as financial support, to elementary and secondary schools and agencies in Ontario in order to foster and sustain a high-quality education system for all students in the province, no matter where they live. The program aims to achieve three primary outcomes: excellence in student achievement; preparation of all students for success in further education, work and community life; and improvement of Ontario's ability to compete in a global marketplace.

Key components of the program are: supporting the implementation of a rigorous curriculum; supporting student learning and maintaining challenging standards of achievement, and supporting excellence in teaching; provision of financial support to a streamlined and efficient education system with a focus on teaching and learning in the classroom; accountability for the funding of elementary and secondary education; and operation of provincial schools for deaf, blind, deaf/blind and students with severe learning disabilities.

Program Description

This program is responsible for developing Ontario's energy policy framework, which is central to the building of a strong and prosperous economy. It provides leadership and support to the energy sector to ensure clean, reliable, affordable and sustainable energy supply, transmission and distribution systems. The program supports energy conservation and efficiency, grid modernization, and the development of cleaner forms of energy. This program also oversees engagement and consultation with First Nations and Métis on provincial energy sector activities and projects while facilitating the participation of Aboriginal communities in renewable energy and transmission system developments.

Program Description

This program develops and implements sound economic, tax and inter-governmental taxation and fiscal strategies to stimulate economic growth and job creation; forecasts, monitors and reports on the performance of the Ontario economy; provides expertise and advice on sound economic design of government initiatives; develops demographic forecasts for Ontario and its 49 census divisions; develops the policy and legislative framework for Ontario's taxation and benefits systems and the financial services industry; develops and implements a fiscal and financial management framework for the public sector in Ontario; assists the Minister of Finance and the government in formulating Ontario's finance policy and strategies with respect to federal-provincial fiscal arrangements; develops, monitors and reports on the fiscal plan strategies and results for the province; and provides policy advice to clients, managers, and decision makers in the areas of fiscal and financial management. The program provides oversight and advice on provincial-municipal issues within the context of the Province's fiscal plan, working closely with other ministries and municipal stakeholders. The program also advises on tax policies affecting Ontarians, including personal income tax, and corporate tax, assessment and property tax policy, grants to municipalities, and education property tax rates, as well as providing oversight of the property assessment system and administration of the province's main transfer payment to municipalities. In addition, the program reflects the transfer of dedicated electricity earnings from the province to the Ontario Electricity Financial Corporation.

This program assists the Minister, Deputy Minister of Finance and the government in formulating the fiscal plan and reporting the results of the Province through the Ontario Budget, Ontario Quarterly Finances, Ontario Economic Accounts, Economic Outlook and Fiscal Review, and the Public Accounts. The program also undertakes annual population projections for use in resource allocation and planning, and prepares the Long-term Report on the Economy and, in conjunction with Treasury Board Secretariat, the Pre- Election Report on Ontario's Finances.

Program Description

The Financial Services Commission of Ontario (FSCO) regulates the province's financial services sector, including insurance companies, health service providers for auto insurance, pension plans, credit unions, caisses populaires, mortgage brokers, agents and administrators, loan and trust companies, and co-operatives. FSCO also makes recommendations to the Minister of Finance on matters affecting these sectors. In addition, FSCO is responsible for the administration of the Motor Vehicle Accident Claims Fund (MVACF) which compensates people injured in automobile accidents in Ontario where there is no other insurance available to respond to the claim. FSCO is also responsible for the administration of the Pension Benefits Guarantee Fund (PBGF). The PBGF pays a minimum level of pension benefits if a plan is wound up with insufficient assets.

FSCO works with the Ministry of Finance, consumers and industry stakeholders to protect the public interest and enhance public confidence in the regulated sectors.

Program Description

This pThis program is responsible for the effective and efficient administration of Ontario tax statutes and a number of benefit programs and for maintaining the integrity of Ontario's tax system. It conducts tax compliance activities including audit, inspection, investigation and collections and delivers key benefit programs for low-income seniors and families. Central to this role is the provision of high quality services to clients including information and advisory services. Accountability for managing the relationship with the Canada Revenue Agency, which collects the majority of the province's taxes on its behalf, also rests with this program. The program leads the province's efforts in addressing the underground economy, contraband tobacco, corporate tax avoidance, and other revenue integrity measures. In addition, the program supports the delivery of enterprise-wide initiatives such as the collection of non-tax revenues and benefits transformation, including providing automated income verification and related administrative services for various programs such as the Ministry of the Attorney General's Child Support Service. The program also works in partnership with First Nations on a range of issues including tobacco. In limited circumstances, the program provides grants to not-for-profit organizations and selected First Nations communities related to tax administration.

Program Description

The Office of Francophone Affairs (OFA) provides advice to the Ontario government on matters concerning Francophone affairs and the provision of French-language services. The OFA's primary program consists of partnering on cross-ministry transformation initiatives to enhance efficiency and effectiveness and ensure the integration of French-language services in those initiatives; monitoring and evaluating the effectiveness of French-language services (FLS) by reporting on ministries' achievements and corporate performance measures on an annual basis; making recommendations with respect to the designation of new areas and agencies under the FLSA and coordinating the implementation of services in newly designated areas; working with ministries and agencies to ensure a coordinated response to the French Language Services Commissioner's (FLSC) annual report; analyzing Census data and generating statistical profiles on the province's Franco-Ontarian population; coordinating the transfer of federal funding to other ministries and agencies for projects and initiatives funded under the Canada-Ontario Agreement on French- language Services; leading the planning and execution of Ontario's commemoration of the 400 years of Francophone presence across the province; and hosting the Ministerial Conference on the Canadian Francophonie (MCCF) to be held in Toronto in June 2015.

Program Description

The Health Policy and Research Program integrates health system research evidence, strategy and program policy to provide strategic directions for Ontario's health system. System-wide planning allows the Ministry to: support legislation and policy development; monitor alignment with the strategic directions; select and manage portfolios, strategy and other initiatives within the Ministry to further health system and health human resource goals. The work includes targeted investment, administration of funding programs, oversight and synthesis of health services/population health research, strategic policy and planning relating to the supply, mix, distribution, recruitment, retention, scope of practice and education/training of health providers. Related activities are the regulation of health professionals and labour relations matters pertaining to health professionals.

Program Description

The Ontario Health Insurance Program includes key elements of Ontario's health care system: client eligibility and health card policies, physicians' payments for services that are insured under the *Health Insurance Act*, other practitioners' payments, out-of- province/out-of-country services, independent health facilities, Family Health Teams, midwifery services, underserviced areas, northern health travel grants, teletriage services, disease prevention, health quality, drugs, community laboratories, psychiatric patient advocacy and rights advice, protection from health-related fraudulent activity and assistive devices including home oxygen.

Ontario health services are available from health professionals in various settings from family doctors' offices to academic health science centres, to hospitals, to Telehealth Ontario and Telephone Health Advisory Service where triage advice and health information are provided by a registered nurse. Government-funded services are available to Ontarians who have registered, and who are eligible for the Ontario Health Insurance Plan. The Underserviced Area Program and the Northern Health Travel Grant Program offer a number of integrated supports that provide rural and northern communities with access to needed health care services.

The focus for disease prevention is improving the health and health care for Ontarians living with or at high risk of developing diabetes, congestive heart failure, chronic obstructive pulmonary disease and hypertension. Ontario Diabetes Programs improve access to and quality of diabetes services to improve the health and health outcomes of individuals at risk of developing or living with diabetes.

Health Quality Ontario is the provincial agency that supports evidence-based, high quality health care to contribute to a sustainable health system.

Program Description

The goal of the Public Health Program is to protect and enhance health, and prevent the onset of disease and premature death of Ontarians at all stages of life. The mandate of Public Health includes the entire spectrum of infectious diseases, chronic diseases and injury prevention, healthy child development, family and community health, environmental health, and emergency management - all with a focus on the underlying determinants of health. This Program focuses health resources on prevention, detection, early interventions and treatment where appropriate.

The program sets standards, protocols and performance targets, provides funding to Ontario's public health system, including boards of health, related associations and Public Health Ontario, and provides policy and program oversight to ensure accountability of the system. It includes the Chief Medical Officer of Health who has independent powers and the responsibility to report annually on the state of public health to the Legislative Assembly of Ontario. The program also partners with Public Health Ontario which supports public health at the provincial and local levels through the provision of scientific advice, education and training and field support as required.

Program Description

As steward for the long-term sustainability of Ontario's health care system, the Ministry collaborates with 14 Local Health Integration Networks (LHINs) to promote a patient-focused, value driven, integrated and co-ordinated health care system. While the Ministry provides strategic direction and guidance, the LHINs are responsible for planning, integrating and funding health service providers in their local health systems. The LHINs exercise their authority under the *Local Health System Integration Act, 2006.* Additional responsibilities and performance expectations are set out in the Memorandum of Understanding and Performance Agreement with the Ministry of Health and Long-Term Care. The LHINs have the flexibility to address unique local health needs and priorities through the management of services in public, private and specialty psychiatric hospitals, community care access centres, long-term care homes, community health centres, community support services, community services for persons with acquired brain injury, assisted living services in supportive housing, mental health and addiction agencies. The Ministry, in partnership with LHINs, ensures the delivery of accessible, community-responsive and high-quality health care for all Ontarians.

Program Description

========

This vote includes Provincial Programs, Emergency Health Services and Stewardship. This program is responsible for transfer payment accountability, and operational policy development, including the planning and funding of a wide span of specialized programs. Examples of these transfer payment programs include: Cancer Care Ontario, Ontario Breast Screening, Community and Priority Services, Operation of Related Facilities, Ontario Healthy Homes Renovation Tax Credit, HIV/AIDS and Hepatitis C Programs. In addition, the program provides Ontario's share of funding to the Canadian Blood Services and also supports a blood utilization management strategy for Ontario.

In addition to transfer payment activities, Provincial Programs and Stewardship also includes Direct Operating Expenditures for the management and delivery of the Transfer Payments within the Vote, and for the oversight administration (stewardship) of the Local Health Integration Networks.

Emergency Health Services ensures the existence of a balanced and integrated system of emergency health services throughout Ontario. The system consists of a series of inter-related programs and services including municipally operated/contracted land ambulance services, the not-for-profit air ambulance organization called Ornge, and ambulance communications services.

Program Description

The mandate of the Health Promotion Program is to support the government's priority of keeping Ontarians healthy at all stages of life. The Program provides a leadership role in keeping Ontarians healthy by developing health promotion policies, strategies and initiatives to promote healthier living, and providing Ontarians with the tools to make healthier choices. The Program provides oversight and ongoing management of transfer payment funding to support Ontario Public Health Standards aimed at child and reproductive health, chronic disease, prevention of injury and substance misuse. The Program is responsible for transfer payment accountability, and operational policy development, including the planning and funding of a wide span of specialized programs that support key government priorities such as the Smoke-Free Ontario Strategy, Healthy Kids Strategy, Diabetes Strategy and Children and Youth Low Income Dental program.

The Program sets standards, protocols and performance targets for boards of health and provides policy and program oversight to ensure accountability of the public health system.

Program Description

The mandate of the Pay Equity Office (PEO) is to administer and enforce Ontario's *Pay Equity Act*, which is intended to eliminate systemic gender discrimination in the compensation of work primarily performed by women. To carry out this mandate, the PEO provides education and advice to employers, employees and bargaining agents in the public and private sectors to achieve and maintain pay equity in their workplaces. The PEO also investigates complaints, conducts monitoring programs, attempts to effect settlements of pay equity issues between the parties and issues Orders for compliance where necessary.

The Pay Equity Hearings Tribunal, a quasi-judicial tri-partite administrative tribunal, is responsible for adjudicating disputes arising under the *Pay Equity Act*.

Program Description

The role of Labour Relations is to promote a stable labour relations climate and harmonious workplace relationships in the province. This is achieved through collective agreement conciliation and mediation, appointment of arbitrators, modernized collective bargaining information services, relationship building and training.

The Ontario Labour Relations Board (OLRB) is an independent, quasi-judicial tribunal which mediates and adjudicates a variety of employment and labour relations-related matters under various Ontario statutes, including appeals of decisions of employment standards officers and occupational health and safety inspectors.

The Crown Employees Grievance Settlement Board (GSB) is an independent quasi-judicial tribunal that mediates and adjudicates the labour relations disputes of Ontario Crown Employees. The GSB also provides financial and administrative services to the Public Service Grievance Board, an agency of the Ministry of Government and Consumer Services.

Dispute Resolution Services provides neutral, third-party assistance to trade unions and employers through collective agreement conciliation and mediation, appointment of arbitrators, collective bargaining information, relationship building and training.

Program Description

Occupational Health and Safety (OHS) Program's primary mandate is the setting, communicating and enforcing of the occupational health and safety legislation and regulations, and coordinating Ontario's workplace injury and illness prevention system to reduce or eliminate workplace injury or illness.

Largely through inspections and investigations of workplaces, the OHS program monitors compliance with the *Occupational Health and Safety Act* (the Act), and assists workplace parties in securing a healthy and safe working environment. Through the administration and enforcement of the Act and its regulations, it encourages employers and workers to cooperatively identify and control health and safety hazards.

The Prevention Office is responsible for initiatives aimed at preventing occupational injuries, illness and fatalities in Ontario. This includes the development of a province-wide health and safety strategy to align OHS priorities across all system partners, and related implementation activities such as mandatory workplace health and safety training, standards, research and awareness. The Office establishes standards for, and approval of high risk training programs and providers; as well as requirements for certification of joint health and safety committee members. It also oversees prevention research and innovation grants programs which provide funding to recipients who meet specific eligibility criteria. Through transfer payment agreements, the office designates and maintains oversight of Health and Safety Associations, who offer specific training, consulting and clinical services.

The Office of the Worker Adviser (OWA) provides advisory, representation and educational services to non-unionized injured workers and survivors in workplace insurance cases, including representation before the Workplace Safety and Insurance Board and the Workplace Safety and Insurance Appeals Tribunal. The OWA also provides the same range of services to non-unionized workers in reprisal complaint cases under Section 50 of the *Occupational Health and Safety Act*, including representation at the Ontario Labour Relations Board.

The Office of the Employer Adviser (OEA) provides advisory and educational services to all Ontario employers and representation services primarily to smaller employers, with fewer than 100 employees, with regard to workplace safety insurance matters before the Workplace Safety and Insurance Board and the Workplace Safety and Insurance Appeals Tribunal. The OEA also provides representation services to employers with fewer than 50 workers at the Ontario Labour Relations Board in reprisal complaint cases under Section 50 of the Occupational Health and Safety Act.

Program Description

The Employment Rights and Responsibilities Program (ERRP) is responsible for the administration and enforcement of the *Employment Standards Act, 2000* and its regulations, and the *Employment Protection for Foreign Nationals Act.*

The ERRP ensures that Ontario workers are protected by minimum standards of employment covering wages and working conditions. It promotes compliance with these standards through inspections, investigations and enforcement initiatives, and encourages self-reliance through education, outreach and partnership efforts.

Program Description

This program provides the services required by the Lieutenant Governor in performing her constitutional, representational and community duties. In her constitutional role, the Lieutenant Governor represents the Queen, appoints as Premier the party leader having the confidence of the Legislative Assembly, swears in the Executive Council, outlines the Government's plans in the Speech from the Throne, provides the Royal Assent needed for bills to become law, approves orders-in-council and appointments recommended by Cabinet, and prorogues or dissolves each session of Parliament. In her representational and community role, the Lieutenant Governor represents the people of Ontario and acts as the Province's official host, welcoming the Queen and members of Canada's Royal Family, Commonwealth and foreign government officials, diplomatic representatives and visiting VIPs. The Lieutenant Governor promotes many important initiatives, most notably those that integrate environmental, economic, social, educational and cultural concerns, as well as those that enhance a relationship with the province's Indigenous peoples.

Program Description

This program is the ministry's interface with municipal clients responsible for providing services and implementing programs within Municipal Services and Building Regulation core businesses. It is also the province's key point of contact with the building sector on matters related to Ontario's Building Code. Its main priorities are to: oversee the implementation of the *Municipal Act*, the *Planning Act*, the *Housing Services Act*, the *Building Code Act* and related legislation, regulations, policies and programs; strengthen municipal capacity to achieve financial sustainability, prosperity and resiliency; lead the province's one-window land-use planning and assist municipalities in delivering their full land-use planning authority; support or coordinate the delivery of capacity building to municipal clients; and protect public safety in buildings. This program also supports key government initiatives such as renewable energy, water conservation, source water protection and barrier-free accessibility in the built environment. It administers numerous transfer payment programs, including provincial disaster assistance programs, and manages the ministry's Order-in-Council Emergency Management Program.

Program Description

The objectives of this program are well-planned, safe, strong, sustainable and healthy communities that enhance quality of life and support a prosperous economy. The Local Government and Planning Policy Program contributes to a long-term policy, administrative, and legislative framework that enhances the accountability, transparency and effectiveness of local government and democratic processes; improves environmental protection, growth management, conservation of greenspace and healthy economic growth and resiliency; provides tools to improve local service delivery, reduce costs, achieve financial sustainability, enhance accountability to taxpayers, and builds and maintains effective partnerships with key municipal and professional associations, municipalities, Aboriginal peoples and other ministries and governments; manage Ontario's population growth and preserve agricultural sensitive lands by leading the Places to Grow initiative; and helps develop and implement regional growth plans. All of this work is guided by a partnership approach and meaningful stakeholder and municipal engagement and consultation.

Program Description

The objectives of this program are to: deliver on the government's commitments on affordable housing and homelessness prevention; create a regulatory framework that protects tenants and landlords and encourages proper maintenance and investment in rental housing; and support municipalities, housing providers and other external stakeholders, in order to help them meet their housing responsibilities. To meet its objectives, the program provides a full range of services: policy development, program design, delivery compliance, complaints resolution, and funding for affordable and social housing and homelessness.

Program Description

The Natural Resources Management Program provides leadership and oversight in the management of Ontario's forests, Crown land, water, renewable energy, aggregate and petroleum resources through the development, implementation and improvement of legislation, policies, programs, information systems and standards.

The Program endeavours to ensure a healthy, viable forest industry in Ontario, and foster a competitive business environment by promoting jobs and investment in the forestry sector.

The Natural Resources Management Program also provides leadership and oversight in the management of Ontario's fish and wildlife resources, parks and protected areas, including the protection and management of provincially significant natural, cultural and recreational environment in order to promote healthy and sustainable ecosystems, conserve biodiversity, and enhance opportunities for outdoor recreation.

In addition, the Program provides leadership and oversight in the management of capital infrastructure assets such as fish culture facilities, Parks, Crown land, water, and other infrastructure investments including the development and application of geographic and land information and infrastructure to share such information to deliver ministry programs.

Program Description

The Public Protection Program provides leadership for the delivery of the Ministry's emergency management program for the protection of people and property affected by forest fires, flood, drought, erosion, soil/bedrock instability, and crude and natural gas exploration including natural gas and hydrocarbon underground storage, salt solution mining emergencies and other provincially significant emergencies where assistance is requested.

The program also has responsibility for the planning and provision, directly or indirectly, of non-scheduled air transportation for the Government of Ontario.

Program Description

This program leads and assists in the development and delivery of policies, programs and services that support Northern Ontario businesses and communities. In addition, the program strives to make Northern Ontario strong, healthy and prosperous by providing business and community economic development support and access to government programs and services, promoting trade and investment, and answering northern regional and local infrastructure needs. It also coleads the implementation of the government's Growth Plan for Northern Ontario through the coordination of provincial economic development initiatives in the North.

The program provides support for policy and program development and implementation on a range of issues and opportunities with respect to Northern Ontario. By engaging Northerners in government initiatives, including policy and planning activities, this program also ensures Northerners have a say in the development of government programs and services that affect them. The program is responsible for applying a Northern lens for policy review and development and champions Northern Ontario interests to further economic development.

This program invests in Northern Ontario infrastructure to support government priorities. Strategic investments in infrastructure such as the Northern Highways Program and telecommunications and information technology are improving the North's linkages to the rest of Ontario, Canada and beyond.

The program area provides economic development support to Northern Ontario businesses and communities. Through this program, the Ministry's network of offices provides northern communities and businesses with access to government economic development programs and services. Ministry programs work to attract trade and investment opportunities to help northern businesses develop and expand domestic and international markets. The Ministry also helps public and private sector economic growth, diversification and job creation through the Northern Ontario Heritage Fund Corporation.

Program Description

This program encourages, promotes and facilitates the sustained economic benefits of Ontario's mineral resources through its oversight of Ontario's mineral exploration and development sector. It promotes a strong, safe and sustainable Ontario by administering *Ontario's Mining Act* in a fair and consistent manner, to ensure sustainable and responsible development of our mineral resources. This involves ensuring equitable public access to Crown mineral rights, fair and efficient management of Ontario's mining lands as well as ensuring the safe, environmentally sound mineral development and rehabilitation of mining lands.

It also has responsibility for encouraging and facilitating Aboriginal participation in Ontario's economy in a way that is respectful of Aboriginal rights and culture and meets Ontario's consultation obligations.

The program also generates and disseminates geoscientific data that attracts and guides mineral sector investment and informs a broad range of government policy priorities.

It administers the Ontario Diamond Royalty Regulation, values rough stones for export, and works with industry partners to pursue value-added opportunities throughout the diamond industry.

This program also provides support for policy and program development and implementation on a range of issues and opportunities with respect to development in the Ring of Fire. A dedicated secretariat works with all parties involved, consulting with Northerners including Aboriginal people and the mining community to encourage the region's responsible, sustainable development.

Program Description

The Ombudsman is an Officer of the Legislature who submits his reports directly to the Legislative Assembly. The Ombudsman's mandate is set out in the *Ombudsman Act*. The Ombudsman publishes an Annual Report as required by the Act, as well as special reports throughout the year on systemic investigations conducted by the Special Ombudsman Response Team.

The Ombudsman investigates complaints about the administration of Ontario's provincial governmental organizations and makes recommendations to improve government policy, programs and services. The Ombudsman investigates both individual and systemic complaints brought forward by members of the public, Members of Provincial Parliament, and on his own initiative. The Ombudsman services are free of charge.

During the 2014/2015 fiscal year, the Ombudsman's Office handled 23,153 complaints. The Ombudsman's Office maintains a complement of 86 FTE's, 63 of which are members of the Canadian Office and Professional Employees union (COPE).

The Ombudsman also investigates citizens' complaints about closed municipal meetings pursuant to the *Municipal Act*, where no municipal investigator is in place. This additional jurisdiction was received in 2008 and was implemented using existing resources and with no resulting increase in the operating budget of the office. The Ombudsman also publishes an Annual Report on the Closed Meetings investigations conducted by his office, as well as special reports on individual investigations.

In December of 2014, The Public Sector and MPP Accountability and Transparency Act, 2014 – known familiarly as "Bill 8" passed. This legislation makes historic changes to the Ombudsman's mandate, allowing our Office to help many more Ontarians. It expands the Ombudsman's jurisdiction to municipalities, universities and school boards. Starting September 1, 2015, the Ontario Ombudsman is officially able to take complaints about the province's 82 school boards. The Bill will also enable the Ombudsman to take complaints about municipalities and universities as of January 1, 2016.

The Office of the Ombudsman maintains a high social media presence and individuals may contact the Office to lodge a complaint in person, in writing, via toll-free telephone, email, internet or using a mobile web application. The Office provides extensive information about its operations and specific investigations in both English and French, on its website at www.ombudsman.on.ca.

Program Description

The Tourism Program seeks to sustain and grow the competitiveness of Ontario's tourism industry.

The Ministry works in partnership with tourism associations and partners to strengthen and build the tourism industry and promote Ontario worldwide as a premier, four-season tourist destination. This includes providing support to the 13 Regional Tourism Organizations and festivals and events across the province, identifying tourism investment and development opportunities, and providing strategic research to keep tourism stakeholders well informed about trends, issues, and visitor expectations.

The Ministry oversees the activities and accountabilities of six agencies and two attractions that promote tourism, economic growth and job creation. The Ministry's tourism attractions and agencies are the stewards of unique historic facilities, green space and parklands in regions across Ontario, and offer a range of educational, recreational, cultural and entertainment programs for residents and visitors.

Program Description

The Ministry's sport, recreation and community programs are working to increase Ontarians' sport and physical activity participation levels and developing high performance athletes whose achievements inspire people across Ontario and Canada.

The Ministry leads Ontario's interests in 'Amateur Sport' by ensuring recognized sports are conducted in a fair and safe way; encouraging sport participation among all Ontarians; supporting high performance athletes; ensuring the sport legacy from the 2015 Pan/Parapan American Games and advocating Ontario priorities at the federal level.

The Ministry leads Ontario's interests in 'Recreation' by providing funding for key partners to deliver projects that increase physical activity and provide after school programs among children and youth and promote the 2015 Pan/Parapan American Games; enhance recreation infrastructure at the local level; provide coordination for provincial interests in trails, parkland, open space and water based recreation resources.

The Ministry also supports Recreation and Community programs that deliver targeted health promotion programs with a focus on sport and recreation and engage Aboriginal communities to increase physical activity.

Program Description

The Tourism and Culture Capital Program preserves and enhances Ontario's investment in tourism and cultural infrastructure. The Ministry provides capital repair and rehabilitation funding to 14 of its 21 tourism and cultural agencies and attractions. This funding enables the Ministry's agencies and attractions to undertake repair and rehabilitation of existing infrastructure including: renovations, building code upgrades, health and safety improvements and statutory/regulatory compliance, that help them remain competitive and enhance the visitor experience. The Ministry also manages one-time capital investments.

The Ministry, in partnership with Ontario Place Corporation, continues to work towards revitalizing Ontario Place.

Program Description

The Culture Program promotes and supports the arts and cultural industries, protects Ontario's heritage, advances the public library system and supports cultural agencies in order to maximize their contribution to Ontario's social, cultural and economic well-being. The Ministry provides support and advice to municipalities, First Nations, municipal heritage committees and others involved in heritage conservation and protection or cultural planning.

Through strategic investments in cultural industries in the entertainment and creative cluster, the Ministry supports innovation, encourages high-skill job creation and contributes to strengthening Ontario's competitive advantage in the knowledge-based economy.

Program Description

The Pan/Parapan American Games Secretariat is responsible for overseeing Ontario's financial commitments to the Games and working with the Toronto Organizing Committee for the 2015 Pan American and Parapan American Games, federal and municipal governments to ensure the Games vision is achieved. The Secretariat works with other ministries to co-ordinate the province's involvement in planning and operational activities for the Games, provides important services and expertise for hosting the Games and ensures the legacies are enjoyed by Ontarians for generations to come. The Secretariat also works with Infrastructure Ontario and the Ministry of Economic Development, Employment and Infrastructure to co-ordinate the acceleration of the West Don Lands development for the Pan/Parapan American Athletes' Village and works closely with all partners in the development of new and improved sport infrastructure that will support athletes and all Ontarians.

Program Description

The Postsecondary Education Division works in collaboration with the Strategic Policy and Programs Division to implement government strategies and policies for postsecondary education in Ontario. The Postsecondary Education Division develops and implements operational policies and financial support to postsecondary education institutions and students in Ontario, in support of the government's social and economic policy objectives with the goal of providing opportunities for high quality, accountable, relevant and accessible postsecondary education.

Key components of the program include: Ontario Student Assistance Program; administration of operating and capital transfer payments to colleges and universities; managing financial and governance relationships with postsecondary institutions; managing accountability mechanisms (such as key performance indicators and multi-year accountability agreement annual report backs); regulating the public colleges of applied arts and technology and private career colleges in accordance with applicable statutes.

Program Description

Employment Ontario (EO), Ontario's integrated employment and training network, makes it easier for Ontarians to find the employment and training programs and services they need. To remain competitive in the current and future economy, investments in education and skills training play a critical role in preparing people for jobs that ensure future prosperity in the knowledge-based economy.

EO's programs and services fall into four categories:

- 1. Employment and Training;
- 2. Apprenticeship;
- 3. Foundational Skills; and,
- 4. Labour Market.

The majority of EO programs and services are delivered through the EO network, comprised of Ontario's community-based network of employment service providers, literacy providers, public colleges, direct delivery apprenticeship offices and training delivery agents. EO aims to deliver integrated, customer-focused and effective employment and training to advance Ontario's economic advantage.

Program Description

The Strategic Policy and Programs Division leads strategic policy development and program design for postsecondary education and labour market training. It also performs key functions for the ministry such as: long-term forecasting, capital planning and evaluation, and management of inter-jurisdictional relations, including the oversight of federal-provincial labour market agreements. The division's work contributes to the government's goal of developing a highly knowledgeable and skilled workforce able to succeed in today's changing economy.

Program Description

=======

The Ministry Administration Program provides guidance and supports the ministry in meeting its business objectives. From providing expertise on expenditure management to helping the ministry get the best value from its human resources, this program gives the ministry the necessary professional support to achieve its overall goals.

========

The program provides a full range of services including resource planning and management, controllership, procurement, communications, customer service, accessibility and diversity planning, emergency management and other corporate functions. This program also administers the government fleet of vehicles, on behalf of the entire Ontario Public Service.

Program Description

The Policy and Planning Program is responsible for identifying the long-term, strategic interests of the province with respect to Ontario's transportation systems, including transit. It also develops and implements policies, plans, programs and investments necessary to achieve that interest.

The program leads economic analysis and strategic research to support the sustainable and efficient movement of goods and people across Ontario's multimodal transportation system. It is also responsible for managing the province's relationship with Crown Agencies such as Metrolinx, which includes GO Transit, and for leading the development of an integrated multimodal Pan/ParaPan Am Games Transportation Plan.

Additionally, the program works to advance Ontario's transportation priorities and interests through the development of strong relationships with the federal government, other provinces, municipalities, and Aboriginal communities.

Program Description

The Road User Safety Program develops and implements strategies to improve road safety and mobility through the promotion of safe and responsible driving behaviour and motor vehicle safety.

Ontario has an excellent long-term road safety record and is consistently one of the safest road jurisdictions in North America. The Ministry of Transportation's road safety program leads and actively participates with other jurisdictions in Canada and the United States in developing and promoting road safety initiatives and best practices. The program works with many partners, including law enforcement partners, community groups, safety organizations, the medical community, public health units, injury prevention practitioners, the insurance industry and the private sector to reduce collisions, fatalities and injuries on our roads.

The key responsibilities of the program are to: set safety standards and develop policies, programs, legislation and regulations for road users, commercial carriers and motor vehicles; inspect, monitor and enforce compliance with those standards; manage and deliver driver improvement and commercial vehicle safety programs; conduct leading edge research to inform policy development and guide public education and road safety marketing campaigns, improve public awareness of road safety, promote safe and responsible road user behaviours; manage revenue derived from driver and vehicle licences; focus on the customer by creating faster, smarter, more efficient products and services; and manage and protect personal information and identity. It also supports the delivery of programs for other ministries.

The program establishes policies and standards and oversees the delivery of driver and vehicle licensing, registration and other services by our government and private sector partners.

Program Description

The Provincial Highways Management Program oversees the provincial highway network and develops strategies to maximize investments in highway infrastructure.

The provincial highway network provides safe mobility for people and goods, and promotes economic, environmental and social sustainability. The program delivers these activities through internal resources, partnerships and private sector service providers.

Activities include environmental assessments, investment planning, engineering, property acquisition, rehabilitation, new construction, contract oversight and routine summer and winter maintenance (such as shoulder grading/snow and ice control) for all provincial highways and bridges. The program is responsible for remote airports throughout northern Ontario, ferry services in locations across Ontario, First Nations roads subsidies, road improvements in unincorporated areas, service centres, and the production of the Ontario highways official map.

The program develops policies and guidelines and sets highway and bridge maintenance, engineering, materials, investment planning and construction standards.

Program Description

The Labour and Transportation Cluster provides leadership in the use of information and information technology (I&IT) for the Ministries of Labour and Transportation. The cluster is also the central provider for .NET technology solutions across the Ontario Public Service.

The cluster enables the ministries to deliver elements of their mandates by supporting effective management of their I&IT resources. The cluster also plans I&IT investments to optimize value and help the ministries be socially responsible stewards of the public trust.

By helping to modernize the ministries' information practices, the Labour and Transportation Cluster enhances program delivery, enables new business opportunities and improves customer service.

Program Description

The Bargaining, Labour Relations and Compensation Program supports the government's commitment to positive labour relations with the OPS and Broader Public Sector (BPS).

The program represents the Crown as the employer in all collective bargaining and labour relations in the OPS, provides employee and labour relations advisory services, supports ongoing union-management relations and manages corporate compensation strategies and programs.

Representing the OPS as Employer, the program establishes legal/policy frameworks for effective HR management and develops human capital strategies to address current and emerging trends.

The program analyzes internal and external factors that drive collective bargaining outcomes in the BPS to develop and provide evidence based strategic guidance and advice to government, ministries and BPS employers related to ongoing collective bargaining and labour relations issues. The program also provides policy advice and support on government initiatives impacting executive compensation in the broader public sector.

Program Description

The Treasury Board Support Program supports the development of the province's fiscal plan, provides expertise and advice on sound program design of government initiatives, develops and implements infrastructure strategies for the province, develops and implements fiscal and financial management framework, and fosters greater accountability and fiscal integrity in the public sector in Ontario.

The program assists the Minister, Deputy Minister of Treasury Board Secretariat and the government in reporting the results of the Province through the Ontario Quarterly Finances, the Public Accounts, and the annual process to seek spending authority from the Legislature. Additionally, the program supports Treasury Board/Management Board of Cabinet by providing advice on ministries' annual multi-year business and infrastructure plans, planning processes and ministries' management of in-year expenditures to ensure the appropriate use of public resources to meet government priorities. The Program also provides the Ontario Public Service and Broader Public Sector with accounting and financial management policy and controllership advice, and supports the development of performance measurement frameworks.

Program Description

The Agencies, Boards and Commissions program provides oversight to ensure effective governance, accountability, and relationship management.

The Conflict of Interest Commissioner has responsibility for certain conflict of interest and political activity matters as they apply to appointees and employees of ministries and public bodies and to certain employees of ministries with respect to financial declarations. The Commissioner handles requests for advice or rulings on specific conflict of interest or political activity matters, advises on financial declarations, approves conflict of interest rules submitted by public bodies and reviews and approves adjudicative tribunals' ethics plans.

SUMMARY OF DEBT OUTSTANDING - Concluded

As at March 31, 2016

The Canada Pension Plan Investment Board (CPPIB) invests funds in the Province of Ontario's non-marketable securities. Effective July 1, 2005, under a side-letter agreement signed between the CPPIB and the Province, CPPIB offered the Province upon maturity of the debentures held to the credit of the Canada Pension Plan Investment Fund (CPPIF) that were issued before January 1, 1998, an option of issuing new replacement debentures to the CPPIB with a maximum term of 30 years (minimum term of 5 years and with subsequent roll over options subject to the 30 years maximum from the date of issue of the first replacement debenture) at a rate based on the capital market rates at the time of roll over.

The Ontario Immigrant Investor Corporation (OIIC) is an operational enterprise of the Ontario Government incorporated on April 30, 1999 under the *Development Corporations Act*. The corporation was established to act as Province's receiving vehicle for immigrant investor monies under the federal government's Immigrant Investor Program (IIP). The Ontario Financing Authority manages these monies under an investment management agreement with the OIIC, and the OFA invests these funds received from the IIP in Ontario's bonds.

The Canada Mortgage and Housing Corporation (CMHC) has accepted serial debentures issued by the Province in return for financing a significant proportion of the construction cost of Provincially-owned waste control facilities. The interest rate is based on the rate for the Government of Canada long-term Canadian public borrowing cost at the time that the Corporation agreed to participate in the project.

The Province of Ontario has issued to public investors in the capital market bonds denominated in Canadian dollar, United States dollar, Japanese yen, Australian dollar, euro, Swiss franc, and South African rand.

Ontario Savings Bonds (OSBs) were first issued in 1995. OSBs are retail bonds sold by the Province to the residents of Ontario. The bonds are issued once a year and are available for sale through most financial institutions. There are three types of bonds: Variable-Rate Bonds, Step-Up Bonds and Fixed-Rate Bonds. All are available with annual or compound interest.

Under the Treasury Bill financing program, non-interest bearing Treasury Bills, with various maturities up to three years, are sold by tender on a regular basis.

U.S. Commercial Paper issues are non-interest bearing debt with maturities up to 270 days.

A School Board Trust was created in June 2003 to permanently refinance debt incurred by 55 school boards. The Trust issued 30-year sinking fund debentures amounting to \$891 million and \$882 million of the proceeds was provided to the 55 school boards in exchange for the irrevocable right to receive future transfer payments from the Province. An annual transfer payment is made by the Ministry of Education to the Trust's sinking fund under the School Board Operating Grant program to retire the debt over 30 years.

Net consolidation and other adjustments include third party debt issued by other government organizations and elimination of Provincial debt held by these organizations.

Debt Issued for OEFC: The Province, on behalf of Ontario Electricity Financial Corporation (OEFC), borrows from the Canada Pension Investment Board and issues debentures and treasury bills in the public markets. The proceeds of all such borrowings are advanced to OEFC in exchange for bonds and short term notes with like terms and conditions.

Debt issued for Investment Purposes: On April 1, 1999, under the *Energy Competition Act*, five corporations, together with their subsidiaries, were formed from the former Ontario Hydro. Ontario Power Generation Inc. (OPG) and Hydro One Inc. are two of these five corporations. In order for OPG and Hydro One Inc. to have capital structures competitive with those of other industry participants, the two companies entered into a debt-for-equity swap with the Province of Ontario. The Province assumed \$8,885 million of the debt issued by the two corporations in exchange for \$5,126 million in equity from OPG and \$3,759 million in equity from Hydro One Inc.

OUTSTANDING DEBT - Continued

As at March 31, 2016

References:

- All debt issues are non-callable, except as stated in the notes below. Debt is payable at a fixed rate, or a floating rate with reference to a stated index, reset usually every three months (3M). These floating rate indices are CBA -Canadian Bankers' Acceptance Rate, Euribor - Euro Interbank Offered Rate, and Libor - London Interbank Offered Rate.
- The following debt series are issued for Provincial purposes and for OEFC: DMTN208, DMTN173, DMTN217, DMTN183, DMTN79, DMTN218, DMTN195, DMTN225, DMTN140, DMTN200, DMTN207, DMTN212, DMTN215, HP, DMTN223, DMTN227, KJ, LQ, DMTN158, DMTN164, DMTN182, DMTN204, DMTN214, DMTN220, DMTN228, PU, EMTN82 and G62.
- 3. The Canada Pension Plan Investment Board (CPPIB) invests funds in the Province of Ontario's non-marketable securities. Effective July 1, 2005, under a side-letter agreement signed between the CPPIB and the Province, CPPIB offered the Province upon maturity of the debentures held to the credit of the Canada Pension Plan Investment Fund (CPPIF) that were issued before January 1, 1998, an option of issuing new replacement debentures to the CPPIB with a maximum term of 30 years (minimum term of 5 years and with subsequent roll over options subject to the 30 years maximum from the date of issue of the first replacement debenture) at a rate based on the capital market rates at the time of roll over. These debentures are not negotiable or transferable and are assignable only to a wholly-owned subsidiary of the Canada Pension Plan Investment Board. On April 1, 2007, all debentures held to the credit of the CPPIF or purchased by the Minister of Finance of Canada in accordance with Section 110 of the Canada Pension Plan were transferred to the CPPIB.
- 4. OIIC: Total outstanding amount is \$709 million which is invested directly with the Province of Ontario and Infrastructure Ontario.
- CMHC: The terms of these debentures require that equal payments be made each year until their maturity. Each
 payment consists of blended principal and interest.
- 6. The Province entered into interest rate agreements for certain Canadian bonds to effectively convert their interest rate obligations according to the Province's risk management strategy. These bonds and effective rates are: DMTN209 2.83%, DMTN196 3.73%, DMTN210 2.77%, DMTN211 2.31%, DMTN173 3M CBA rate 0.279% (\$210 million), DMTN219 1.95%, DMTN217 1.88%, DMTN221 2.19% (\$475 million), DMTN79 3M CBA 0.05% (\$125 million), DMTN222 2.52% (\$531 million), DMTN224 2.14%, DMTN105 3M CBA 0.03%, DMTN195 3M CBA rate + 0.55% (\$600 million), DMTN226 1.91%, DMTN180 4.52%, and DMTN116 4.22%.
- 7. DMTN149: Bonds are extendible at the option of the bondholders on the initial maturity date of June 2, 2016 to the final maturity date of June 2, 2035 and, if extended, are exchangeable at the option of the bondholders on June 13, 2016 for Series DMTN119 at par. Interest is payable semi-annually at 3.6% until June 2, 2016 and 4.8% thereafter, if extended. In addition, the Province entered into interest rate agreements that effectively converted the interest rate on this obligation to a rate of 4.67%.
- 8. DMTN152: Bonds are extendible at the option of the bondholders on the initial maturity date of December 2, 2016 to the final maturity date of June 2, 2035 and, if extended, are exchangeable on December 14, 2016 for Series DMTN119 at par. Interest is payable semi-annually at 3.75% until the initial maturity date and thereafter at 4.75%, if extended. In addition, the Province entered into interest rate agreements that effectively converted the interest rate on this obligation to a rate of 4.76%.
- 9. MH: The terms of these debentures require that a special one-time interest payment of 25% of the principal amount outstanding be made at maturity.
- 10. DMTN157: Interest is payable semi-annually at 15.0% until January 13, 2006 and thereafter at 5.0%.
- 11. Series HZ, JA, JB, JC, JD: These are zero coupon bonds which require unequal payments consisting of principal and interest to be made at predetermined irregular intervals with final payment on January 10, 2035. During the fiscal year 2015-16, principal repaid was \$0.1 million. The total principal and interest to be payable over the life of these bonds is \$1,092 million.
- 12. DMTN158: This Real Return Bond bears interest to the index adjusted principal in relation to All-Items Consumer Price Index for Canada (the "CPI"), issued with a base index of 127.54839 on October 4, 2005. Consequent to the change of official time base reference period from 1992 to 2002 by the Bank of Canada on June 19, 2007, the base index has been changed to 107.18352. Total issue size is \$2,844 million in principal, of which \$700 million has been on-lent to OEFC, and \$300 million has been swapped effectively to a nominal debt paying a fixed rate of 4.22%. The amount outstanding represents the indexed value of the principal.
- 13. DMTN117: The bond was issued at a high premium in 2004 to offer a yield of 5.74%.

- 14. JL: The terms of these debentures require unequal payments, consisting of both principal and interest, to be made at predetermined irregular intervals with the final payment on January 10, 2045. The total principal and interest to be payable over the life of the debenture is \$1,325 million.
- 15. OSB: Ontario Savings Bonds are redeemable at the option of the holders on June 21 and December 21 and for 14 calendar days following the redemption date of June 21 and December 21, with the exception of Fixed-Rate bonds which are redeemable at maturity only. Starting in 2009, Variable Rate Bonds are redeemable annually only on June 21. All current outstanding OSBs may be redeemed upon the death of the beneficial owner.

OSB - Fixed Rate:

In 2009, fixed rate bonds were issued for a term of two, three and five years. In 2010 and 2011, fixed rate bonds were issued for a term of three, seven and ten years. In 2012, 2013, 2014 and 2015, fixed-rate bonds were issued for a term of three and ten years only.

OSB - Step-up Rate:

2011 Series: Interest is payable at 1.25%, 1.5%, 2.0%, 2.5%, and 3.75%, 2012 Series: Interest is payable at 1.25%, 1.5%, 1.75%, 2.0%, and 2.25%, 2013 Series: Interest is payable at 1.25%, 1.5%, 1.75%, 2.0%, and 2.25%, 2014 Series: Interest is payable at 1.25%, 1.5%, 2.0%, 2.25% and 2.5%, 2015 Series: Interest is payable at 0.75%, 0.9%, 1.05%, 1.2% and 1.35%, in year 1, 2, 3, 4 and 5 respectively.

OSB - Variable Rate:

Starting in 2009, the interest rate on the Variable Rate Bond is reset yearly, on June 21 only.

- 16. OSB: The outstanding amount represent bonds matured but not yet presented for redemption. Interest is payable on these bonds only up to the maturity date.
- 17. All foreign currency debt has been converted into Canadian dollar equivalents at the rates of the currency exchange agreements if the debt was hedged, or at year end exchange rates if unhedged. 98.4 per cent of foreign currency debt is hedged as at March 31, 2016. The exchange rates of foreign currencies to Canadian dollars as at March 31, 2016 are: Australian dollar 0.99569, euro 1.477479, Japanese yen 0.011529, South African rand 0.088067, Swiss franc 1.350966, United States dollar 1.2974.

In addition, the Province entered into interest rate agreements that effectively converted these interest rate obligations in accordance with the Province's risk management strategies. These bonds and effective rates are:

- (a) Australia in AUD 3.21%, EMTN in ZAR 4.97%
- (b) EMTN in Euro: 3.54% (\$10,084 million), 3M CBA + 1.37% (\$1,784 million)
- (c) Global in Euro: 4.00%
- (d) Japan in Yen: 4.35%
- (e) EMTN in CHF: 4.45% (\$955 million)

LOANS AND INVESTMENTS – Continued

For the year ended March 31, 2016

The Tile Drainage Act authorizes the Minister of Agriculture, Food and Rural Affairs to purchase, acquire and hold debentures issued by municipalities for construction of private tile drainage works. These debentures are payable within ten years of the issue of the debentures.

Tile drainage loans are made directly to individuals in territories without municipal organization as authorized by the Tile Drainage Act and are secured by liens on the properties.

The Ontario Automotive Investment Strategy Fund is a conditional loan of \$173 million to General Motors of Canada Limited to support the company's \$2.5 billion Beacon project. The project supports expansions in vehicle design and manufacturing capabilities at three Ontario plants and a Canadian Engineering Centre, including innovative manufacturing technologies, and advanced training. Also, the Ministry provided a conditional loan of \$2.2 million to Valiant Corporation to support the company's investment in flexible assembly systems.

The Advanced Manufacturing Investment Strategy provided loans to encourage companies to invest in leading edge technologies and processes that will increase productivity and competitiveness. The program has been closed to new applications since February 5, 2010.

The Strategic Jobs and Investment Fund is a multi-year fund, consisting of conditional grants and repayable loans that aim to attract strategic investments in innovative projects that will help transition Ontario's economy and build global competitiveness and long-term prosperity.

The MaRS Phase 2 is a multi-year loan program to support the MaRS Phase 2 Tower project. As part of this loan agreement with MaRS Phase 2 Inc., the previous debt service guarantee was terminated and the ministry assumed the loan from Ontario Infrastructure and Lands Corporation (OILC). Funds were also advanced to acquire Alexandria Real Estate's (ARE) interest in the MaRS Phase II project and to support the project's transition to a state where the project can be refinanced by a third-party lender.

The Innovation Demonstration Fund is a discretionary, non-entitlement funding program that focuses on the commercialization and initial technical demonstration of globally competitive, innovative green technologies, processes and/or products. The objective of the program is to help companies in their efforts to commercialize innovative technologies in Ontario.

The Southwestern Ontario Development Fund is a multi-year fund, consisting of grants and repayable loans to support the attraction and retention of employment, investment, and promote innovation and cluster development and collaborations in Southwestern Ontario.

Ontario Mortgage Corporation assumed the mortgages on the initial dissolution of the Ontario Land Corporation on March 31, 1987.

The Jobs and Prosperity Fund is a 10-year, \$2.7 billion fund to support a dynamic and innovative business climate, and improve productivity and market access for Ontario companies and sectors. The program was officially launched on January 7, 2015 and provides support to key sectors such as advanced manufacturing, aerospace and defence, automotive and information and communications technology.

In order to provide funding to support the departure tax payable in connection with the Hydro One Limited Initial Public Offering (IPO), the Province, as shareholder, also subscribed for \$2.6B in additional common shares. During the fiscal year, the Province sold 15 per cent of the common shares of Hydro One Limited through the IPO, at an offering price of \$20.50 per common share (the IPO Price), and approximately a total of 1 per cent to separate PWU and Society trusts at the IPO price.

On April 1, 1999, under the *Energy Competition Act*, 1998, five corporations, together with their subsidiaries, were formed from the former Ontario Hydro: The Ontario Electricity Financial Corporation, Ontario Power Generation Inc., Hydro One Inc., the Independent Electricity System Operator and the Electrical Safety Authority.

The Ontario Power Generation Inc. (OPG) and Hydro One Inc. (Hydro One) entered into a debt-for-equity swap with the Province of Ontario in order to have capital structures competitive with those of other industry participants. The Province assumed \$8,885 million of the debt issued by the two corporations to OEFC in exchange for \$5,126 million in equity from OPG and \$3,759 million in equity from Hydro One. In addition, OEFC owed Hydro One for a working capital adjustment in the amount of \$122 million on the initial transfer of assets to Hydro One on April 1, 1999. Hydro One agreed to settle this amount as a reduction of their Shareholder's Equity account in 2004. In effect, the Province settled the amount on behalf of OEFC, resulting in a reduction of the equity in Hydro One to \$3,637 million.

The Ontario Infrastructure and Lands Corporation (Infrastructure Ontario) was established under the Ontario Infrastructure and Lands Corporation Act, 2011. As at March 31, 2016, an \$800 million promissory note is outstanding, maturing on March 31, 2053. The interest on the note is reset quarterly at the Province's three-month Treasury bill rate and is payable quarterly. In addition, Infrastructure Ontario had been provided on-lent loans. As at March 31, 2016, the balance outstanding was \$2,655 million. This program has been replaced with a new lending program that better matches the funding of Infrastructure Ontario's loan program. As at March 31, 2016, the balance outstanding in this program was \$1,256.7 million.

Ontario Infrastructure and Lands Corporation has been provided a short-term revolving credit facility to a maximum \$900 million. As of March 31, 2016, the outstanding balance of this credit facility was \$485.0 million bearing interest rates ranging from 0.59% to 1.12%.

The Ontario Student Loan Trust had been wound up. All student loan advances and repayments previously handled through The Ontario Student Loan Trust are now directly handled by The Ministry of Advanced Education and Skills Development through a service provider.

The Province and the Government of Canada, by way of Export Development Canada (EDC), a Crown corporation wholly-owned by the Government of Canada, provided a co-ordinated response to help achieve long-term viability and competitiveness of the Canadian auto sector. The Province's investment represented one-third of the total Canadian financial assistance provided to General Motors Company, General Motors of Canada Limited, Chrysler LLC and Chrysler Canada Inc. in the restructuring of their operations. As at April 1, 2015, the Province's net investment in the auto companies was \$513.9 million. During the year, the Province's investment was reduced by 10.3 million, resulting in an ending balance of \$503.6 million as at March 31, 2016.

On behalf of the Province and various provincial Crown corporations and other public bodies, the Ontario Financing Authority (OFA) coordinates borrowing and financial risk management activities; offers short-term investment management services; advises on project financing; and provides centralized finance and cash management services. Acting as an intermediary for the Province, the OFA provides financing to various public bodies, the repayment of which is expected from third party revenues. The funds for these loans are borrowed from the Province.

School boards have been provided loans under various programs beginning in 2006. During the year ended March 31, 2016, school boards received additional loans and made two semi-annual blended payments of principal and interest, leaving the total outstanding amount at 5,612.0 million (2015 - \$5,608.4). These loans bear interest ranging from 2.42% to 5.38% and mature from 2019 to 2040.

The Ontario Lottery and Gaming Corporation (OLG) is a Crown agency of the Province under the Ontario Lottery and Gaming Corporation Act, 1999, and has been provided loans totalling 34.1 million (2015 - \$29.7 million) to fund several projects, bearing interest at rates ranging from 2.32% to 2.93% and maturing from May 2016 to January 2018.

Infrastructure Ontario had been provided a revolving credit facility to a maximum amount of \$200 million maturing in June 2019. This revolving credit facility has been discontinued.

The Royal Ontario Museum (ROM) is a Crown agency of the Province under a Special Act of the Ontario Legislature and has borrowed \$30.1 million (2015 - \$33.3 million) comprised of 0.5 million at a fixed rate of 5.04% and \$29.6 million at a floating rate currently at 2.19%. All outstanding loans are scheduled to be repaid by March 2027.

The Corporation of the City of Windsor is a municipality within the meaning of the Municipal Act. The financing provided is for the acquisition, design and construction of the Windsor Justice Facility, consisting of a provincial division courthouse and city police headquarters. This is a 20 year loan bearing interest at 6.41% and maturing in March 2021. The outstanding balance is \$9.9 million (2015 - \$11.6 million).

The Ontario Northland Transportation Commission (ONTC) is a Crown agency of the Province under the Ontario Northland Transportation Commission Act, 1990. ONTC's total borrowing of \$3.0 million (2015 – \$3.3 million) matures from 2020 to 2031 and bears interest ranging from 4.90% to 5.22%.

The Niagara Parks Commission, a Crown agency of the Province, operating under Niagara Parks Act, 1990, has been provided a loan of \$4.9 million (2015 - \$5.2 million) to finance additional capital costs incurred for the redevelopment of phase I of Table Rock House in Queen Victoria Park, Niagara Falls. This loan bears interest at 5.07% and matures in April 2027.

The Centennial Centre of Science and Technology is a Crown agency of the Province under the Centennial Centre of Science and Technology Act, 1990. The \$0.5 million (2015 – \$1.0 million) loan was made to fund the construction of the Agents of Change project, bears interest at 4.35% and matures in March 2017.

The Ottawa Convention Centre (OCC) is a Crown agency of the Province under the Capital Investment Plan Act, 1993, and has been provided a loan of \$45.2 million (2015 – \$43.4 million) for the purpose of providing term debt to finance part of the construction of the Ottawa Convention Centre. This 25 year loan bears interest at 4.67% and matures in September 2036. Pursuant to a directive signed by the Minister of Finance on November 2, 2012, the OFA provided OCC with a repayment deferral of principal and interest up to five years. Interest continues to accrue over the five year deferral period. The outstanding amount includes capitalized interest of \$5.2 million.

The University Of Ontario Institute Of Technology (UOIT) is a corporation established under the University of Ontario Institute of Technology Act, 2002. UOIT has borrowed \$10.6 million (2015 - \$15.4 million) bearing interest at 2.77 % and matures in October 2017

Colleges of Applied Arts and Technology have been loaned \$221.4 million (2015 - \$227.9 million) for various campus projects including new and expanded student residences, computer equipment, parking facilities, and an energy saving capital project. These loans bear interest ranging from 1.32% to 5.49% and mature from 2016 to 2040.

Pursuant to Subsection 82(4) of the *Pension Benefits Act*, the Minister of Finance is authorized to provide interest-free loans to the Pension Benefits Guarantee Fund (PBGF) if at any time the amount standing to the credit of the Fund is insufficient for the purpose of paying claims, including those arising in respect of the Non-Contributory Pension Plan covering Hourly Paid Bargaining Unit Employees of Algoma Steel Inc. and the Algoma Steel Inc. Salaried Employees Pension Plan for Employees in Canada. In 2003-04, the Province granted a loan of \$330 million to PBGF, repayable in thirty equal annual instalments of \$11 million commencing December 1, 2004. The unamortized discount represents the value of the interest concession on the loan.

In 2005-06, as part of the financial restructuring of Stelco Inc., the Ministry of Finance lent \$150 million for ten years at 1% to Stelco Inc. in consideration of Stelco Inc. paying \$400 million into its pension plans and agreeing to a pension refinancing plan. 75% of the loan would be forgiven if all of Stelco Inc.'s four main pension plans are fully funded at the end of the ten-year term of the loan.

U.S. Steel Canada Inc. (USSC) is the legal successor of Stelco Inc. and is liable for the obligations of Stelco Inc. in respect of the Province Note Loan Agreement. In September 2014, U.S. Steel Canada Inc. filed for bankruptcy protection under the Companies' Creditors Arrangement Act. In December 2014, the Province submitted a Proof of Claim against USSC for the full amount of loan and accrued interest. Furthermore, the Ministry of Finance established a doubtful accounts provision of \$150.0 million for the outstanding portion of the loan.

In February 2016, the Minister of Finance entered into a loan agreement with the Ontario Retirement Pension Plan Administration Corporation (ORPPAC) to provide a repayable loan of up to \$400 million on commercial terms to pay for the start-up activities of the Corporation related to the implementation of the Ontario Retirement Pension Plan (ORPP). Given that the Corporation was expected to repay the loan with interest to the Province from contribution collection and other revenues, the loan was considered an operating asset in the Ministry of Finance. The loan was expected to be disbursed over three years as follows: \$20M in 2015-16, \$240M in 2016-17, and \$140M in 2017 18. In 2015-16, the ORPPAC drew down the full \$20M allocation.

On June 20, 2016, a historic Agreement-in-Principle was reached to enhance the Canada Pension Plan effective January 1, 2019. In light of the Agreement, the Ontario government announced that it would no longer proceed with the ORPP and directed ORPPAC to cease all activities. ORPPAC's operations have been substantially wound up. As ORPPAC has no assets or expected revenues, it is unable to repay the loan. As a result, the Ministry of Finance established a doubtful accounts provision of \$20.03M (including interest) for the amount that was loaned to ORPPAC in 2015-16.

The Province provided, with certain conditions, separate loans to a Power Workers' Union (PWU) Trust and to a Society of Energy Professionals (Society) Trust in order to finance their respective purchases of Hydro One Limited common shares and certain related expenses. The total principal amounts of the loans to the trusts was \$111 million: \$75 million to a PWU Trust and \$36 million to a Society Trust. Each borrower Trust used its loan to acquire common shares of Hydro One Limited and to pay for certain related expenses.

The objective of the *Shoreline Property Assistance Act* is to provide assistance for the rehabilitation and protection of property on or adjacent to shorelines.

Municipal and school tax credit assistance loans represent reimbursements to municipalities for credits and refunds allowed in accordance with the provisions of the *Municipal and School Tax Credit Assistance Act*.

The Province entered into a debenture loan agreement with the City of Toronto in 2004. The outstanding principal is now estimated to be approximately \$69.1 million. The total remittance of the loan will be \$231.3 million, including accrued interest of \$61.1 million.

Ontario Northland Transportation Commission operates a railroad and maintains communications and transportation services – including bus and marine services – to and within the northern regions of the Province. The \$35,207,935 represents the ministry's equity investment in the Ontario Northland Transportation Commission. The Province provided subsidies of \$108,407,865 (\$84,220,720 in 2012-13).

At end of fiscal 2016 the Ministry was owed \$20,552,262.

The Ministry awarded Science North with a repayable grant of \$500,000 to assist in the designing, constructing and installing of an IMAX Theatre. Repayments began in 1996-97 and are based on 50% of the yearly net revenues.

The Loans for Tools program began in September 1998 to provide loans of up to \$800 to new apprentices who are Ontario residents to help them buy the tools they require for their apprenticeship programs. The loan repayments are to begin once their schooling is completed. The loan is interest free for up to one year following completion of training.

The Ontario Student Assistance Program (OSAP) provides needs-tested financial assistance in the form of loans and grants to eligible postsecondary students. Loans repayment to the Ontario Student Loan Trust begins six months after study period ends. If loan repayment is not made and loan default occurs, the loan becomes a debt to the Province and collection activity begins through the province's Collection Management Unit.

The Gaming and Liquor Deposits were established under the authority of Section 14 of the Alcohol and Gaming Regulation and Public Protection Act, which allows the Alcohol and Gaming Commission to establish fees and other charges in administering the Gaming Control Act and Liquor Licence Act. Under Section 9 of the Gaming Control Act, all applicants/registrants are required to pay the reasonable costs of an inquiry or investigation related to gaming registrations under the Act. Under Section 7 of the Liquor Licence Act, a public notice of an application for a licence to sell liquor must be provided in the prescribed manner. The deposits are used to defray the costs as described. As of March 31, 2016 gaming deposits were \$12,276,124 and liquor deposits were \$2,256,348 totalling \$14,532,472.

The Victims' Justice Fund is a special purpose account established under the Victims' Bill of Rights, 1995. The fund receives the majority (95%) of its revenues from Victim Fine Surcharges (VFS) imposed under the Provincial Offences Act. The Victims' Justice Fund ensures that funds generated through the federal and provincial surcharges are used for the purpose of providing assistance to victims, enables separate tracking of these funds, and permits any unspent funds to be carried into the next fiscal year.

The Ministry of the Attorney General operates a special purpose account related to civil asset forfeiture and the proceeds of unlawful activity. These funds are used to compensate direct victims of unlawful activity that has led to the forfeiture, offset the administration of civil justice costs associated with civil asset forfeiture cases, and to provide grants to law enforcement agencies to assist victims and prevent unlawful activity that leads to victimization.

The Ministry of Community Safety and Correctional Services (MCSCS) and the Ministry of Attorney General (MAG), each operate a special account that has been established for the purpose of holding monies respecting Proceeds of Crime received by, or on behalf of the Crown. In 1996, the Province of Ontario entered into a Memorandum of Understanding with the federal government indicating the Province's commitment to using proceeds of crime to fund law enforcement and crime prevention initiatives (MCSCS) and administration of criminal justice costs associated with proceeds of crime cases (MAG). The ministries make payments from these accounts as required by the terms, and interest is credited to these accounts on a quarterly basis. Both ministries signed a sharing agreement to share both monies received from the federal and provincial proceeds of crime. The funding breakdown consists of MAG receiving 40% and MCSCS receiving 60% of the funds received from the Province and MAG receiving 25% and MCSCS receiving 75% of the funds received from the federal government.

The Ministry of Community & Social Services operates a special purpose account to receive and disburse family support monies between third parties, as authorized under the Family Responsibility and Support Arrears Enforcement Act, 1996 (FRSAEA). Section 5 of FRSAEA authorizes the Family Responsibility Office Director to enforce and collect support payments and to pay the amounts collected to the persons to whom they are owed.

In 1997, in order to recognize the tremendous sacrifice made by our public safety officers and their families to keep Ontario safe, the Constable Joe MacDonald Public Safety Officers' Survivors Scholarship Fund was established by an Order-In-Council (OIC) as a Special Purpose Account with an allocation of \$5 million (and interest earned at 5 per cent per annum when the principal is less than \$5.5 million). The scholarship provides funding to the children and spouses of public safety officers who have died in the line of duty. The funding recommendations are made by an Advisory Committee, which was also established based on the direction included in the OIC. The ministry makes payments from this account as required by the terms and directed by the Minister, and interest is credited to this account on a quarterly basis.

Individuals and Corporations are required to place financial assurance with the Ministry of the Environment and Climate Change to finance environmental cleanups and site rehabilitations relating to Orders and Approvals of the Ministry. The financial assurance contributions provided are in cash and earn interest while on deposit with the Minister of Finance. Both cash deposits and interest earned are refundable.

Operators of waste wells are required to pay a fee to the Ministry of the Environment and Climate Change, based on waste disposed in approved disposal wells under the Environmental Protection Act. These payments from individuals and corporations are non-refundable and are placed in an interest-bearing account with the Minister of Finance to compensate any person or organization for damage to water or water courses which are rendered unfit for use by reason of the operation of the waste well.

This is an interest bearing Special Purpose Account, held in trust for the community of Port Loring by the Ministry of the Environment and Climate Change, to be used as an operational subsidy for a communal water system which was built to address gasoline contamination of the groundwater that had impacted private wells in the community.

The Motor Vehicle Accident Claims Fund operates under the authority of the Motor Vehicle Accident Claims Act. The Fund derives its revenues from two sources: an annual fee charged upon every issuance/renewal of a driver's permit/licence and repayments from debtors (uninsured at-fault motorists). Payments out of the Fund have been subject to a variety of legislative changes over the years of its operation and are detailed in the Notes to the Fund's Financial Statement, which is to be found in Volume 2c.

The Reserve for outstanding cheques account represents those cheques issued by the Minister of Finance, which were not cashed by March 31, 2016.

Unclaimed fully registered bond interest includes interest on Ontario Savings Bonds matured, but not redeemed as of March 31, 2016.

The Personal Property Security Assurance Fund (PSSAF) was established under the authority of the Personal Property Security Act and Regulations and includes claims made under the Repair and Storage Liens Act. Any person who suffers a loss or damage that arises from errors or omissions made in personal property registration records may be entitled to compensation. Under the regulations, one per cent of the fees received for registration as well as annual interest payments determined by the government via Order-in-Council are paid into the PPSAF.

The Province maintains accounts within the Consolidated Revenue Fund for all contributions and interest earnings less payments regarding pension and related benefit funds for the Provincial Judges Pension Fund, Justice of the Peace Supplemental Plan, Supplementary Benefits Accounts and the Deputy Ministers' Supplementary Benefit Account. The amounts recorded by the Province are essentially the sole assets of these plans.

The Reserve for outstanding cheques account represents those cheques issued by the Minister of Health, which were not cashed by March 31, 2016.

The Crown Forest Sustainability Act (the "Act") provided for the establishment of the Forestry Futures Funds. The purposes of these funds are to provide for: 1) the funding of silvicultural expenses in Crown Forests where forest resources have been killed or damaged by fire or natural causes, 2) the funding of silvicultural expenses on land that is subject to a forest resource licence, if the licensee becomes insolvent, and 3) the funding of intensive stand management and pest control in respect of forest resources in Crown Forests.

The Crown Forest Sustainability Act (the "Act") provided for the establishment of the Forest Renewal Trust Funds. The purposes of these funds are to provide for the sustainability of Crown forests and, in accordance with that objective, to manage Crown forests to meet social, economic and environmental needs of present and future generations. The payments of forest renewal charges are received by the Minister of Finance from a licensee who cuts timber on an area that is subject to an agreement under Section 6 of the Act.

A separate account in the Consolidated Revenue Fund is maintained for the Fish and Wildlife Program for dedicated revenue retention from the sale of licences as well as other sources of revenue. The funds are used to offset expenditures incurred by the program.

The *Provincial Parks Act* provides for the establishment of a separate account in the Consolidated Revenue Fund for the Ontario Parks Program for the dedicated revenue retention from the collection of Provincial Parks Fees as well as other sources of revenue. The funds are used to offset expenditures incurred by the program.

The Mine Reclamation Fund is a special purpose account established in 1994, within the Consolidated Revenue Fund for the purpose of receiving and dealing with payments of money received as financial assurance dedicated for the closure costs of mine projects pursuant to Section 145 of the *Mining Act R.S.O. 1990 c.M.14*.

The Training Completion Assurance Fund (TCAF) is a provision of the Private Career Colleges Act, 2005 (PCCA). TCAF is administered by the Superintendent of Private Career Colleges with the assistance of a TCAF Advisory Board appointed by the Minister of Training, Colleges and Universities. In the event a PCC closes, the PCC's financial security will be used to provide students with training completions or refunds. Once the PCC's financial security has been exhausted, outstanding student claims can be paid out by the TCAF.

The International Registration Plan (IRP) is a continent wide international agreement that facilitates the collection and distribution of commercial vehicle registration fees to all IRP members based on distance traveled in each jurisdiction. All Canadian provinces and U.S. states are members of IRP. The IRP liability account represents registration revenue collected from Ontario truck and bus companies and deposited into an Ontario government U.S. bank account on behalf of U.S. IRP member jurisdictions. These registration revenues are accumulated and distributed monthly to U.S. and Canadian IRP member jurisdictions.

The Unincorporated Roads Program Account represents funds deposited to the Special Purpose Account (SPA) by various boards in the Unincorporated Roads Program. These include Local Roads Boards (LRBs), Statute Labour Boards, and Special Maintenance Agreements, corresponding provincial contributions, as well as funding under the Federal Gas Tax program for roadwork that has not yet been performed by the ministry. Boards under the Unincorporated Roads Program consists of an owner or owners of land in a territory without municipal organization and there are approximately 300 - 350 active in the province. The roadwork to be performed is determined during an annual meeting between the LRBs and ministry officials and may include emergency repairs, general maintenance or capital upgrades.

The Ministry of Transportation administers the Dedicated Gas Tax Funds for Public Transportation (Gas Tax) Program. Starting in 2004, the Province provided one cent per litre of provincial gas tax revenues, increasing the amount to 1.5 cents a litre in October 2005 and 2 cents a litre in October 2006. The Gas Tax program provides a long-term sustainable source of funding for Ontario municipalities to improve and expand public transit. The funding of 2 cents a litre was made permanent with the passing of the Dedicated Funding for Public Accounts Act, 2013 through the 2013 Ontario Budget. A Special Purpose Account entitled the "Dedicated Funding for Public Transportation" was created and funds, determined pursuant to a formula stipulated under the Act, are deposited into it and subsequently paid out to the recipients. For 2015-16, pursuant to the Act, \$332.8 million was deposited into the Special Purpose Account. A total of 97 transit systems in 132 communities, representing 90% of the total population of Ontario, received Gas Tax funding in 2015-16. The Province has committed more than \$3.4 billion in Gas Tax funding to Ontario municipalities since 2004.

Two agreements are in place to satisfy the Canadian Nuclear Safety Commission (CNSC) licensing requirements for financial guarantees in respect of OPG's nuclear station decommissioning and nuclear waste management obligations. One agreement gives the CNSC access (in prescribed circumstances) to the segregated funds established under ONFA. The other agreement between the Province and the CNSC provides a direct Provincial guarantee to the CNSC on behalf of OPG. This guarantee, for up to \$1.551 billion, effective January 1, 2013, relates to the portion of the decommissioning and waste management obligations not funded by the estimated value of ONFA Funds as at January 1, 2013 and will remain effective until the end of 2017. In return, the Province receives from OPG an annual fee equal to 0.5 per cent of the value of the guarantee.
